DOWN THE BACK STRETCH

E. E. Kelley, editor in chief of the Halifax Herald, was a very welcome visitor here for a week, returning Wednesday morning. Mr. Kelley started his newspaper career as a sports writer, an interest which he maintains and which includes harness racing. He thinks our Province is about the horsiest place he has ever been in and that it is also one of the loveliest and most hospitable. The night races last Friday evening captured his fancy and the management of the Exhibition were greatly praised for their plant and the meticulous way in which everything was conducted. He was accompanied by Mrs. Kelley and she too was delighted with everything, including the beaches and the Charlottetown Hotel.

✤ ✤ ✤ ✤

Leo Praught has called our attention to the fact that Nancy Budlong, formerly owned by him, recently lowered her record to 2.11¾ at Osswekn, Ont. and that was also a new record for the track. Nancy has proved a good money winning proposition for owner H. Farrington.

✤ ✤ ✤ ✤

Joe O'Brien is proving a great drawing card at the Bay State Raceway, Foxboro, Mass., where a thirty nights harness racing program is in full swing. The million dollar plant looks like a money maker and not least among the large crowds of spectators are those from our own Province who loyally support driver O'Brien. We mentioned that Joe's stable did very well at Topsfield. All his horses raced there except Tip Abbe and all finished in the money, winning over $1,000. The track was heavy.

✤ ✤ ✤ ✤

At Foxboro the starting gate used is similar to that at Roosevelt Raceway and is quite successful. The management are quite strict with it and three drivers have been suspended for beating it. Foxboro track is also a bit slow as the soil is new and it will take quite a bit of racing to pound it into shape. So far we note that Joe is having considerable success. In the condition trot at three-quarters of a mile, he won with Baron. It was a photo finish and was so close that a lot of people were sure the other horse won but Baron did have a nose to the good. Among those taking part is a lady driver who was second in one of the races. We note where Baron was second in the second heat in one of the dashes, so close that the other horse got the photo finish. My Partner also won two dashes, Mac Fingo one and Lee's Nightmare two.

✤ ✤ ✤ ✤

Some of the above information was obtained from a very prominent citizen who was present at the races and returned a few evenings ago. Another, an ex-Islander, Duncan Kennedy, 87 Goddard St., Quincy, Mass., sends clippings and an interesting letter. I remember sitting behind Mr. Kennedy and Bert Drake and watching the races Old Home Week. The former is a native of Montague and uses his vacations each year for Old Home Week. We are glad also to have him as a constant reader of this column. Lack of Boston papers in this vicinity prevent us from being up to date with all the happenings of the O'Brien stable and now the Dannie Steel stable which is racing at Foxboro.

✤ ✤ ✤ ✤

Goodwill Race Meet, second only to Old Home Week in the interest which it engenders among sport fans, was completed on Thursday evening, a night race program of four events being necessary to give the 93 horses who answered starter Dr. F. C. Dougan's call an opportunity to compete. The racing was fully up to the best seen in years and many upsets featured the two afternoons and evening. On Wednesday the Classified Trot was won by Marjorie Hanover (Burbine) owned by F. C. Coates, Amherst, with Nell Kalmuck (W. Kelly) 3-3-2; Mack Stout (W. Vickers) 4-2-5; two other starters; best time 2.12 4-5—a new record for Marjorie.

✤ ✤ ✤ ✤

Thursday's Races—The Classified Pace was won by Jerry Lee Volo, owned by A. A. Jabblee, Sydney, and driven by Mike Jabblee, 2-1-1; Vella La Vella (Sweeney) 1-2-3; Sandy D. (J. Conroy) 5-4-2; three other starters; best time 2.11 3-5. The Free For All was won by Harry Direct, owned and driven by J. D. Mehan, 1-3-3; Chuck Worthy (G. Lewis) 4-1-4; Wilkin (Weir) 3-2-2; three other starters; best time 2.09 3-5 by Harry Direct. The Three Year Old Futurity was won by Billy McVey (Craig) owned by Dr. Temple Hooper, Charlottetown and driven by W. Craig, with 1-1-dr.; Ola Budlong (Lowry) 2-2-1; O.K. ✤ ✤ ✤ ✤

The 2.25 Pace Classified was won by Mary Merk, owned by St. Croix Stables, Calais, Maine, and driven by E. Semple, with 5-1-1; Milton Budlong (Mehan) 1-2-5; Buddy Budlong (W. Stead) 2-3-2; four other starters; best time 2.12 4-5—a new record for Mary Merk. The 2.27 Trot Classified was won by Bonnie Dale, owned by Chester Birt and driven by W. Kelly, with 1-2-2; Lucky Pal (L. O'Brien) 2-1-2; Miss Brewer (T. Semple) 3-3-4; five other starters; best time 2.18 1-5 by Lucky Pal.

✤ ✤ ✤ ✤

Goodwill races Thursday evening drew an estimated crowd of 5,000. It was a perfect evening and everyone enjoyed themselves to the fullest. The first division of the 2.27 Pace was won by Quick Lick, owned by Harry O'Brien, Alberton, and driven by L. O'Brien, with 1-1-3; Nellie Worthy (Buell) 2-3-1; Dale B. (C. O'Brien) 5-2-2; best time 2.15, by Quick Lick. The second division of the 2.18-2.20 Pace was won by Free Trade, owned and driven by C. R. MacLeod, Westville, N. S., with 4-1-1; Pearl Bumpas (Lewis) 1-2-2; Bright Spot (Jay) 2-5-4; Josedale Clipper (Conroy) 3-3-3; two other starters; best time 2.12 4-5 by Free Trade. The second division of the 2.27 Pace was won by Louise Fingo, owned and driven by S. Horseman, Moncton. Shy Ann 2nd (Phillips) 2-2-2; Quaker's Duds (Turner) 3-3-4; three other starters; best time 2.15 4-5. The third division of the 2.27 Pace was won by Donald G., owned by Urban Gillis, Miscouche, and driven by D. McNeill; Happy Vale (L. Kelly) 2-2-4; Miss Marjorie Hal (Found) 6-3-2; three other starters; best time 2.18 2-5—a new record for Donald G. He is a son of the noted race mare Helen D. 2.11¼.

✤ ✤ ✤ ✤

Several horses changed hands during the meeting, Quick Lick 2.15 being purchased by Wellington McNeill from Harry O'Brien, and Pearl Bumpas 2.10¼ is reported sold to Dr. George Bishop by P. J. Cadegan, Glace Bay. Miss Marjorie Hal has been sold by H. A. Found, Moncton, to Ross Marshall, New Glasgow, N.S.

✤ ✤ ✤ ✤

A pleasing feature on Thursday evening was the presentation of $35.00 made by D. K. MacLeod on behalf of the Victoria Driving Club, to the driver of the horse pacing the fastest mile during the meet—Angie Allen, driver of Gay Law, 2.09 in the second heat of the Junior Free For All on Wednesday, and of a like amount to Tyndall Semple, for the fastest heat trotted during the meeting—Marion L.—2.12 2-5. Starter Dougan mentioned that Tyndall is now the driver with the longest record of racing over the Charlottetown track. We might add that it is a record that he can be proud of, a sentiment which will be echoed by all the other drivers with whom he has competed over the past forty or more years. The caretakers of the above horses also received $15.00 each.

✤ ✤ ✤ ✤

Horse race meets were also held this week at North Sydney, where Mary A. Reamore won for driver Doug Ratchford, and he was also up behind Margaret Rose when she won two heats in the 2.19 class and lowered her record to 2.12 3-5. Margaret is owned by Jake Vickers and Joe McDonald of Sydney Mines. Bonnie Spruce, formerly owned by John McLean, Souris, but now owned by Roy Oland of Sydney and driven by Luke Rogers, was a straight heat winner in a classified pace, the second division of which was won by Bumper Joe, driven by Pius Hickey. The third heat was won by the former Island pacer Doctor Budlong.

✤ ✤ ✤ ✤

Fredericton, which has always been considered the fastest track in Canada and up until recently held the Canadian pacing record of 2.02½, opened up again after being closed since 1939. Fredericton was always the spot where Maine and the Maritimes met in battle array, and we note the same is true during the present meeting. The Junior Free For All was won by Dale H. with 4-2-1-1; Gilt Hanover 2-1-2-2; Four Freedoms 1-4-3-3; best time 2.08 4-5. The Classified Pace was won by the St. Stephen owned Delilah B. in three straight; Veri Dash 2-2-3; two other starters; best time 2.12. Delilah B. if she keeps up her winning streak will be close to the top as the Maritimes' greatest race winner of 1947. The 2.26 mixed class was won by Frank Dillard with 1-1-1; Peggy Lee 4-2-2; Professor Clegg 2-5-3; two other starters; best time 2.11 4-5.

✤ ✤ ✤ ✤

At the second day's racing at Fredericton the Free For All was won by the Fort Fairfield pacing star, Stepping, in three straight. Dale H., that had raced in the Junior Free For All the day be-

Abegweits and Summerside All Stars renew their Island intermediate playdowns tomorrow afternoon and with the two clubs deadlocked at a victory apiece they will make an all-out effort in a game that may prove to be the turning point of the series.

• • • •

Still flushed with their victory at Summerside, Abegweits last night were confident of turning the tables on their old rivals but at the same time realizing full well they will have a mighty struggle on their hands to defeat the smart Summerside crew of ball tossers.

✤ ✤ ✤ ✤

Summerside players or management were saying little. Disappointed on the outcome of the second game, a game that they looked to have within their grasp and a victory that would have given them an overwhelming edge on the series, they are prepared to make amends in tomorrow's encounter and feel that if they can come through the series will be as good as won.

✤ ✤ ✤ ✤

But however the game goes fans should witness one of the best diamond struggles of the year. Hurlers will be bearing down, on every pitch in the crucial encounter and it is very likely that the game will develop into a hurling duel as both clubs are well fortified with top-flight experienced moundsmen who can be depended upon when the "chips are down."

✤ ✤ ✤ ✤

Up in Summerside today Charlie Hogan's junior Kinsmen will make their opening bid for Maritime honors when they tackle the St. John-CYO squad in the opening game for the N. B.-P. E. I. title.

• • • •

Island champions in their own right the Summerside youngsters by their steady performances all season long have gained a lot of backers who are ready to lay it on the line that the Island titleholders will win today's game.

• • • •

No doubt about it they have the ability to put up a stiff struggle. They were impressive in their victories over the local Kinsmen and if they can show the same type of clutch hitting plus their steady defensive play the New Brunswick champions will be in for a very, very tough baseball assignment in taking their measure.

• • •

No matter what happens to the Pirates in the National League standings this season—and nothing very good appears on the horizon for the Bucs in that department—Pittsburgh fans at least will have a hero to idolize in the person of Ralph Kiner, who yesterday went in front of Johnny Mize for homerun honors, hitting his 47th and 48th.

• • •

Kiner's performance this season is no surprise to baseball followers in Albany, N. Y. Six years ago a youngster from the Pacific Coast reported to the Albany Eastern League club at its training base at Barnwell, S. C. He came to the Senators without any previous experience in oganized ball, having been a find of Hollis Thurston, former major league pitcher now a Pittsburgh scout. Albany then, as now, was a Pirate farm club.

• • •

The youngster, Kiner, last season became the homerun champion of the National League, with

Manolete, Spain's most popular bullfighter, survived many such close calls as this in his career. But one bull's horn finally stabbed him deeply. He died after receiving four blood transfusions.

Island Ball Playdowns Resume Here Tomorrow

Third game of the best of five series for the Intermediate baseball title is scheduled for the Park diamond tomorrow afternoon at 2.30 and the largest crowd of the season is expected to be on hand for the Abegweit - Summerside All-Stars clash.

Deadlocked with a victory apiece in the first two games tomorrow's game may prove the turning point of the series and word last night was that both clubs would send their ace flingers to the mound in an effort to turn in a victory.

Starting pitchers were not named at the time of writing.

Mize side-lined most of August and all of September with injuries, and the second player to win the homerun title in his freshman year. The first was Wally Berger of the Braves, back in 1930.

• • •

The day Kiner reported to the Albany club fans were told he was a potential homerun hitter. George (Specs) Toporcer, now farm director of the Boston Red Sox, was manager of the Senators when Kiner joined them.

• • •

He was only 18 years old and unimpressive in his first workout, but on his first trip to the plate in batting practice he drove a ball some 400 feet into left field. This was followed by other long drives. Whereupon Toporcer turned to a friend and said:

• • •

"There's a boy who's going places. He has what it takes to become a big leaguer. He has flying feet, good power and a strong arm, but most of all he has the valuable spirit of hustle and aggressiveness. It should't take him long to make the big time."

Tigers Take Yankees 7-2

New York Yankees, heirs apparently to the 1947 American League pennant, lost 7-2 yesterday to Detroit Tigers, who moved into second place as Cleveland trounced the Red Sox.

It was the eighth loss for the Yankees in 13 starts this month but despite that record any combination of three New York victories or Detroit defeats will clinch the pennant for the erstwhile Bronx Bombers.

Big Art Houtteman, a 20-year-old right-hander rookie, dished out only six singles and the Yankees combined three of them for their only counters in the seventh frame.

Cleveland dumped Boston by teeing off against Denny Galehouse and Tommy Fine for 17 hits and an 11-6 victory.

The win moved the Indians a game behind Boston, with Detroit moving up to second.

Every one of the Cleveland starters hit safely, Joe Gordon leading the attack with a triple, double and a single.

Two Spills As Reading Racing Program Ends

READING, Pa., Sept. 12—(AP)—Two spills marked the closing of the Grand Circuit races at the Reading Fair Grounds today.

In the classified pace, Ken Turlington's entry, Shamrock Joe, slipped on the upper turn in the first heat. Turlington of Melfa, Va., was unhurt and returned to the race to place second in the third heat.

In the final 2:14 pace, Katrina Volo, a bay mare driven by Aletha Nicholson, of Lock Haven, rolled in the hopples and tossed Miss Nicholson. The driver held onto the mare despite th espill, and was able to stop her. She was unhurt, but was unable to continue in the races because of a brokeh sulky.

The bay gelding, Mont, driven by Bob Walker, of the Happy Vale Stock Farms, Suffolk, Va., won the 2:24 trot in straight heats.

William E. Miller of Washington, D.C., driving the bay horse, Henry Volo, won the Abraham Lincoln stake for 2:14 pacers.

Mr. Erskine K. MacNutt, Charlottetown, was elected President of the P.E.I. Fish and Game Protection Association at the annual meeting held in Charlottetown on September 8th. The retiring president, Mr. Harry W. Tidmarsh had held office for 10 years and during his regime important changes were made in the Provincial Game Act among them the institution of a resident hunting and angling license.

• • •

The meeting was largely attended and the number of the regular members present was augmented by a delegation from the Rabbit Hunters Union. They voiced disapproval of the changes in the rabbit season that shortened the hunting of the bob-tailed bunnies from 3 1-2 months (November 1st to February 15th) to 2 months (December and January). The snaring of rabbits is permitted in November but is prohibited during the hunting season.

• • •

One of the delegates slipped his leash during the course of the meeting and made things rather lively until he was finally cornered. Anyway it was fun listening to: "The 'ounds chase the 'ares".

• • •

The meeting explained that the curtailing of the rabbit season was done with the purpose of cutting down on the illegal kill of our valuable upland game birds.....particularly our native partridge (Ruffed grouse). Game observers have contended for years that for every native partridge shot in the open season from October 15th to 31st there were two poached in November.

• • •

Its pretty hard to fool our farmers. Most of them, particularly those who are interested in wildlife, have a pretty fair idea of how many partridge are left in their woodlots after the season closes on October 31st. After that date their woods are invaded by an army of hunters seeking rabbits or pretending to seek them and from then on many of them report that the partridge population in their woodlots dwindles rapidly until toward spring there is barely enough birds left for seed, and in some specific instances the last bird disappears.

• • •

All rabbit hunters are not poachers for many good sports are to be found in their ranks, but a considerable number of them have long been suspected of taking a crack at whatever moves when they are in the woods. There is no doubt in this scribe's mind that out of season shooting is the real reason our native partridge are not increasing as they should. As one interested farmer said to me not long ago: "If we could cut down on the winter shooting of partridge it wouldn't be long till every woodlot would hold a covey".

• • •

A suggested amendment to the Game Act regarding trout came up for considerable discussion. It was advocated that one means of combatting netting, most of which is alleged to take place during the night, is to prohibit night fishng and make it illegal to angle for trout in the waters of this Province between the hours of 10 p.m. and 6 a.m. Thus anyone found on a trout stream between those hours would be liable to prosecution whe-

Kiner Takes Over Homer Leadership From Mize

By The Canadian Press

Chicago Cubs swept a National League doubleheader from Philadelphia Phillies yesterday, using six extra-base hits to win the opener 4-3 and capitalizing on five Philadelphia errors to take the second 7-5.

At Pittsburgh, Ralph Kiner, husky Pittsburgh Pirate outfielder, carried his team to a 4-3 victory over Boston Braves last night by lashing out two home runs—his 48th and 49th of the season. In addition to taking over the Major League home run leadership from John Mize of New York Giants, he set a major league record of eight home runs in four consecutive games.

The old mark of seven had been in the record books since 1936 when the late Tony Lazzeri of New York Yankees lashed out seven round-trippers in four consecutive contests.

Kiner tied that mark with his first fence-clearing knock last night, and also passed Johnny Mize of the idle New York Giants in their race for the home run major-league leadership. The first homer came in the fifth inning and sent the Pirates into a 3-2 lead.

Then, in the eighth, Kiner came through with his second round tripper, the blow that ultimately beat the Braves and gave Charley Barrett his 12th defeat of the season.

12 Teams In Action Today

(By The Canadian Press)

The Frankie Filchock case had football fans in such a dither today that it dwarfed the usual advance attention to the six-game program which brings 12 teams into action in the second week of the 1947 season.

The case of the star quarterback, under a professional football suspension in the United States for failure to report a bribe offer, reaches the showdown stage in Hamilton this afternoon where the leading Ottawa Rough Riders play the hometown Tigers, making their first start of the season in the Interprovincial Rugby Football Union.

It even tended to put into the background the season's first home stand of the Dominion championship Argonauts, playing in Montreal, and the other four contests—Toronto Indians at Ottawa Trojans, Toronto Balmy Beach at Windsor Rockets and Hamilton Wildcats at Sarnia Imperials in the Ontario Rugby Football Union and Saskatchewan Roughriders from Regina at Calgary in the Western Interprovincial Union.

Whether Ottawa Rough Riders will actually play today's game remained a question mark last night. Indications were the club was undecided whether to refuse to play or to play under protest if the Tigers use Filchock.

The Tigers said flatly he would take the field, indicating they hoped this would bring a big four meeting to settle the issue. Thursday night big four secretary Wes Brown of Ottawa announced that a telegraphic vote of the union ruled him ineligible but the Tigers claim this was unconstitutional. The Canadian Rugby Union has refused to register his playing certificate.

Toronto Leafs Start Training Next Week

(By The Canadian Press)

TORONTO, Sept. 12—Thirty-two hockey hopefuls get in their preliminary licks in St. Catherines next week in their try for National Hockey League fame and fortune.

Toronto Maple Leafs, Stanley Cup winners last season, announced today that 34 players will attend the one-week school which precedes the opening of the regular training camp, but two of them are veterans who seem almost certain to take places on the 1947-48 squad.

The veterans are goalie Walter (Turk) Broda who may need a little preliminary work to cut down on poundage, and defenceman Bob Goldham, the hard-thumping player who was idle most of last season because of an arm injury.

The Leafs have invited five goalies, 10 defencemen and 19 forwards to the school. Top performers will get a chance to try out with the Leafs. Some will be assigned to the Pittsburgh Hornets of the American Hockey League, the Leafs farm team.

The list of candidates contains a host of promising hockey ivory. One notable candidate is Johnny McCormack of Edmonton who ranked as one of the best centres in junior hockey a couple of seasons ago. He retired last season to study for the priesthood but now has decided to return to the hockey wars.

Featured Race Is Cancelled

(By The Associated Press)

SARATOGA SPRINGS, N. Y., Sept. 12—The $1,600 Walden Stakes, scheduled feature race at Saratoga Raceway tonight, was cancelled when eight drivers, including two Canadians, refused to participate.

Raceway officials did not announce the reason for the action, but it was reported that the drivers objected to track conditions.

Among the drivers were Raoul Bisson, Montreal and Paul Larente of Canada (home town unavailable).

Slaughter's Double Gives Cards 8-7 Win

ST. LOUIS, Sept. 12—(AP)—Enos Slaughter's two-run double to the wall in left centre in the ninth inning climaxed a dog-eat-dog ball game tonight with an 8-7 St. Louis decision over Brooklyn that cut the Dodgers' National League lead to 4 1-2 games and kept alive the Red Birds' flag hopes.

Outhit 12-6 by the front-running Brooks the defending champions squared the important series by storming back with two runs in the last of the ninth after the Dodgers had gone ahead on a four-run spurt in their half of the inning.

Ralph Branca, who picked up his 20th win last night, was on the hill when Slaughter slammed a line drive to the left of leftfielder Pete Reiser who made a futile jumping stab at the ball as it sailed out of reach.

Hank Behrman, the fifth Brook pitcher, had opened the inning by walking Erv Dusak and Nippy Jones had bunted him to second base. Stan Musial, responsible for three runs with a seventh-inning triple, had a life when Eddie Stanky fumbled his slow hopper, trying to hurry the play. Manager Burt Shotton then called in Branca to pitch to Slaughter.

Argos Now Not So Keen On No Import Rule

(By Wilf Gruson, Canadian Press Staff Writer)

TORONTO, Sept. 12—(CP)—The all-Canadian label attached to Toronto Argonauts as they marched to two straight Dominion football titles appears in the process of removal.

Understandably the Argos, especially their executive, took great pride in winning the Gray Cup the last two seasons without an American import in their lineup.

"We did it again, we did it again, and without any Americans," Dr. Kinsella shouted to newspapermen in the Argos dressing room just after the scullers whipped Winnipeg Blue Bombers in the Gray Cup final at Toronto's Varsity Stadium last November.

"It was done by an all-Canadian team with a Canadian as coach," Dr. Kinsella kept saying.

At the start of this season the Argos were again bent on fielding a team of only Canadian players. That formula produced a winner twice before and the Argo executive, riding high on the club's past success without any high-priced imports, had little doubt they could again hold their own against any competition.

However, that was before Argos took a 23-6 licking from Ottawa Rough Riders and there's not much doubt now, even taking into consideration they're slow starters, that the scullers' executive are not so keen on the no-import rule.

It already has been reported that Coach Teddy Morris intends to use Bates Ford, husky American Negro lineman, in today's game against Montreal Alouettes.

White Sox Win Game In Tenth

PHILADELPHIA, Sept. 12—Catcher Mike Guerra's wild throw hit pinch hitter Ralph Hodgin in the back tonight and allowed Luke Appling to score from third with a tenth inning run that broke a 4-4 tie and gave Chicago White Sox a 5-4, American League triumph over Philadelphia Athletics before 11,612.
