Red Cross Benefit Golf Tournament

Saturday afternoon at Belvedere Golf Links was Red Cross Tournament afternoon. The tournament was sponsored by the Royal Canadian Golf Association and each person entering contributed \$1.00 to go to the Red Cross.

The sum of \$48 was realized here although only 23 players finished. Several others were unable to complete the 18 holes while still others were unable to take part because of bad weather. However they contributed \$1.00. The names of players taking part and their scores together with the names of others who contributed although unable to play are given below.

The Royal Canadian Golf Association is sponsoring similar tournaments at clubs all across Canada and is making appropriate prizes to the winner at each place.

As yet no first place here away this evening in the first matches for the Crockett Trophy. Play will continue each Monday, Tuesday and Thursday evenings until each member has met each other member.

Two points are given for a win and the player having the highest summary will be declared the winner.

Keen and interesting competition featured last year's tournament and no doubt this season will be equally as good.

The members who were nosed out on two previous occasions are determined to get hold on the silverware this season.

THE MILDEST CIGARETTE YOU CAN SMOKE

because they're made from Cooler-Burning Tobaccos

Many smokers confuse taste with strength. Actually the pleasant taste you find in a Buckingham comes from a blend of riper, more mature tobaccos and this satisfying taste can readily be distinguished from strength, as by proven test Buckingham is the mildest cigarette you can smoke.

Also important is the fact that the riper Virginia, Burley and Turkish leaves used in Buckingham are scientifically blended to produce a cooler-burning cigarette—a cigarette that is cooler on the throat.

Smoke a blended Buckingham and enjoy the taste that satisfies, a mildness that is truly Throat Easy.
