# Great Reduction Sale Of Elegant New Skirts

## 25 p c off

These are without doubt, the finest and most up to date skirts on the market today. Stylish in cut, faultless in finish and superior in quality—but through the manufacturers' mistake, a double quantity was sent us. We, of course, held the second lot here subject to their order, but the reply came back that if we could handle the quantity they would give us a big price concession as they kept no stock on hand, manufacturing only from order.

We accepted their offer, and now place not only the second shipment but the whole elegant lot on sale at a uniform reduction of 25 p c off until further notice.

The skirts are of cloth, lustre, venetian, panama, cashmere and voile; in black, navy, brown, myrtle and grey, are handsomely trimmed with satin bandings, buttons &c in the very newest designs.

See our window for samples, then come in and select your color and size, as from among such a splendid range you are sure of getting suited. There are skirts neat and stylish for every day wear, and skirts suitable for dressy occasions, at from \$4.50 to \$12.00-less 25 p c off.

We have other skirts ranging in price from \$2.95 to \$4.00 which are not included in this, but are nevertheless splendid values at their present prices. Come in and let us show you these beautiful garments.
