### A PICTURE OF DEATH.

He who hath bent him o'er the dead  
See the dreary and fearful lead  
The first dark day of nothingness,  
The last of danger and distress,  
Behold! Death's chilling fingers  
Have swept the lines where beauty long  
Lived;  
And marked the mild angelic air,  
The rapture of repose, that's there;  
The fixed yet tender traits that streak  
The lanes of the placid cheek,  
And, but for that sad shrouded eye,  
That fires not, wins not, weeps not now,  
And but for the chill, changeless brow,  
Where cold Obstruction's spout  
Appeals the gazing mourner's heart,  
As if to him it could impart  
The doom he dreads, yet dwells upon;  
Yes, but for these and these alone,  
Some moments, ay, one treacherous hour,  
He still might doubt the tyrant's power;  
So fair, so calm, so softly sealed,  
The first, last look by death revealed!  
Such is the aspect of this shore;  
The Greece, but living Greece no more!  
So coldly sweet, so deadly fair,  
We start, for soul is parting there.  
Here is the loveliness in death,  
That tarts not quite with parting breath;  
That hue which haunts it to the tomb,  
Expression's last receding ray,  
A ghidled hair hovering roundly dead,  
The farewell beam of feeling past away;  
Spark of that flame, perchance of heavenly  
Birth,  
Which gleams, but warms no more its  
cherished earth!  
—Lord Byron.

### FELT YOUNG AGAIN.

Wonderful Work Dodd's Kidney Pills did for Mr. G. J. Worden.

WICKHAM, N. B., Nov. 28.—(Special).—Mr. G. J. Worden, the old and respected Commissioner of Wickham Civil Courts, is one of the veteran Canadians who can say, "Dodd's Kidney Pills made me feel like a young man." Mr. Worden gives the following experience:  
"I was afflicted with Kidney Trouble for over twenty-five years. I suffered with pains in the back and loins, and it was with great difficulty I could urinate. Doctors failed to help me, and an operation brought me no permanent relief. "An advertisement led me to try Dodd's Kidney Pills, and I firmly believe by the grace of God they have done all for me that is claimed for them, for it seemed to me I was a new and young man made out of an old one."

## CATARRH DESTROYS THE KIDNEYS.

Mr. GEORGE KING, Deputy Sheriff of Rensselaer Co., N. Y., for years was a well known merchant of Troy, N. Y., in a letter from No. 45 King St., Troy, N. Y., he writes:  
"Persons cured me from what the doctors were afraid would turn into Bright's Disease, after I had suffered with catarrh of the bladder and kidney trouble.  
"Peruna is a blessing to a sick man. Eight bottles made me a well man and were worth more to me than a thousand dollars to me. I cannot speak too highly of it. It is now four years since I was troubled, and I have enjoyed perfect health since."—George King.  
"I contracted a severe cold several years ago, which from neglect developed into urinary trouble, and threatened Bright's disease. I used Peruna faithfully for three and one-half months, when my health was perfect once more. I have never had any trouble since."  
Catarrhal inflammation of the mucous lining of the kidneys, also called "Bright's disease," may be either acute or chronic. The acute form produces symptoms of such prominence that the serious nature of the disease is at once suspected, but the chronic variety may come on so gradually and insidiously that its presence is not suspected until after it has fastened itself thoroughly upon its victim.  
At the appearance of the first symptoms Peruna should be taken. This remedy strikes at once at the very root of the disease.
