**Nervous Headache, Brain Fog, Dyspepsia.**  
The Sufferings of a Business Man Overcome by Worry and Exhausting Brain Work—Dr. Chase's Nerve Food Cures.  
Sick, nervous headache and nervous dyspepsia or indigestion are usually found together, and have a common cause in an exhausted condition of the nerves. Modern headache powders are simply narcotics that deaden the afflicted nerves. They are harmful and frequently dangerous. The only way to effect a thorough cure is to restore the nerves by such treatment as Dr. Chase's Nerve Food.  
Mr. Joseph Geroux, 22 Metcalf street, Ottawa, Ont., writes:—  
"I was nervous, had headache and brain fog. I was restless at night and could not sleep. My appetite was poor, and I suffered from nervous dyspepsia. Little business cares worried and irritated me. After having used Dr. Chase's Nerve Food for about two months, I can frankly say that I feel like a new man. My appetite is good, I rest and sleep well, and this treatment has strengthened me wonderfully. Dr. Chase's Nerve Food is certainly the best medicine I ever used, and I say so because I want to give full credit where it is due."  
Dr. Chase's Nerve Food, 50 cents a box; 6 boxes for \$2.50, at all dealers or Edmondson, Bates & Co., Toronto.
