

Smooth and
Vibrationless
beyond your
highest
expectations

THE name Pontiac has long been identified with a combination of big car features unique in a car of such low price. That is why, when you drive the Pontiac Big Six you will naturally expect unusual smoothness. As you experience Pontiac's extraordinary freedom from vibration your highest expectations will be more than realized.

This greater smoothness is due not only to the inherent balance of the big 60-horsepower engine... but even more directly to the new type rubber engine supports which insulate the engine from the frame. And this smoothness, of course, results in longer life.

And not only smoothness, but beauty, comfort and safety as well, have been made more apparent in the Pontiac Big Six. Come to our showroom and see this finer car with a famous name... take the wheel and let Pontiac speak for itself. We will gladly arrange a demonstration. In no other way can you appraise the true high value of Pontiac Big Six. And the G.M.A.C. Plan enables you to become an owner conveniently and economically.

THE **OIL CUSHIONED CHASSIS**

CHASSIS PROTECTION, CHASSIS PERFORMANCE,
that Nash alone Provides

NASH engineering has built an amazing amount of extra value and extra satisfaction into the 1930 Nash "400's." You will not find the oil cushioned chassis in any other car at the Nash price. Eventually, perhaps, but not now. And Nash offers you this superior chassis protection in both the Twin-Ignition Eight and Six. All Nash models, even the lowest priced, are equipped with an efficient, modern system of centralized chassis lubrication which eliminates the bother and uncertainty of hand greasing. In addition the Twin-Ignition Eight and Six have permanently lubricated springs, encased in steel spring covers. This means chassis bearings, including spring shackle bolts and springs, constantly bathed in oil. No squeaks, creaks or rust—longer life! And you will find the "400" price no higher than that of other cars without this valuable safeguard.

Zion Choir Concert

A large audience greeted the performers at Zion Church choir concert Thursday evening. The program was in two parts. The first part consisted of a delightful musical program by the Choir members, under the direction of Prof. Thompson.

A two-act play "Aunt Billie from Jamaica" comprised the second part of the program. The Characters were well impersonated. Mr. Earl Carmody made a charming "Aunt Billie" in the first act. Mrs. Norman McPherson, the real "Aunt Billie" arriving a day late from Jamaica, caused distressing complications, which were finally straightened out by Uncle Dick Lansing, (Mr. Malcolm McKinnon) also from Jamaica. Mrs. F. A. A. Mutch was the very efficient chaperone to a bevy of sweet young girls.

PART I

The program was as follows:—
Shanty Song, "Billy Boy" R. R. Terry, Mr. Harry Craswell and Male Chorus.

Song, "Morning", Oley Speaks Mrs. Norman McPherson.

Mixed Quartette, (a) "Call John", (b) "We all Have a Very Bad Cold" Leslie, Miss Flora Campbell, Mrs. J. A. McMillan, Messrs. Harry Craswell, and Malcolm McKinnon.
