C. N. R. Shows Improvement

(Canadian Press.)

MONTREAL, Oct. 26—The September statement of operating results issued to day by the Canadian National Railways shows an increase of nine percent the net earnings over the corresponding month of last year. The lateness of the western harvest had the effect of offsetting the increased business handled on the eastern portions of the system with the result that the gross earnings for September were less than last year by about one-third of one percent. Operating expenses, however, were reduced by over $200,000 to $19,942,445. Net earning were $1,845,970 as compared with $1,693,413 earned last year. Net earnings for the Canadian National Railways for first nine months 1923 amount to $6,857,816 as compared with $527,314 first nine months of last year. Improvement in the net earnings from the operation is therefore $6,330,502.

CALLS ON U. S. TO HELP SAVE EUROPE

CLEVELAND, Ohio., Oct. 26.—Declaring that Great Britain seeks nothing in Europe except a cessation of strife and that "There you can help us," David Lloyd George, at a Chamber of Commerce luncheon here yesterday, renewed his plea for effective two great English speaking nations.

"At this hour," he asserted, "there is a deadly, grim, ghastly struggle going on in Europe, not for the moment with cannon and machine guns, but none the less it is a deadly struggle and I ask you, don't turn your backs altogether on us. You saved it once Don't give it up. It has been a great continent. There have been great men thrown up through the ages in it to whom you, you as well as ourselves, owe much."

PITTSBURG, Pa., Oct. 26.—A cold rain greeted Right Hon. David Lloyd George when he arrived here today from Cleveland. He breakfasted in his car and remained aboard the train until the hour set for his official welcome.
