

AUTOINTOXICATION OR SELF-POISONING

The Dangerous Condition Which Produces Many Well Known Diseases.

HOW TO GUARD AGAINST THIS TROUBLE

"FRUIT-A-TIVES" — The Wonderful Fruit Medicine — will Protect You

Auto-intoxication means self-poisoning, caused by continuous or partial constipation, or insufficient action of the bowels.

Instead of the refuse matter passing daily from the body, it is absorbed by the blood. As a result, the Kidneys and Skin are overworked, in their efforts to rid the blood of this poisoning.

Poisoning of the blood in this way often causes Indigestion, Loss of Appetite and Disturbed Stomach. It may produce Headaches and Sleeplessness. It may irritate the Kidneys and bring on Pain in the Back, Rheumatism, Gout, and Rheumatic Pains. It is the chief cause of Eczema — and keeps the whole system unhealthy by the constant absorption into the blood of this refuse matter.

"Fruit-a-tives" will always cure Auto-intoxication or self-poisoning — as "Fruit-a-tives" acts gently on bowels, kidneys and skin, strengthens the bowels and tones up the nervous system.

A sad gloom was cast over the community of Plusville and vicinity, when it was learned that the "Angel of Death" had visited the home of Mr. Jos. T. Gallant, (Post Master at Plusville), at an early hour Friday morning the 26th ult., and claimed for its victim his dearly beloved wife, at the early age of 48. The deceased had been in ill health for the past six months and despite the best of medical aid and kind nursing breathed her last on the above mentioned date. She bore her illness with true Christian fortitude and was consoling in her last moments by her pastor, the Rev. P. X. Gallant. She was woman of exemplary character, being kind, gentle and charitable. Besides a sorrowing husband she leaves to mourn their irreparable loss six children all at home, also her aged father, Mr. John C. Howland P. E. I., and 3 brothers.

The large concourse of sorrowing friends and relatives that followed her remains to St. Anthony's Cemetery where burial took place is evident proof, that deceased was held in high esteem by all who knew her. The pall bearers were Messrs. Frank P. Gallant, Andrew J. Gallant, Archie Gallant, Frank Blanchard, Dominic Gallant and Benj Peters. Requiescat in Pace.

We miss her kind, her willing hand, Her fond and gentle care; And oh! how dear is life around us! What is home, without, without her there.

In the passing of Mrs. James Brown another link between the past and the present has been severed. She had reached the advanced age of four score years, and had been an invalid and confined to her room for the past twelve years. She bore her sufferings with Christian fortitude being sustained in the hope and assurance of the future life.

The late Mrs. Brown was a daughter of the late Mr. William Jakeman and was born in England, coming to Canada when but a child with her parents—direct to Prince Edward Island.

For the greater part of her life she resided in the country then removed to Charlottetown about twenty years ago, where she resided here until the time of her demise.

Her husband predeceased her sixteen years ago, and after death Mrs. Brown lived with her son Mr. Aubrey Brown, Stamp Vendor in the Charlottetown Post Office.

For a lifetime she had been a consistent member of the Presbyterian Church, and her greatest pleasure was in the study of the Scriptures. Indeed, it may be said of her that she was a woman of wide reading, whose knowledge gained from long experience and meditation was considerably above the average. Before her illness she was active in all good works and was always regarded as a kindly neighbor, a helpful friend, and was much esteemed by those who enjoyed her acquaintance.

Most of her generation have passed away, so that few of the present

PRESENTATION TO LIEUT. MILNER STEVENSON.—Yesterday afternoon Lieut. Milner Stevenson of the 105th Highland Regiment was presented with a handsome Waltham Military wrist watch by the Charlottetown Guardian. Mr. Stevenson was subscription clerk on the Guardian staff when the war broke out and was one of the first to volunteer for active service, being sent to Canada with the Artillery Company of which he was a member. When the Company there was disbanded, Mr. Stevenson was one of the first to volunteer for the 105th Regiment, and quickly rose to be Sergeant in the Adjutant's office. His ability was recognized by his superiors, and he was recommended for a commission for which he duly qualified, and was sent to Summerside to act as Adjutant of "C" located there. Mr. Stevenson is a smart, intelligent officer who has made good in every

position he has filled, and his friends anticipate hearing news of his further promotion when he gets to the front.

Never in the history of Charlottetown was there such a scene on the streets as that in connection with the farewell parade of the 105th Overseas Highland Regiment yesterday afternoon. The parade was scheduled to leave the Armouries at 5 o'clock and long before the hour the streets were thronged with carriages and autos and the sidewalks lined with pedestrians. Among the visitors were the parents of many of the boys from the country. Practically the whole City was on the streets while flags waved from many buildings in honour of the island's first regiment. The whole battalion was massed in the vicinity of the Armouries and the boys and their friends had an opportunity for handshakings and good wishes of which many took advantage. To the disappointment of all, about six o'clock, it was announced that the Car ferry on which the Regiment was to embark would not arrive until 10 o'clock. The boys were marched to their respective quarters and the crowds melted away. The steamer which left Charlottetown in the morning was held up by a dense fog in the strait and did not reach Pictou till 4.40 p. m. making it impossible for her to return. She arrived in Charlottetown at 11.30 and at one this morning the regiment was again mustered and paraded to the Marine Wharf. Notwithstanding the late hour a great many citizens turned out to repeat the good-byes and good wishes of the afternoon. The Car ferry with her precious freight on board and accompanied by the fervent prayers of thousands left the wharf about three o'clock for Pictou where the boys will entrain for Quebec and thence for Valcartier where, in all probability they will remain all summer.

Following are the names of the officers and men of the 105th Overseas Highland Regiment who have left for Valcartier.
