SAYS a Colonial Herald of 1841. The United States Government, second only to Great Britain as a commercial nation, contemplate keeping in commission, during the present year 34 vessels mounting in all 868 guns. The Royal Navy in commission on March 1st is stated to consist of 741 ships mounting in all 4184 guns. Of these 27 are ships of 74 guns and upwards.

THE home of Albert Parkman, New Glasgow, was the scene of a pretty ceremony last night when his daughter Miss Ida M. was united in marriage to Walton, son of T. A. Warren, North Rustico. The ceremony was performed by Rev. John Simpson in the presence of a large number of invited guests. The bride was attired in pearl grey crep de chene with white silk applique trimmings. Miss Carrie M. Warren, Charlottetown sister of the groom, who acted as bridesmaid was dressed in cream cheviot. The groom was supported by C. H. Callbeck of Charlottetown.

THE home of Robert A. McKenzie, Cavendish, was the scene of an interesting and happy event on 25th ult when his sister Miss Bertha was united in marriage with John W. Green, Ebenezer. the ceremony was performed by Rev. Ewen McDonald in the presence of about forty invited guests. Miss Maud Montgomery attended the bride and Robert McKenzie acted as groomsman. At twelve o'clock noon the bride entered the parlor leaning on the arm of her brother Charles E. McKenzie, and the contracting parties took their places under a beautiful arch of ever greens erected for the occasion. The bridal gown was of cream brilliantine with trimmings to match and the bridesmaid wore a gown of flowered silk organdie. Each carried bouquets of carnations and maiden hair fern. After partaking of a sumptuous wedding dinner an hour was spent in social chat after which the bridal party drove to the future home of the happy couple in Ebenezer where a reception was held in the evening. The bride was the recipient of many and beautiful gifts among which was a handsome chair from the members of Cavendish Ladies Auxiliary of which she was Secretary. The Guardian joins in wishing the happy couple a long and prosperous wedded life.

THE half yearly examination of Anglo Rustico School took place Friday afternoon, Dec. 22nd. There was a large number of parents and visitors present showing the advanced interest taken in education at Rustico. The school was prettily decorated with spruce and roses and over the blackboard were two mottos "Welcome" and "Merry Xmas." The pupils were examined in all the subjects by the teacher. Miss McClure, ably assisted by John H. Buntain, a former teacher, and all acquitted themselves with credit. At the close of the examination Mr. Buntain was called on to read a well prepared program by pupils consisting of instrumental music, choruses, recitations and choice Gramophone selections by Mrs. B. W. Lepage, all of which were heartily enjoyed by visitors present. The pupils were then presented with prizes and a small Xmas gift each by the teacher, after which much to the delight of both children and visitors, Santa Claus, laden with a large basket made his appearance, distributing to each pupil a bag of candy and oranges. Remarks were then made by John H. Buntain and others giving much praise to both pupils and teacher for the excellent manner in which the examination had been conducted. Miss Lottie Houston, much to surprise of teacher, read an address while Miss Gladys Craswell presented the teacher with an Ebony Toilet Set. The singing of "God Save the King" brought one of the most interesting examinations of Anglo Rustico School to a close.

EXCELSIOR Farmers' Institute held an informal meeting in the hall at York Saturday evening and various subjects of interest to farmers were ably discussed. Regarding the Government Stock Farm A. West thought it was not properly conducted if there was a yearly deficit. J. H. Gill was of the opinion that the farm should continue to be operated by the Government; but on a paying basis, by securing the best available stock which the farmers would be willing to buy at good prices. The opinion prevailed that the Dominion Government should pay for the experimental station in connection with the stock farm, and sufficient seed grain grown to allow of its being sold to the farmers. If a dairy farm were established, greater efficiency in the management and care of milk cows than at present obtains should be demanded and the best results thereby secured. The appointment of delegates to the Tariff Commission at Charlottetown will take place next Saturday, and if weather conditions prove unfavorable the following Tuesday evening.—W. C. West Sec'y.

THE Halifax Herald in a recent issue reproduced short messages from leading men on the year 1905. The following was from Rev. G. R. White, city, President of the Baptist Conference: Permit me to extend to the united Baptist churches of the maritime provinces, a New Year's greeting. In the passing of 1905, what gratitude to God, what searching of the heart, should be ours. How manifold the mercies of our God, how many our short-comings. But while the great Amazon of the Divine mercy flows on we can face in calm hope the future. The year 1905 will remain memorable with the Baptists of these provinces. It will go down in history as the year of union between the Free Baptists of New Brunswick and the Baptists of the maritime provinces. Let us, then dear brethren, purpose by the help of God to make the New Year, 1906, the best year's service for souls and the glory of God we have ever had. Let us hope that our union now consummated will stimulate other Christian bodies to unite, that the work of God's Kingdom may be more economically carried out, and the prayer of our Divine Lord more abundantly answered, "That they all may be one." I believe I voice truly the sentiment of the United Baptists of the Maritime Provinces when I say to all consecrated workers in the vineyard of the Lord: We wish you also a most prosperous New Year.

Worth Reading

Not how CHEAPLY but how SATISFACTORILY can I be fitted with glasses?

THAT'S the QUESTION which every THOUGHTFUL person SHOULD ask. Cheap or ill-fitting glasses CAUSE more strain than they RELIEVE. It takes TIME to CAREFULLY and ACCURATELY fit glasses. Time is VALUABLE and cannot rightfully be given for nothing. The EXACTING tests which we make take TIME, for which we ask FAIR remuneration. We give you the BEST POSSIBLE service and are CONSTANTLY on the alert to FURTHER improve our facilities.

We therefore do NOT test eyes FREE and we feel that no REASONABLE customer expects us to do so.

We invite those interested to see us about their eyes.
