SCOUT NEWS.—"Day by day in every way," Scout News, the official organ of the Boy Scouts of Prince Edward Island, "is growing better and better. The current number is an excellent one and contains a number of new features which make it very attractive, not only for boys and girls, but for all who love really helpful reading. Several stories are given in the present number which are a marked improvement on the stories usually written for the young.

Scout News should be read in every home and parents who provide their children regularly with this bright little periodical will have the assurance that they are giving them something wholesome and cultivating taste for good clean literature, one of the greatest needs of today. It is pleasing to note that the merchants are helping the good work by giving it a fair share of their advertising patronage. Every home should have a copy of Scout News, every boy and girl should read it and every boy should be a Scout. It is a good time now to join the Boy Scouts as big things are promised in the way of parades, hikes and other entertainments during the summer.

Mr. Alphonse Cote Praises Dodd's Dyspepsia Tablets

Quebec man who suffered from indigestion and stomach trouble found relief in Dodd's Dyspepsia Tablets.

St. Flavien, P. Q., May 18.—(Special)—Relieved of the aches and pains of dyspepsia, Mr. Alphonse Cote, who resides here, is loud in his praises of Dodd's Dyspepsia Tablets.

"I can tell you frankly, that after taking your tablets, I found a change in my health at once," Mr. Cote states, "I have taken other remedies, but they did me no good." The result was wonderful. Eating is now a pleasure to me, and I hardly ever have any pains at all.

Dodd's Dyspepsia Tablets certainly add to the joy of living. They make eating a pleasure and insure against the after effects of meal or banquet.

Dodd's Dyspepsia Tablets have proved the most successful treatment for Dyspepsia and Indigestion yet discovered.

HOW TO SLEEP ON A BARE FLOOR

It is more a matter of SLEEP, than of bed or board.

Some people can sleep sitting up, standing up, even while walking.

Many people can't sleep in the softest of downy beds; and all of us suffer occasionally from nerve-racking, wearing, tiring wakefulness at night.

There is always a reason for sleeplessness. Usually, it is a "sour stomach," a liver that has "lain down" on the job, congested bowels, or biliousness.

Then, just before retiring, take Beecham's Pills. They soothe an uneasy stomach, encourage the organs of digestion and elimination to natural activity, and assure restful sleep no matter what!

"My Heart Would Palpitate, I Had Weak Spells" Mrs. L. Whiting, 202 King St. West, Brockville, Ont., writes: "I took very sick with my nerves and stomach, and seemed to be all run down. At times my heart would flutter and palpitate and I would take such weak spells in the pit of my stomach that I sometimes thought I would never get better. I had almost given up hope when a friend advised the use of Dr. Chase's Nerve Food. I did not stop until I had taken twenty-five boxes. It has done wonders for me and I want to recommend it to everyone."
