Baptist Sunday School Concert

The annual concert of the Baptist Sunday School was held in the church hall on Friday evening, Dec. 28. The hall was filled to capacity with parents and friends of the children. In the unavoidable absence of the superintendent R. J. Rupert, who was called to Saint John on account of the death of his father, the concert was conducted by the minister, Rev. I. Judson Levy. At the opening of the program, the minister conducted a short devotional period leading into the presenting of the gifts. This year no "treat" was given to the children, but in the place of that, all were asked to give their gifts to the Christ Child. The response on behalf of the children and parents was very generous and a large offering was received for the support of the mission work among lepers on the Baptist mission field in India.

The following program was presented:
Exercise, Welcome, by the girls of Mrs. Douglas' class.
Two selections by the Junior Choir.
Recitation, He Could Help, Mark Ladner.
Vocal Solo, It Came Upon the Midnight Clear, Billie MacCannel, Recitation, Shirley Moreside.
A playette by the girls of Mrs. McAulay's class.
Piano Solo, Shirley Campbell.

In Memoriam

In loving memory of George C. Ward who passed away Jan. 1, 1940 age 3 years, son of Chester and Louise Ward.

Deep in our hearts there's a picture
More precious than silver and gold
It's a picture of our darling boy
Who's memory will never grow cold.

Lovingly remembered by Mother, Father and Sisters.

In Memoriam

In loving memory of W. J. Paynter who passed away December 31, 1936.

When the twilight shadows gather
On a cold December night
We are thinking of our loved one,
Who no longer is in sight.

For the Lord, he sent his angel,
And he took our Daddy dear,
And he left us oh—so lonely
To begin another year.

Home From Overseas

Standing before the gaily decorated Christmas tree which adorns the Reception Drill hall at RCAF Station, Lachine, is one happy young man who arrived early Monday at No. 1 Repatriation Depot from overseas. He is LAC. J. H. Leard of Summerside, P.E.I., a radar mechanic who was overseas 2 1-2 years. With him is Miss Joyce Millbank of 1556 Des Ormes, Montreal ... the probable reason which LAC. Leard says: "I'm spending my leave in Montreal." (RCAF Photo by Cpl J. Markow).

The year 1945 is simply drawing to a close.

At this time we wish to thank you, the buying public, for patronage and co-operation given us the past year.

Best wishes we extend to all for 1946.

CLEAN NAILS ELECTRICALLY NOW

NEW YORK — It's the post-war world, and you can clean your fingernails electrically.

The same gadget also will file them, push back the cuticle and complete a manicure right up to the polish.

It's all done with a series of instruments in a little white box which is plugged into a light socket.

A wire with a nozzle-like connection at the end runs out of the box. Each instrument, as it is used, is plugged into the end of this wire, much as a dentist adjusts his drill.

Then you turn on the juice and whirr away at those cuticles.

The "beautiator," first introduced in the pre-war market, is back in a streamlined 1945 version.

All that's lacking is the polish. No substitute is offered for the old paint-it-on-and-wait-for it to dry technique.

LONDON —(C P)—During the years 1939 to 1945, 90,000,000 tons of food were shipped to the United Kingdom.

Hail the New Year!

We sincerely wish that we may be of further service to you during the coming year—1946!
