WEDNESDAY.

BIG CROWD.—The Charlottetown hotels and lodging houses are now overcrowded on account of the great number of Exhibition visitors. Many of them were seeking places for a night's rest up till the early hours of this morning.

CHURCH OF SCOTLAND.—Rev. Ewen MacDougall will preach on Sabbath 28th at Brooklyne at 10.30. Peters Road at 2.30 and Murray River at 6.30. Also Monday 29th at Iris, Tuesday 30th at Belle River and Thursday Oct. 2nd at Point Prim at seven p. m.

AN ACCIDENT.—Her many friends will regret to learn that Mrs. W. P. Doull met with an accident, yesterday afternoon. Mrs. Doull was crossing Great George street near Fitzroy when she was struck by a team, knocking her down and passing over her body. The driver of the rig did not wait to ascertain what the extent of injury was but drove on. The injured lady was carried into the office of the P. E. I. Hay and Produce Co. She recovered sufficiently to be taken to her home and medical aid was summoned, but she suffered from no further injury than some bad bruises.

ATTEMPTED INCENDIARISM.—A dastardly attempt at incendiarism is reported from Hampton, Mr. Frederick Ince left his farm at half past eight on Sunday evening to assist his brother at De Sable, and when he returned at half past six next morning he found some one had attempted to burn down his barn. A

bundle of matches had been placed beneath a bundle of straw, which was smouldering when Mr. Ince came upon the scene. Fortunately the straw was damp, being previously used for bedding, and did not blaze up, otherwise the whole building and contents would have been destroyed. There was in the stable a horse, for which Mr. Ince had refused \$200, a colt, a quantity of straw and hay, besides part of the newly reaped harvest. Mr. Ince is investigating the matter with a view to the prosecution of the guilty party.

THURSDAY.

PRIZE MONEY.—The total amount of prize money being paid out at the Fredericton, N. B. exhibition is \$7,800, which is divided approximately as follows: New Brunswick, \$4,400; Nova Scotia, \$2,000; P. E. Island, \$600; Quebec, \$400; State of Maine, \$400.

1000 PER CENT. IN FOXES.—Rosemont Live Stock Company, Ltd., ranchers of pure bred silver black foxes, is considering a proposition of amalgamation with a large concern which, if put through, as is practically certain it will, will give the shareholders 1,000 per cent. Of this amount 500 per cent. will be paid in cash and 500 in stock in the amalgamation. While the deal is not actually closed all that is now necessary is the formal signing of the agreement. There has been great demand for the stock from the United States, cheques being received from such distant places as Pueblo, Colorado and Idaho. This year the ranch has had four pups from the celebrated "Sir Charles".

FRIDAY.

MOORMAC MAN.—It was Mr. W. D. McInnis, Tryon, who captured the Moormac Man at the exhibition this week.

A CORRECTION.—It was on Monday night and not Sunday that the attempt to incendiarism was made on the farm of Mr. Frederick Ince, Hampton, as referred to yesterday.

NEW APPOINTMENT.—Mr. Earle Bryenton, Charlottetown, recently accepted a position in the Customs Department at Ottawa, and is now in the Capital, where he has assumed his duties.

CONVALESCENT.—The many friends of Mr. Will H. Newcome, formerly of this city and now of Toronto, will be pleased to learn that he is convalescent after his recent illness. This pleasing news was communicated in letters received recently by his relatives here. Mr. Newcome was for twenty-five years a "knight of the grip-sack" and was known from the Pacific to the Atlantic as one of the most popular commercial men on the road.

A FOX ENTHUSIAST.—Mr. Thomas C. McDonald, a prominent New York lawyer, accompanied by his wife, is on a lengthy visit to the latter's parents, Mr. and Mrs. Michael Malone of Kelley's Cross. Mr. McDonald is delighted with P. E. I., its climate and its capital industry—the fox—and will probably if not already a large receiver of dividends from the business ere long and induce American Capital to flow in the same channels as he has absolute confidence in its permanence for a great while yet.

WELCOMED HOME.—About one hundred of the friends of C. J. Mitchell and bride, after lying in wait for some time past, wended their way to the home of the happy couple last night to give them a royal welcome. The party on arriving at the house immediately began to discourse an excellent program of music on various instruments to numerous to mention, and ere long they had all the residents in the neighborhood as an audience, some of the male sex joining in with the charivariers. Features of the program were "Longwindedness" solo by Messrs. Wynne and MacDonald while Jingle Bells was rendered most acceptably by one of the party named Doucette. After the singing of For He's a Jolly Good Fellow and other appropriate songs, the party broke up shortly before 1 o'clock.

YAUGHT GLENCAIRN.—Man Charlottetonians are familiar with the graceful lines of the Yacht "Glencairn" the property of the late James Ross, Montreal's great financier. Despatches containing the announcement of Mr. Ross' death, recently published, recall the fact that the deceased paid a visit to Charlottetown in August last while en route to Sydney on a pleasure cruise in the "Glencairn." It is not generally known that the deceased purchased the "Glencairn" from the estate of the late Joseph Pulitzer, the great New York publisher and newspaper man, and that her former name was "Liberty." Under her American owner the Liberty visited all most every port of any importance on the United States Atlantic Coast, and as the "Glencairn" she has become in more recent years a periodical visitor to Canadian ports, and is quite well known in Maritime Waters.

PLANT LINE NEWS.—The S. S. Evangeline will make her last trip of the season from Charlottetown on Friday, October 10th. She will leave Boston on October 14th coming east as far as Halifax only. The A. W. Perry, which has been undergoing repairs in Boston since last May will be put on this route. She will make her first trip from here on October 15th to Halifax, where her freight and passengers will be transferred to the Evangeline and taken to Boston by the big boat. The Perry will continue on this route for the balance of the season, leaving here every Friday for Boston. The sailings of the S. S. Halifax on the route will be discontinued for this year. She goes on the slip at Halifax tomorrow to be extensively repaired and improved. Her last trip to this port was made last Tuesday. She is being repaired and fitted on in preparation for her sailings in southern waters this winter.

MONDAY.

POLICE COURT.—At the Police Court at Summerside on Saturday Theodore Desroches arrested on Thursday evening and Thomas McInnis arrested Friday evening, both on a charge of drunk and disorderly, were each fined \$10 and costs or one month in jail.—J.

NO MEAT CANNING.—It is reported that no meat will be canned this fall, by the firm of J. H. Myrick & Co., Tignish. The general belief is that the Wilson Tariff Bill will kill permanently this branch of the canning industry in Prince Edward Island. Much work was done along this line every fall by the large firm of J. H. Myrick & Co. and its discontinuance is rather regrettable as it gave employment to a large number of young men for two or three months in the fall.—T.

THE TUPPIN PARTY RETURNS.—Mr. Frank Tuppin and party, consisting of Dr. A. McNeill, Dr. F. A. LeFurgey, Messrs. Jas. Tuppin, Lot. W. B. Bowness and G. W. Robertson, Summerside, who were on a motor trip through New Brunswick in Mr. Tuppin's Pierce Arrow car returned Saturday night. They went as far as Fredericton and visited St. John, Sussex, Moncton, and other New Brunswick towns having a most enjoyable time and being altogether delighted with their trip.—J.

LOST VALUABLE HORSE.—Mr. Frank F. Perry, Frog Pond, had the misfortune to lose a beautiful young horse a short time ago. The animal took sick very suddenly and before a veterinary surgeon could be summoned he had died. This goes to emphasize the necessity of having a qualified veterinary surgeon have been in Tignish. Several horses were lost within the last year for the want of a person sufficiently qualified in this line of surgery to identify and treat those diseases common to horses. Tignish would be an excellent place to locate as there is a large extent of country and the western end of the Island is especially noted for the raising of horses.—T.

The deceased was born in Bedeque 77 years ago, and when a young man came to Summerside where in conjunction with his brother Elisha, he conducted the well known firm of Wright Bros. Later he removed to Crapaud and took charge of the firm's store there. He retired from business about thirteen years ago, returning to Summerside where he has since resided. He leaves to mourn his wife, formerly Miss Madman of Crapaud, and also one brother, Elisha, and two sisters, Mrs. Morris, Bedeque, and Mrs. Morris, Granville. The funeral takes place tomorrow, Friday, afternoon at 3 o'clock to the Methodist Church. A short service will be held at the house at 2.30 and the remains will be interred in the People's Cemetery, Summerside.—J.

WEDNESDAY.

CROPS.—The crops in the vicinity of Alma are exceptionally good this season. Mr. Charles Mountain has a field of wheat which he claims cannot be equalled in Prince County. The potato crop is also up to the standard of any previous year. Mr. Fred Rennie claims to have found sixteen large potatoes under one stalk.—T.

A SURPRISE PARTY.—A surprise party was given at the residence of Mrs. M. J. Smith, St. Louis, on Friday, Sept. 19th. A large number of the young people of that place "gathered in" to bid good-bye to his grand-daughter, Miss Veronica Myers, on the eve of her departure for Lawrence, Mass. Although wholly "impropti" it was a success and all present enjoyed themselves.—T.

AGONY ON OPERATING TABLE

Did Not Remove Stone in Bladder
GIN PILLS Passed it.

JOULETTE, P. Q. CANADA.
"During August last, I went to Montreal to consult a specialist as I had been suffering terribly with Stone in the Bladder. He decided on an operation and was assisted by another doctor. They said the calculus was larger than a bean and too hard to crush and they could not take it out.
I returned home suffering greatly and did not know what to do but was recommended by a friend to try GIN PILLS. I bought a box and found relief from the pain at once. I took a second and third box of GIN PILLS after which I went back to the specialist. He told me the calculus was reduced in size, still he could not relieve me of it although he tried for two and a half hours.
I returned home again and continued to take GIN PILLS as they reduced the pain very much, but I did not expect that they would relieve me of the stone but to my great joy, I passed the stone on October 2nd, and am now a well man and very happy.
I am sending the stone in to you so that you can see for yourself what a great work GIN PILLS did for me. GIN PILLS are the best medicine in the world and because they did so much for me, I will recommend them all the rest of my life."
J. ALBERT LESSARD.

What glorious news to those who are almost going insane from the pain of Stone in the Bladder! Here is ease and comfort! Here is relief! Here is a certain means of getting rid of the stone without being cut to pieces by the knives of a surgeon. GIN PILLS dissolve Stone or Gravel in Kidneys or Bladder because GIN PILLS are the greatest solvent for uric acid the world has ever known.
