BURIED IN SOURIS—The funeral of the late Howard Donalds, of Souris, was held Wednesday afternoon from the Undertaking parlor of Mr. A. A. Hennessey to the Railway station whence they were forwarded to Souris for interment. The late Mr. Donalds who was in his 17th year was brought from Souris a day or two ago for an operation for appendicitis, and although the operation was performed successfully, he failed to rally. The young man lived with Dr. A. McDonald, and attended St. Dunstan's University for a time, a number of the students, his former class mates accompanied the remains to the Railway station.

THE GAME LAWS—The Guardian is informed that certain parties are making preparations for goose shooting in certain sections of the province, hitherto famed for this sport. It is also understood that the game wardens are instructed to be more than ever alert this year in preventing a violation of the treaty between Great Britain, Canada and the United States for the protection of wild geese, now or soon to be, on their way to the northern nesting grounds. Sportsmen would be well advised to let the geese pass unmolested this season as there is trouble ahead for any violators. The law is intended to protect the birds and all good citizens will observe the law; others will take the consequences.
