Central Guardian GYRO CLUB HOLD ANNUAL MEETING

WILL BE DISCONTINUED—The air mail service, which the Province has enjoyed since the middle of January will be discontinued on Saturday next on the resumption of the double train and ferry service between the Island and the Mainland.

MAKES MANY TRIPS—The car ferry transported eighty cars from Borden to Tormentine yesterday, and an equal number back. The steamer made seven round trips, in almost scheduled time, one hour for the crossing. Although there is still a large quantity of ice in the Straits it is very loose and is not lodging on either shore. It is expected that the freight congestion will be relieved by this evening.

TRAIL RANGERS CONCERT—The Trail Rangers of Trinity United Church staged a very interesting concert last evening in Hearts Memorial Hall. A series of playlets in which thirty boys participated formed a large part of the programme. The following special numbers were also rendered: Solo, Miss Margaret Sterns; solo, Roddy Gillis; Violin solo, Wm. Hennessey; Violin solo, Hume Keefe; harmonica duet, R. Charles Matheson and Bert Livingston. The concert was under the direction of Mr. Walter Mutch, assisted by Mr. Roddy Gillis and Mr. L. J. Stacey, the latter acting as chairman.

—C. G. S. BRANT COMMENCES WORK—Captain Basil Kelly, Commander of the C. G. S. Brant, left Summerside for Charlottetown on Monday, where the Grant was laid up for the winter. This steamer is being provisioned before starting on her work of putting out the buoys. This is about the earliest that this work has been commenced.—S.

—FAVOURABLY COMMENTED UPON—The editorial in last Friday's Guardian on the unlawful practice of catching trout in large quantities for fox feed by every means known to the unscrupulous, was very favorably commented upon by sportsmen generally in the western section of the Island. That these committing such wanton destruction of trout should be shown up and punished to the full extent of the law, is the opinion of true sportsmen everywhere. The rivers of the Island are famous as trout streams and attract the class of tourists most suited to a rural community such as this. The tired business man from the city is lured to the Island with the prospect of a week or two of good fishing in some quiet spot, of which there are many on Prince Edward Island. Let all public spirited citizens see to it that the chief attraction that the Island has for tourists is carefully preserved and not ruthlessly destroyed by a certain class who are thinking of nothing but their own immediate gains. In their short sightedness they are killing the goose which lays the golden egg for Prince Edward Island tourist trade. A copy of the "Golden Future" in which the Island was described as the "Angler's Paradise" was recently acknowledged by an ardent follower of Isaak Walton, residing in London, England. He remarked that it was "Most alluring." This same fisherman has spent a good deal of time in Norway among the trout streams, and this is what he says regarding them: "The sport was poor and has been all the season, likewise, on nearly all the rivers. The Norwegians have done much harm by overnetting for several years. This, with fewer coming up and the fish refusing any and every kind of bait is causing the English and American fishermen to look for other places." This is an extract from a letter telling of his visit there last year. Let the sportsmen of this favored isle see to it that no such calamity is ever told of the fishing on Prince Edward Island.—S.

Jimmy Hennigan Wins B. A. Grind

By Will King, Associated Press Sports Writer

BOSTON, Mass., April 20.—After falling ten times, James P. Hennigan, little 39-year old Medford runner, today won the 35th running of the Boston Athletic Association marathon from the best field the famous classic has attracted in many years. "Smiling" Jimmy, father of five children ran and walked the 26 odd miles from Hopkinton to Boston. In 2:46:45 2-5, the slowest winning time since J. J. McDermott, of New York, won the B. A. A.'s first race a 25 mile affair, back in 1897.

Hennigan broke the tape two minutes ahead of Fred J. Ward, New York, who made a gallant finish drive. Karl Koski, the New York Finn, finished third, as he did last year. David Fagerlund, Koski's Finnish American A. C. team mate placed fourth and Clarence Demar, the 42 year old Keene, N. Y. teacher and seven times winner came home in fifth place. Demar, the popular favorite could not explain his failure "It was not the heat," he said, "I liked that. I can't explain. Nothing to click for me and I had no night why, I was running better than ever before, just a week ago." Two Canadians, the best of the Maple Leafs delegation of 20, followed Demar home. Tony Percy Weyer, of Toronto, coasted in sixth in 2:56:01 and he was followed more than two minutes later by his fellow townsman, David Komonen, one of the early leaders. Paul Debruyon of New York was eighth and the only finisher under three hours. The other members of "first ten" were Gordon Norman of Iqon and Johnny Miles, of Hamilton, Ont., winner in 1926 and 1929, in that order.

PUBLIC WOODLOT SUCCEEDS
WINELANDER, Wis., April 20.—(U.P.)—A public woodlot, established by Oneida County early in the winter to provide fuel for poor families has resulted in the distribution of 225 loads of wood to the needy. Approximately \$400 has been realized from wood sales.

MIDGET DRIVER GIVES MOTOR COP CHASE
NORWALK, Conn., April 20.—(U.P.)—Motorcycle Policeman John Toothill's eyes popped out when he saw a small automobile traveling over the Boston Post Road with no driver in sight. He sped after it, overtook it and ordered the tiny driver to halt. "How old are you," he demanded. "I'm 25 and married," replied the 50-pound midget, who had a car with special brake, clutch and gear devices to fit his size.

S BROMLEY PLANS FLIGHT
MEDFORD, Ore., April 20.—(U.P.)—Harold Bromley, Tacoma aviator, hopes to span the Pacific this year. After several attempts from Tacoma and Tokio last year the aviator said he recently that he would try again. He probably will make the attempt alone this year. He expects to have a late model high speed plane and will start from the American continent. He will work this summer for a transport line in Chicago.

CHIHUAHUA CROPS GOOD
CHIHUAHUA CITY, Mex., April 20.—(U.P.)—Crop conditions for central Chihuahua are 25 per cent above previous years, according to reports issued by the state agricultural commission. One fifth excess acreage over last year has been planted in beans, wheat, corn and alfalfa.

FAKE COPS ROB MAN
LAS VEGAS, April 20.—(U.P.)—"We are officers of the law," said two men as they broke into the cabin of A. R. Smith, plunked a pillow over his head, took \$20 in bills and a .45 automatic, and walked away. Las Vegas police denied the two men were brother officers.

TANNING STONE FOUND
WALTON, Ore., April 20.—(U.P.)—Worn smooth and glossy by use, a stone column three feet high was found near the mouth of Whitaker creek. It was believed to have been used by Indians in tanning hides. The hides were pulled over the stone until soft.

UNIVERSITY OF KANSAS OPENS BASEBALL SEASON
LAWRENCE, Kas., April 20.—Baseball season at the University of Kansas has officially opened here with a turn out much larger than was expected. Coach Bishop has only a limited amount of time in which to round out a squad for the opener, but with the material at hand, he believes it can be done easily. The pitching staff shows promise of being the strongest in recent years. Coach Bishop said.

Looking 'Em Over

CONDITION IMPROVING
The many friends of Mr. James McEachern, who is at present a patient in the Prince Edward Island Hospital, will be pleased to learn that his condition was reported last night, as very much improved.

LADY BASKETEERS COMING
St. John ladies basketball team is scheduled for a return game with Absegweit Sisters at the Y. M. C. A. Friday night. These teams met on the mainland a few weeks ago, with the locals coming out top best. The New Brunswick girls, undaunted, unafraid and determined to even the score, will arrive here full strength and in the best of condition. The game should be a good one.

Jack Should Worry
Jack Dempsey has to rest up from the arduous labors of collecting two or three thousand dollars every few nights as his fee for officiating. Another little matter that is causing some perplexity is the fact that he is about to divorce his wife Estelle Taylor.

WILLIAMS GETS OFFER
Rumor de rue has it that "Chick" Williams, last year's Absegweit defence sensation, has received several flattering offers from two New Brunswick clubs. It is sincerely hoped that the "powers that be" will keep a tight hold on the cagy "Chick." Judging by his scintillating performances of last season he would be a big asset to any club in the Maritimes. The Absegweits no doubt realize this and it is a safe bet that Williams will not cross the Strait.

Ambling Alp, Back
Carnara will come into his own at last. He has been reinstated by the New York boxing commission who have in mind his elimination by Jack Sharkey. The big mountain of bunkum was bound to get a title shot sooner or later, and with his past behind him will now be prepared for the discard, as it is figured.

FIREMEN SUCCEEDED WHERE DOCTOR FAILED
WASHINGTON, April 20.—Clarence Holmes, two years old, was given a ring by his father, but it didn't quite fit. Once Clarence got the ring on, he couldn't get it off. Soap and hot water and even a hospital physician were of no use. Clarence began to wall-loud and long. The ring had to come off. His parents called the police and in a few minutes sirens were heard for blocks away and the fire rescue squad a new ambulance, and two radio patrol cars arrived to investigate. Firemen used a large knife to cut the ring from Clarence's finger.

PORTLAND CUP PUT IN SHAPE
PORTLAND, Ore., April 20.—The Portland Golf Club course is being lengthened and trapped and the rough will be allowed to grow in preparation for the holding of the Western Amateur championship to be played July 13-18. A large entry list including Dr. O. F. Willing, Frank Dolp, Eddie Hogan, Malcolm MacNaughton and other star Portland golfers, is expected.

SCHOOL RELAYS PLANNED
MILWAUKEE, Wis., April 20.—The ninth annual national high school relay carnival sponsored by Marquette University will be held at the Hilltop stadium, May 2. Thousands of prep athletes from nine or ten states and Canada have competed in the meet in past years.

ONLY STATE'S CITIZENS GET JOBS
PHOENIX, Ariz., April 20.—(U. P.)—A bill passed by the 1931 legislature prohibits the employment of persons on state projects who are not bona fide citizens of Arizona. It stipulates that contracts shall be qualified by the state of Arizona.

SIX NEW TEXTILE MILLS
ADMEDABAD, India, April 20.—Arrangements are being pushed to start six new cotton textile mills here in anticipation of better times in India.
