A shaving cream that's changing the shaving habits of the world

Palmolive Shaving Cream is a scientific creation. We worked 18 months to perfect it; made up and discarded 130 formulas before we hit the right one.

We started by asking 1000 men what they most desired in a shaving soap. Then met their exactments one by one. It is different in formula, action and effect from any other shaving preparation known.

5 unique advantages over old-type soaps, creams, powders

In 5 distinct ways, this unique preparation excels over all others. You'll note them all first time you use it. It has won millions of men from old-time preparations. Its success is a national sensation. Men are literally flocking to its use.

- 1—It multiplies itself in lather 250 times.
- 2—It softens the beard in one minute.
- 3—The lather maintains its creamy fullness for ten minutes on the face.

- 4—The extra strong bubbles support the hairs for cutting, where weak bubbles let them fall down.
- 5—The blend of palm and olive oils brings fine after-effects. It makes the cream also a lotion.

Father Slays Son In Ritual Of U. S. Sect

MADRID, Aug. 4. —Religious ideas absorbed during several years spent in the United States were said to have caused a gruesome ritual just reported from Santander, in which a father sacrificed his two-year-old son before the eyes of his wife and the baby's three brothers. The father said God had ordered him to sacrifice the child after the manner of Abraham. He said many persons in North America were

Keep Children Well During Hot Weather

Every mother knows how fatal the hot summer months are to small children. Cholera infantum, diarrhoea, dysentery, colic and stomach troubles are ripe at this time and often a precious little life is lost after only a few hours illness. The mother who keeps Baby's Own Tablets in the house feels safe. The occasional use of the Tablets prevent stomach and bowel troubles, or if trouble comes suddenly—as it generally does—the Tablets will bring the baby safely through. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
