

SENT \$15,000 TO MINISTER

ELYRIA, Ohio, January 22.—Andrew Carnegie has placed \$15,000 in the hands of the Rev. W. E. Cadmus, pastor of the First Congregational church of this city to be distributed to the depositors who lost their money in the failed Citizens' National Bank of Oberlin as a result of the Chadwick loans.

YOU MAY HAVE KIDNEY TROUBLE

If your back aches and you suffer from dragging pains it is an evidence of diseased kidneys. Get Ferruzone at once and take it regularly. Ferruzone makes kidney sufferers feel better at once. "I was bothered a great deal with my kidneys," writes S. G. Denton of Everett "but got quick relief from Ferruzone. My trouble manifested itself by pain in the back, dull heavy feeling and constant headache. I quite recovered after using a few boxes of Ferruzone which has given me more strength and better health than I ever had before. I can recommend Ferruzone as a positive cure." Price 30c at all druggists.

Double Prescription Protection

The attention of two skilled pharmacists is focused on every prescription compounded in our prescription department. One does the compounding, the other checks off the ingredients in order to make sure that not the slightest error occurs. This double check system is in force for your protection. It costs you nothing extra. Our prices are never higher than in those stores where less labor and attention are given. Tell your doctor you want your medicine from this store. It's your privilege to go where you wish to.

J. C. Jamieson DRUGGIST, The Medical Hall.

FOOT UP

What you pay for Boots. Compare the cost of each pair with the cost of a similar pair here. Yes, the saving is about 25 per cent in the price alone. THE BOOTS which we are now offering at low prices are of remarkable value. They are made of excellent stock, will retain their shape until worn out—which will not be until they give a full return for the cost.

WE BRING THE MOULDINGS

from the best makers and show you what the popular framers are using. We'll insure that the picture is properly framed if you leave it with us. Some plain mouldings and some elaborate. Tell us which you like, and we'll make it up in a style that will suit you and the picture.

TEST THE KIDNEYS

Allow the urine to stand in a glass vessel for twenty-four hours and if at the end of that it is clouded or has left a sediment in the bottom of the vessel you may be sure that your kidneys are diseased. As a means of investigating the action of the kidneys and making them strong and healthy, there is no preparation so prompt and sure as Dr. Chase's Kidney Liver Pills.

ISLAND MEN IN MONTREAL

The Montreal Star has the following sketches of Island men now living in Montreal:

- W. P. HUNT, Manager Bank of Nova Scotia, Montreal. Bora in Prince Edward Island, Mr. Hunt entered the service of the Bank of Nova Scotia in 1881, and served for some years in the Halifax house, under Mr. Thomas Fyfe, the present general manager of the Merchants Bank of Montreal. After his promotion to a branch management, he was sent out to Kingston, Jamaica, West Indies, where for eight years he was in charge of the branch there. He was promoted two years ago to the management of the Montreal branch where he is at present.

J. A. NICHOLSON, M. A., Registrar, McGill University. Is a native of Eldon, P. E. I. His early education was received at the Belfast Grammar School, and at the Prince of Wales College, Charlottetown. He was Principal of the High Schools at Eldon and Souris East for three years, after which he entered McGill University in 1883 and graduated as Bachelor of Arts in 1887, with First Rank Honors in English Language and Literature. For the three years following his graduation he taught under the Montreal Protestant School Board, and received the appointment as superintendent of education in his native province in 1890. In 1892 he became principal of Westmount Academy, resigning after ten years' service to take the position of registrar of McGill University, which position he still holds. Mr. Nicholson received the degree of Master of Arts in 1893.

SHR. WILLIAM C. MACDONALD, M.T. MONTREAL. Born at Glenadale, Prince Edward Island, in 1831, he was the youngest son of the late Hon. Donald Macdonald, President of the Legislative Council of that Island. He received his education at the Central Academy, in Charlottetown, and by his great business ability has accumulated a very large fortune. He became a Governor of McGill and his benefactions to that institution have been extremely munificent. He is a director of the Bank of Montreal, and is a governor of the Montreal General Hospital. He was knighted in 1898; is still engaged in business as a manufacturer, and is a well known capitalist and philanthropist, having made princely gifts to the cause of education in Canada, both in Quebec and Ontario.

Brides

Are always "beautiful" and always "happy" and always "loving" to the society reporters, and in this case the report is mostly true. There may be unhappy brides in fiction, but there are few in real life. But how hard it is to look upon many of the wives of the rich, and believe that they were once beautiful and happy. Pain, the result of womanly disease, has marred beauty and undermined happiness.

\$500 REWARD FOR WOMEN WHO CANNOT BE CURED.

Backed up by over a third of a century of remarkable uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Prolapsus, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure. "I have thought for some time would write you and tell you of the great improvement in my health since taking your 'Favorite Prescription' and how I feel now. I was a physical wreck and had despaired of ever having any health again. Could not sit up all day, and was so weak I could not walk one quarter of a mile. I noted a great improvement in my health before the first bottle was used. Was suffering with inflammation of ovaries, painful and suppressed periods, and other symptoms of female disease. After taking six bottles of 'Favorite Prescription,' I felt like a new person. Can ride horseback and take all kinds of exercise and not feel tired." If you are looking for a perfect laxative try Dr. Pierce's Pleasant Pellets.

NOTICE.

The undersigned will receive tenders up to the third of February from persons willing to supply and store ice in the ice-house at Cherry Valley Creamery. Dimensions of building and space to be filled can be had from J. C. IRVING, President. W. I. YOUNG, Secretary.
