

FLEET FOOT

For Business Wear

YOU know the lightness and comfort of FLEET FOOT shoes on Bowling Green, Golf Links and Tennis Courts. You get into your FLEET FOOT just as you slip on flannels or white ducks.

Why not wear FLEET FOOT all day, right through the summer—and enjoy the ease of an old-fashioned tennis shoe combined with the neatness, style and wear of a regular shoe?

FLEET FOOT have given a lot of men an entirely new idea of canvas, rubber-soled shoes. The many attractive models—the shapeliness—the easy comfort—the sturdy materials and careful construction that make these shoes wear so well—are pleasant surprises to the man whose ideas of FLEET FOOT have never gotten beyond the sport shoe.

Driving a car, you know that Dominion Tires give you good service. The same great organization that builds "Dominion Royal Cord" and "Nobby Tread" Tires makes FLEET FOOT Shoes. This means quality and service in summer footwear as well as in tires.

There are FLEET FOOT shoes for men, women and children—for every day and evening wear—for work and play, indoors and out.

And make sure you get FLEET FOOT—see that every pair is stamped

A New Factor in Farm Efficiency

Electricity on the farm is an established fact. But only those farmers who have installed a Fairbanks-Morse Type "F" Power and Light Plant appreciate the extra advantages and economy of a power and light plant whose power may be used independently of the electricity. The "F" saves them the 50% power waste incurred when farm machinery is operated by electric motors.

When you have found out about the "F" Plant you will see why it is the most suitable for your farm. Ask our nearest branch to send you interesting power-light information.

WELCOME TO MONTAGUE.—Mr. John McLean, returned soldier, who was recently married in Halifax, has settled in his home town at Montague with his wife. He has started a shoe repairing shop on the south side. We wish him a good share of business.

LAWN PARTY.—Miss Julia Lannan, one of the primary teachers of the Montague School, entertained her entire room of pupils on the lawn of her home on May 24th. A real good time was enjoyed by all. A dainty lunch was served by the hostess, who needless to say is a great favorite with her scholars.

NEW ARRIVALS WELCOME.—Mr. and Mrs. I. Burden and family are among the recent new comers to Montague. Mr. Burden is the manager of the McKinnon Co., in the building lately occupied by Compton's. The Burdens are not strangers in Montague for Mr. Burden was the popular accountant of the Willard Kitchers Co., who built the railroad here some sixteen years ago. Before leaving their late home in Pownal, Mrs. Burden was pleasantly surprised by the Ladies of that place, and presented with an address and purse. A good time was enjoyed in singing "Auld Lang Syne," "For She's a Jolly Good Fellow," etc. After which they served ice cream and cake. Before the party broke up Mrs. Burden was bounced, and many good byes said, not without much regret, for Mrs. Burden has spent almost her whole life in that place and naturally has many dear friends there. Their daughter Margaret was also remembered by the girls of that place and presented with a life gift. The Burdens are very desirable citizens, and we feel sure will find many warm friends in Montague.
