A CHESS REVERIE.

When one has an influenza cold, and thoughts and fancies seem muddled in one's head. When relations, and Church members are looking for trouble, and one's winter's coal is in the bin, not paid for, when troubles, real and imaginary, gather in clouds over his head and that tired feeling comes over him at close of day. When this frightful war looms up in every paper telling us daily of bloodshed and devastation and when the air (now somewhat cleared) is full of graft rumors, of the Liberal party and atrocious doings of the Conservatives, is it not a blessed privilege to sit down (under these circumstances) beside a kindred spirit, and wile away an hour or so, in the Royal Game of Chess? When the leaves begin to turn, displaying their beautiful tints, carpeting the green lawns and fields, when the butternut is ripe, and the honk of the wild goose is heard above one's head, when Thanksgiving Day and all it ought to mean draws nigh to us, when "Hallowe'en" comes on apace, with its apple dips, its mirth of boys and girls, and scooped-out candle-lighted pumpkin.

When the blue sky's overhead, and the white fleecy curtains of the northern lights flit to and fro among the brightest stars of the firmament. When Jack Frost is in the air and silent snowflakes do appear, when the evenings become longer, and friends gather round the open fireside. Amid such scenes as these chess lovers think of chess.

OLSEN, DARING AERONAUT, MEETS FATE OF CALLING.

ST JOHN, Oct. 8.—Elmer Olsen, the daring young aeronaut, who made the thrilling parachute descent from a balloon at the Fredericton Exhibition a few weeks ago, was killed on Wednesday at a fair in Brockton (Mass.). He was a mile and a half in the air when he let go with his seven parachutes. For some reason the intricacies of the device refused to respond and he had a sheer drop of eight hundred feet, meeting instant death. The throngs on the fair ground were aghast as they witnessed the tragedy in mid-air.

High Grade Heating Stoves

We may be wrong, but we think our long experience in our business has given us a splendid training in buying good stoves. Stoves are not a side line d tra us—we know them, test them, and try them from legs to flue collar. And we you tell right now that these are some of the best heating stoves you can buy for the money.

The PERFECTION Oil Heater

Here is a handy oil heater that can be carried from room to room, gives strong intense heat quickly, and is just the thing for heating the kitchen in the morning or the bed room at night. Has all new ideas— heat proof handle, oil gauge, new style wick.

Base Buring Hall Stoves

The Silver Moon is a splendid heating stove— a base burner without a rival as a hall heater. You know this stove about as well as anyone, for it is in almost every home. Shown here in the different sizes, and each one a real necessity and a decided economy at our price.

The Central Guardian

IT PAYS to buy in this province.

S. S. CASCAPEDIA—The Cascapedia left yeterday afternoon with a general cargo for Quebec.

ATTENTION is drawn to the wonderful linen bargains which Paton & Co. are offering to-day. Their ad appears elsewhere in this issue. 3371.

A BUSY PLACE.—Everything is booming at the Union Commercial College. Principal Moran informs that the Shorthand Department is rapidly filling up—Gregg Shorthand and Touch Typewriting are the big attractions. 3373.

DISCHARGING COAL.— The schooner Starlight, Captain Ferguson, Pictou is discharging a cargo of coal at Haydens wharf, East River, for the Tracadie Cross farmers institute. This is the second cargo that Captain Ferguson brought over this season.—S.

PAINFUL ACCIDENT.— Mr. John Gorman, Mt. Stewart, met with a very painful accident a few days ago having being kicked by a horse which he was engaged in shoeing. The cut, which was on the face, was a nasty one taking a large number of stitches to close it up and although very painful at first is now, his friends are glad to learn well on the way to recovery.—S.

YOUNG WOMAN—You can't go to the front to fight—but you have a duty to perform—urge your young male friends to enlist and do their duty. If every man and woman will but do their duty—all will end in victory. Young man enlist today. If you are physically fit your place is probably at the front.

POTATO REGULATION REPEALED.—Hon. Murdoch McKinnon, Commissioner of Agriculture, received a telegram yesterday from Hon. Martin Burrell, Minister of Agriculture at Ottawa, informing him that an order-in-council has been passed repealing the potato regulations heretofore in force. The order-in-council means that potatoes may now be shipped from one province to another without inspection.

AN ACCIDENT.— Mr. Michael Wier Scotchfort, met with a slight accident a few days ago which although not serious was rather painful for a time. While he was driving up from Haydens wharf with a horse and truck waggon the horse, a young spirited animal, suddenly shied throwing Mr. Weir out and causing both wheels of the waggon to pass over him. Although his injuries were painful for a time yet he luckily escaped with having no bones broken. —S.

OYSTER FISHING.— The little fishing hamlet at Haydens wharf which is the home for the oyster fishing season of the majority of the fishermen of East River presents a busy appearance these days with the opening of the fishing season on October the 1st. Quite a number of fishermen flack there to make their temporary home for the next few months. They reprt the oysters not so plentiful as they have been in past seasons. The ruling price per barrel paid for those which have been sold to date is in the vicinity of $4.00.—S.

THE TOMMIES TOBACCO.— The stock of smokers' supplies for the Tommies is rapidly piling up in Colonel M. Davidson's window on Richmond Street. All the favourite brands of tobacco in packages and in plug as well as cigarettes and a few pipes are represented. It is to be hoped that this final appeal for the boys will meet with the support it deserves. Never before has tobacco's virtues as a factor in times of war been exploited as during these last few months. The anti-nicotine crank has become dumb in the face of a universal need. Through the dreary damp, nerve-racking hours in the trenches a packet of fags or a pipe is more treasured than anything else. All the big cities of Canada have their permanent tobacco funds, and the grateful letters received from the Tommies at the front show how much these home supplies are appreciated and enjoyed.

::**IT IS SURPRISING** why many people continue to buy shoddy shoes merely because the first cost is smaller. CROSBY'S "YOUNG CANADA" School Shoes are made with solid counters, whole cut vamps and sole leather that really stands up against the hardest kicking of the average school youngster. You buy one pair of CROSBY'S "YOUNG CANADA" instead of two or three pairs of the other kind and the difference in the original cost merely a trifle. Test it for yourself and note the saving.

NEW TYPEWRITERS.— Another shipment of the new machines reached the Union Commercial College this week—Nothing but the very latest models used. 3373.

Y. M. C. A. THANKSGIVING CLOSING.—Monday being Thanksgiving Day and a general holiday, the Y. M. C. A. will only be open from 8 to 11 a.m. and from 7.30 to 10 p.m.

COAL ARRIVED.—The S. S. Beatrice arrived this morning from Sydney, C B, with a cargo of Reserve Run of Mine coal for Buntain, Bell & Co. 3376-10-9m11.

FUNERAL NOTICE. —Sons of England, members of Lodges Eton and Prince Edward, are requested to meet in S. O. E. Hall, on Sunday, 10th inst., at 2.45 o'clock, for the purpose of attending the funeral of their late Brother, George Mugford.

S.S. HALIFAX.—The following were passengers on the S.S. Halifax, which arrived in this port yesterday:—Miss B. Martin, E. E. Dowling, Mrs A. W. Roper, K. Binns, Mrs W. J. Mullen, Mrs L. Hartling, Mrs G. LaPierre, W. F. Walton, Miss I. McKenna.

PATRIOTIC HORSE RACES.—Help the Regimental Fund for the Siege Battery by attending the horse races Monday afternoon. There will be three big races, and Charlottetown's best horses will compete. Admission 25c. only.

CITY BATTERIES.—All members of Nos. 3 and 4 Batteries having uniforms, with the Band, will parade at the Drill Hall on Sunday afternoon at 2 p.m. to attend the funeral of their late comrade, Sergt. George Mugford. By order.

MILITARY FUNERAL.—The funeral of the late Q.M.-Sergt. George Mugford will take place Sunday from his late residence at 3.30 p.m. The firing party will be drawn from the members of the City Batteries. The Heavy Siege Battery and Infantry Re-Enforcements will parade as mourners.

CENTRAL CHRISTIAN CHURCH—Eleven a.m., Public Worship. Subject of sermon: "Come and See." Bible School at 2.30 p.m. Public Worship at 7 p.m., Subject of sermon: "The God of the Hills." The pastor, Rev. R. W. Bennett, will preach at both services. There will be special singing. All seats are free and strangers will find a homelike welcome.

CHARLOTTETOWN BOYS. —During the last few days quite a number of the city boys have enlisted for overseas service—well done boys—old Charlottetown takes off her hat to you today. Now that the city boys are coming in faster it is to be hoped that the pace will be kept up. There are still nearly 200 young men wanted in the Island Infantry Company. So come along boys,

MORE RECRUITS.—In conversation last night with Mr Dennis, chief clerk of the Victoria Hotel, he informed the Guardian reporter that seven of the staff now employed have enlisted for overseas service. Considering the number who have previously gone to the front and the number now enlisted, the Victoria Hotel has donated more recruits from one establishment than any other place of business on the Iland.

THANKSGIVING DAY HORSE RACES.—The C.D.C. have arranged for, and will put on three of the best horse races held this season Monday afternoon in aid of the Regimental Fund of the Siege Battery. All the leading trotters and pacers will take part in them. The band will be present and the soldier boys, and altogether a most enjoyable afternoon will be spent. The entries will be published Monday morning.

GOOD POTATOES.—From the seed of four potatoes planted in a small garden patch, Mr Alfred Thorne of this city got in return thirty-six pounds of what are probably the largest and smoothest potatoes seen around here. This is considered an extraordinary large crop, and goes to show what can be accomplished on a small piece of rich land. On the same lot grew several very tall sunflowers, the tallest of which was ten feet four inches.

SCHOOL BOYS' GYMNASIUM CLASS.—The school boys' gymnasium class at the Y. M. C. A. opened last Thursday afternoon with a fairly good attendance, but there are a great many boys yet who should be starting in now. It is planned to form several clubs among the boys which will place basketball teams, in two leagues, to be formed shortly. Boys wishing to become members of these basketball teams should begin at the gymnasium class now.

FOOTBALL—On Thanksgiving Day a game of football in aid of the Patriotic Fund will be played between St. Dunstan's College and the Connaughts of this city on the Abegweit Grounds. The admission will be twenty cents. As the entire proceeds will go to this worthy cause, it is hoped that our citizens wll turn out strong and fill the grandstand. The game in itself will be well worth the money, and besides a good afternoon's sport, some aid will be given the Patriotic Society. The game will start at 2.30 sharp. 3375.

POULTRY FARM.—Indications are such that a poultry farm properly managed would be a good paying thing on P.E. Island. Eggs and dressed poultry are bringing very high prices nowadays and an ordinary hen laying but a hundred eggs per year will pay a good profit, but the present great laying strains of poultry, which average well over one hundred and seventy-five eggs per year, is a really good paying proposition. An editorial in the Guardian this week shows what an increase there has been in the price and consumption of eggs and poultry, and what a large increase of imports over exports of poultry and eggs there has been in Canada the past few years. Surely there is material and capital enough on P.E. Island to get a good big poultry farm started. A beginner, so to speak, which no doubt would be closely followed by many more. "Raising poultry and producing eggs is not in the least speculative, but on the other hand, if properly managed, a good paying investment.

PATRIOTIC BRIDGE AND WHIST. —It is hoped everybody will understand that it is not necessary to wear evening dress at the Patriotic Bridge and Whist on October 18th, but it is necessary for everybody to buy a ticket to show the Island soldiers of No. 2 Heavy Siege Battery that the sacrifice they are making is appreciated, for the sake of the Empire, for the protection of families and homes and to save their fair Island from the awful fate of Belgium. Please do not refuse to buy, even if you cannot participate in the pleasant evening. Tickets only 50 cents.

::Single First Class Rates will be granted on all trains from Charlottetown and all intermediate stations to Tignish, in connection with the Western Prince Exhibition to be held at Alberton on Wednesday, October 13th. Good Going October 12th and return up to and including Thursday, October 14th. 3367-10-9M31.

PEOPLE'S THEATRE

Full houses turned out last night to see the varied film features provided at this popular house. A Biograph special "Colomba," in two parts depicted a tragic drama of love and the deadly vendetta in Corsica. The characters and costumes of the Mediterranean isle were portrayed with vivid realism. Colomba, the heroine, and her brother Orso, whose father has been murdered by the sons of a rival landlord, swear vengeance on the landlord's two sons, and the climax sees the accomplishment of their vow.

A powerful story of the evils of hereditary disease, "The Temple of Moloch," tells how the rich pottery proprietor, whose sweated slaves are condemned to consumption by the foul conditions in his works, learns too late his mistake, and reforms his vile methods.

"Her Bitter Lesson," in two parts, shows how a frivolous young wife's extravagance and love of dress and jewellery almost bring her husband to bankruptcy. He realises his wife's selfishness and determines to teach her a lesson. His partners, however, "shove the deal through and scoop up a pile," and he finds himself wealthy once more. How he keeps his wife in ignorance of his revived fortunes and teaches her the much-needed lesson is graphically told.

"Won by Dynamite," a jubilant jumble of fun, tells of Black Bart the villain, and his abduction of Constable Higgins' daughter. The chase by the crowd in the automobile and the blowing sky-high of the leading characters was ludicrous in the extreme.

"Billy's Heiress," with the inimitable Billy Reeves in the title role, relates how Billy's efforts to fascinate and capture the heiress, lead him ino a whirlwind of mistakes and misadventures. The furious chase on the sands and on the pier, and the final capture of Billy, were a medley of mirthful uproariousness.

To-night a thrilling two-reel Western drama, "The Truth about Dan Deering," and a Vitagraph comedy in four parts, "Some Duel," is the programme featured.

TWO MASKED MEN HOLD UP A TRAIN

WHEELING, W. Va., Oct. 8.—Two masked men early to-day held up and robbed a Baltimore and Ohio express train from New York to St. Louis, two miles West of Central, West Virginia. Their booty was taken from mail cars, according to reports received here and was believed to be large.

A DETERMINED WOMAN.

Finally Found a Food that Helped Her.

"When I first read of the remarkable effects of Grape-Nuts food, I determined to secure some," says a western woman. "At that thime there was none kept in this town, but my husband ordered some from a commercial traveler.

"I had been greatly afflicted with sudden attacks of cramps, nausea, and vomiting. Tried all sorts of remedies and physicians, but obtained only temporary relief. As soon as I began to use Grape-Nuts the cramps disappeared and have never returned.

"My old attacks of sick stomach were a little slower to yield, but by continuing the food, that trouble has disappeared entirely. I am today perfectly well, can eat anything and everything I wish, without paying the penalty that I used to. We would not keep house without Grape-Nuts.

"My husband was so delighted with the benefits I received that he has been recommending Grape-Nuts to his customers and has built up a very large trade on the food. He sells it to many of the leading physicians of the country, who recommend Grape-Nuts very generally. There is some satisfaction in using a really scientifically prepared food." "There's a Reason."
