Head Offices in New Prowse Block—Charlottetown

The latest news, first of all.

Miss Janie Stewart of Boston, who is visiting her home in Mt. Herbert, was a visitor to the city yesterday.

The Charlottetown Kindergarten and Primary class in connection re-opens Wednesday morning at ten o'clock.

An assault case was heard before Stipendiary Macdonald in the County Court yesterday and resulted in the defendant's being fined \$2 and costs.

The School of Music Orchestra, under direction of Prof. C. M. Wright, will render selections throughout the evening at the Opera House on Monday night next—the night of the play.

The excursion rates for September on the Plant Line go into effect on Sept 13th good for thirty days from date of sailing, the return fare being only \$12, as will be seen by the ad elsewhere in this issue.

E. J. and Mrs Cody were in Westville, Saturday last en route to P. E. I., where they will visit friends. They had just returned from Cape Breton and Antigonish where they saw many of their former acquaintances. Mr Cody is Chief of Police at Kalso, B. C.—Westville Free Lance.

A. C. Wood, Alexandria, brought to this office yesterday two very large green caterpillars which he found on apple trees in his orchard. They were as thick as one's little finger, and measured from two and a half to three inches in length, green in color and, judging by the way they had feasted on apple tree leaves placed in the parcel for their benefit, with voracious appetites. The caterpillars proved to belong to the American Emperor Moth (Cecropia hyalophora). This is a very large and destructive moth which devours many times its own weight in pear, apple and other fruit tree leaves, and should be destroyed wherever and whenever found.

A quiet but pretty home wedding took place at 139 Burrell Street, Hamilton, Ont., the home of the bride, on Aug. 31st at three in the afternoon, when Miss Edna, daughter of Alexander and Mrs Beddie, became the wife of William G. McDonald, a popular member of the firm of J. P. Crockett & Co, Montague, and son of Sheriff D. F. McDonald. The bride, who was charmingly gowned, was unattended, the ceremony being performed in the presence of only the immediate friends. After the ceremony the popular couple left, amid showers of good wishes, for their future home in Montague, via New York and Boston. The Guardian with a host of Provincial friends wish them long years of health and happiness.

The Boston Globe of the 31st ult., contains an excellent picture of Alex and Mrs McKinnon, natives of this city, with the following article: The golden wedding anniversary of Mr and Mrs Alexander McKinnon, of 735 Somerville Ave., Somerville, was observed yesterday afternoon and last evening in the First United Presbyterian Church in Inman Sq., Cambridge. Mr and Mrs McKinnon received about fifty friends in the afternoon, after which the family sat down to dinner in the basement of the church. During the evening more than one hundred called to congratulate them. The couple were both born in Charlottetown, P. E. I., and were married there. They had ten children all of whom are living. They are William A., Akron, O.; Mrs Frank Smith of Springfield; Mrs. John Graves of Aylesford, N. S.; Mrs. Frank H. Howard of Haverhill; Mrs. E. O. Wood of Plainville; Mrs John E. Blake of Portland, Me.; Mrs. Waldo J. Fisher, of Springfield; Mrs William Conway, of Somerville; Mrs. D. W. Black of Cambridge and Mrs. B. H. Aston of Somerville. Seven of the children were present as were fifteen grandchildren and two great-grandchildren. The grandchildren are Harold T. Smith, Mrs George M. Taylor and Master Olin Smith of Springfield, Ray A., Leslie C., Frank H., Jr and Vera E. Howard of Haverhill, Percy Fisher of Springfield, Lella B., William J., Clarence A., Walter S., and Ralph H. Conway of Somerville, Chester F. and Horace W. Black. Mrs McKinnon was given a purse of gold. The occasion also marked the 12th wedding anniversary of Mr and Mrs Black.

The grand lodge of Knights of Pythias for the grand domain of the maritime provinces will meet in annual convention in the K. of P. hall, German Street, St. John, on Tuesday and Wednesday, September 6 and 7. As the convention will be held during the time of the Dominion fair, it is expected the attendance will be very large. In accordance with the wish of the grand lodge, as expressed through the grand chancellor, there will be no formal entertainment this year, the members desiring to spend their leisure time at the fair grounds. The present grand chancellor is Selton Hunter, of Springhill, and the grand vice-chancellor is William A. Stewart, of St. John. It is probable that Mr Stewart will be elevated to the premier position at the approaching convention. There will likely be sessions morning, afternoon and evening during the two days. The annual inspection of the uniform rank branch will be conducted by Col. Alfred Dodge, and it is possible that a parade will be held.

The Willis is the only Piano for the home

As a rule only one piano is bought in a lifetime so that durability and permanency of tone and action are even more important than design and finish.

For brilliancy of execution, mellow richness and sympathetic singing qualities, beauty and permanency of tone, delicacy of touch and superiority of materials and workmanship, no piano can equal the Willis for home use.
