

--Price-Savings That Will Make a Trip to HOLMAN'S a Mighty Profitable Investment

There never was a time when people should exercise discretion economy and care in their purchasing like the present. There never was a time when worthy values should be more carefully considered and more readily grasped. The highest form of patriotism constitutes economy in the purchase of needfuls, -at any and every opportunity.

It is economy to anticipate your requirements and buy, buy, buys, while you can procure goods at the exceptionally low prices named in this advertisement.

Don't overlook the fact that this advertisement enumerates but a few of the hundreds of equally attractive values shown at HOLMAN'S and if at all possible plan a visit to this store this week, while these prices hold good

Winter Costumes

You will certainly be surprised at how little it will cost you to get a fashionable Winter Coat or Dress at HOLMAN'S

You will find in the ordinary course of merchandising the same Coats selling at from \$5.00 to 10.00 each in excess of our prices. The reason is our expenses are not as heavy as the ordinary business, and we are satisfied with a smaller margin of profit.

You will find fashionable Nap or Chinchilla Cloth Coats selling here at \$14.75, other Coats at \$18.75, 21.75, 22.50, 31.50, 33.50 and upwards.

It will surprise you how much you can save on smallwares and notions—the little things you need a dozen times in the run of a day. It will pay you to get an ample supply of these goods at HOLMAN'S Summerside.

Millinery

You will be charmed with the extensiveness and exclusiveness of our Showing of Fall and Winter Millinery Fashions. We cater to every want and whim both. Both Women and Children will find a wealth of suggestions in our Millinery Section.

If you are really interested in a saving in Furniture as well as all other goods necessary to furnish your home, visit Holman's Store and see and appreciate the magnitude of the showing and our marvellously low prices.

Special Values Crockery Section

Many lines of Crockery and Glassware are selling here now at actually less than the goods can be purchased from the potteries. This is the result of a little foresight on our part in placing heavy orders before prices advanced to present-day level.

You, too, can share in this saving by purchasing liberally while present stocks last.
