The name of W. G. Reid of Hamilton, Ont., is a familiar one to thousands throughout the Dominion. For over forty years Mr. Reid has been service as a commercial traveller. A letter recently received from him indicates how he suffered from Rheumatism, and at last found relief.

Read this letter:
Hamilton, Ont.
"About four years ago I wrote you of my condition from Muscular and Inflammatory Rheumatism and Kidney Trouble and my efforts through travel and change of climate to rid myself of these unwelcome guests, and how I only found relief in Gin Pills after spending a lot of time and money in foreign lands. Since then Gin Pills have been my sheet anchor. I find in advancing years a tendency of the kidneys to get out of order more easily than formerly but a few doses of Gin Pills puts them right and wards off other and more serious trouble. I feel it not only a duty but a pleasure to recommend Gin Pills for Kidney and Bladder Troubles to my thousands of personal friends throughout Canada to whom I am well known as a commercial traveller of over forty years' service."

Yours truly,
(Signed) W. G. Reid.

—OLD VESSEL SOLD.—The old derelict schooner Lizzie Catherine, which has been lying at the dock in Summerside for some time, formerly owned by Capt. Miller has been purchased by Jos. Read & Co., and will be dismantled for her rigging.

—"STRUCK OIL."—While the kerosene was being pumped from the Imperial Oil Co.'s, steamer to the tanks near the jail on Saturday afternoon, one of the pipes near Davis & Fraser's began to leak, and gallons upon gallons of oil flooded the surrounding ground. Numerous citizens gathered the liquid in buckets, barrels, cans and other receptacles, which will materially help to "lighten" their oil bill.

CONFIRMATION.—His Lordship Bishop O'Leary administered the sacrament of Confirmation in St. Dunstan's Cathedral Sunday afternoon. The sacrament was given to one hundred and twenty-two candidates, the choir taking a prominent part. A sermon suitable to the occasion was preached by Rev. Dr. Hughes. His Lordship Bishop O'Leary also addressed the children. Both speakers gave the children good practical advice.

HOME FOR INTERMENT.—The body of Gunner Richard W. Poole, son of Mr. W. L. Poole of Montague was brought over from Halifax on Saturday evening accompanied by his father, Mr. G. D. Wright, conveyed the body from the railway depot as far as Vernon Bridge where the party was met by Undertaker McKinnon of Montague and taken to the late home of the deceased. A party of five, including the undertaker, came over from Halifax with the body. The funeral tributes were numerous and very beautiful.

—SAVED HIS BACON.—The agriculturist says: "Although the farmers may not feel much affection for the automobile, there is one farmer in the vicinity of Summerside who might be piggish today had it not been for an honest tourist who was pleasure seeking on Thursday evening. Noticing a small obstruction in his path he proceeded to investigate, and found to his surprise that he had verily found 'a pig in a bag.' He conveyed the wiggling mass to a seat by his side and started out to find the owner who had lost the pig enroute. We trust that this promising young pig does not feel any the worse of his joy ride."

He formerly belonged to Cherry Valley and was the son of the late Mr. John Vesey. He leaves one sister, Mrs. Campbell, of Charlottetown, and three brothers George and Roderick in Charlotte, and John in the States. Vesey's death was caused by his getting rushed badly, along with two other men while taking a car into the barn at the Galen Street yards in Watertown. On the way it crushed the three men against the side of the building. It is said that Vesey could have saved himself, but jumped to save his comrade, Cook and was himself caught by the car. Cook and the other man Bouche were seriously injured.

John J. Gillis died at his home in Vermont on May 15 after a short illness of the grippe. Mr. Gillis was born at Clermont, P. E. I., 831, and there he lived until death removed him from the scenes of a practical, useful life. He was by profession a farmer, and by thrift an industry found and maintained a prosperous home. The members of the family still living are Joseph R., Alaska Mary A., trained nurse, New York John B., New Brunswick; Ellen, a once; Daniel E., Honolulu; Sister Lucia, Providence, R. I. Funeral was held on Friday morning at St. Mary's Church, Indian River and a Requiem Mass was sung by Rev. J. G. McLean. The young man had been in Halifax for some time serving his King and Country. He was taken down very suddenly with diphtheria and pneumonia from which, with the best medical attention, it was impossible to recover. In reply to a wire his father hastened to Halifax, only to find his son dead on his arrival. The remains were brought to his home here, where he spent so many happy hours. All day Sunday friends called to look upon the face, so dear to all, but which was now cold in death. The floral tributes were magnificent most of them coming from Truro, the florists here not being able to fill all the orders. The funeral procession left his late home at 2 o'clock Monday for Lower Montague Methodist Church, where the services were very impressively performed by Rev. Walter Donville, after which the body was tenderly laid to rest in Lower Montague cemetery, there to await the resurrection morn. The pall bearers were six soldier boys, friends of the deceased, thus making the burial doubly impressive at this time of world war. Seldom has this town been called upon to sorrow so deeply, as when this young life was taken from our midst. Besides the sorrowing father and mother, there are left to mourn, four sisters and four brothers; the sisters are Mrs. Edward Hanson, Moncton; Mrs. Schurman, Ontario; and Eileen and Sybil at home. The brothers are Herbert, in France; John in McGill University, Montreal; George of the Canadian Bank of Commerce and Louis at home. All were present at the funeral, except the brother in France.—T.

Save Food

In a time needing food economy many people are not getting all the nourishment they might from their food.
It is not how much you eat, but how much you assimilate, that does you good.
The addition of a small teaspoonful of Bovril to the diet as a peptogenic before meals leads to more thorough digestion and assimilation and thus saves food, for you need less.

ATTENTION! Sick Women

To do your duty during these trying times your health should be your first consideration. These two women tell how they found health.

Hellam, Pa.—"I took Lydia E. Pinkham's Vegetable Compound for female troubles and a displacement. I felt all run down and was very weak. I had been treated by a physician without results, so decided to give Lydia E. Pinkham's Vegetable Compound a trial, and felt better right away. I am keeping house since last April and doing all my housework, where before I was unable to do any work. Lydia E. Pinkham's Vegetable Compound is certainly the best medicine a woman can take when in this condition. I give you permission to publish this letter."—Mrs. E. R. CRUMMING, R. No. 1, Hellam, Pa.

Lowell, Mich.—"I suffered from cramps and dragging down pains, was irregular and had female weakness and displacement. I began to take Lydia E. Pinkham's Vegetable Compound which gave me relief at once and restored my health. I should like to recommend Lydia E. Pinkham's remedies to all suffering women who are troubled in a similar way."—Mrs. ELISE HELM, R. No. 6, Box 83, Lowell, Mich.

—CIVIC ELECTION.—Writs have been issued for a Civic Election in Summerside for one Councillor, caused by the resignation of Mr. Peter G. Clark. Nomination on the 28th inst and polling on 4th June.—H.

GOOD RETURN.—The John Agnew Fur Farms reports a large production at their Ranch, an increase of about 150 per cent., an average of about three pups to the pair. This is one of the best reports received this season.

AUCTION, YESTERDAY.—The household effects of Mrs. F. P. Conroy were offered at auction yesterday by Mr. R. Beirato. A large number were in attendance, and bidding was fairly brisk. The office furnishings of the late Dr. Conroy were purchased by Dr. McGuigan, who will move into the vacated premises.

SERIOUS FIRE.—Shortly after noon on Sunday last fire was discovered in a barrack of hay on the premises of Mr. Ernest Penny, of Murray Harbor. The wind being fairly brisk the fire took rapid headway and soon the adjoining barn was in flames. To machine house was also destroyed together with several pieces of farm machinery. About four tons of hay were burnt besides a horse some wheat and oats. Mr. Penny's loss is a serious one there being only a small amount of insurance on the buildings. At one time it looked as though several other buildings would be destroyed as they were craved by the high wind to Mr. W. D. Irving's and set his barn on fire, as also was Mr. Stewart's, the neighbors gathered in haste and their timely assistance prevented the fire from reaching the dwelling house to be.

In order that the public might be fully informed as to the regulations governing the amount of flour and sugar that may be kept on hand in private homes, Mr. C. H. B. Longworth sent the following telegram to the Canada Food Board at Ottawa:
"Can grocer sell one barrel of flour or one person in town or village and what quantity sugar? Reply, Sgd., C. H. B. Longworth, Chairman."
The following reply was received yesterday:
"Grocer should not sell more of sugar or flour than person buying two miles from grocer would require for fifteen days. Person buying more could be violating orders of Board, Sgd., J. Parker, Solicitor."

The Food Board's regulation provides that persons living 2 to 5 miles from a grocer may keep on hand enough flour and sugar to last 30 days; from five to ten miles, a supply for 60 days; and from ten miles upward for 120 days. It is evident that the onus rests with the householder, not the grocer. A person might buy the minimum quantity from each of several grocers, but if the quantity found in his possession exceeds that allowed by the regulation, he is liable to a penalty.

Four months ago Mr. Charles Machon of Guernsey Cove, was stricken with paralysis on one side. His condition from the first was regarded as very unpromising. He gradually weakened, and as gradually the disease crept into full possession of his victim, and on May 14th, 1918 the soul of Mr. Machon left the tabernacle of clay. The deceased was born at Guernsey Cove, P. E. I., on August 10th, 1841 and in that community all his life was spent. He was a farmer, prospector and industrialist as the condition of his farm would abundantly indicate. He was twice married. His first wife was Miss Elizabeth McIntosh of Eldon, P. E. I. To this union were born three sons, Henry in Alta; Benj. and Herbert in Boston. In 1888 marriage was contracted with Miss Elizabeth Tweedy of Vernon River a sister of the late Mrs. D. P. Irving. One daughter survives from this union—Mrs. Hampden Hawkins of White Sands, P. E. I. Mrs. Machon also survives to mourn the loss of a husband kind and considerate. There is one brother, James in Texas and three sisters, Mrs. John Harris, White Sands; Mrs. Wm. Howe, Guernsey Cove and Mrs. Davy, in the Western States.

The funeral services were conducted by the pastor of the deceased, Rev. E. Waeks on May 17th and was attended by many of the friends and neighbors of the surrounding communities. Interment was made at Murray Harbor Cemetery.
