

DISGUISED CATARRH

A Stealthy, Insidious, Weakening Enemy to Women--Many Thousand Women Suffer Needlessly From This Cause.

There are a multitude of women, especially housewives, and all other women obliged to be on their feet constantly, who are wretched beyond description, simply because their strength and vitality is sapped away by catarrhal discharges from the pelvic organs. These women get up in the morning tired, drag themselves through their daily duties, only to go to bed at night as tired as before.

Mrs. Eva Bartho, 133 East 12th Street, N. Y. City, N. Y., writes:—"I suffered for three years with what is generally known as leucorrhoea, in connection with ulceration of the womb. The doctors advocated an operation which I dreaded very much, and strongly objected to go under the knife. Reading of the value of Peruna, I thought it best to give this well-known remedy a trial, so I bought three bottles of it at once. Now I am a changed woman. Peruna cured me! It took nine bottles, but I felt so much improved I kept taking it, as I dreaded an operation so much. I am to-day in perfect health, and have not felt as well for fifteen years."—Mrs. Eva Bartho.

MRS. EVA BARTHO.

medicine I have ever taken. I used it faithfully for two weeks and it completely cured me. I have not had any pain since, anywhere, but feel like a new woman. I am truly thankful for what Peruna has done for me."—Barbara Alberty.

Mrs. Kate Mann, 306 Bathurst Street, Toronto, Ont., Canada, Vice President of the Ladies Aid Society, writes:—"I am pleased to give praise to Peruna for the blessed relief I found through its use. I suffered for years with backache and dragging down pains and often had to go to bed and stay there when I was so busy that I could ill be spared. It was therefore a simple goodness to me when Peruna was brought to my notice. Every drop seemed to give me new life, and every dose made me feel much better, and I praise myself for not having been so stupid as I would advocate it so that other suffering women should know of it. I have been in perfect health for one year. I enjoy work and pleasure because in such fine health, and no trouble seems too heavy to bear when you are in good health. Peruna has simply been a household blessing, and I will be without it again."—Mrs. Kate Mann.

MRS. KATE MANN.

MISS LOUISE MAHON.

Miss Louise Mahon, 3 Glen Ballie Street, Toronto, Ont., Canada, Secretary of the King's Daughters and Secretary of Lady Macdonnell, writes:—"If all women knew of the benefits to be derived from taking Peruna we would have many happier and more healthful women. My health has never been too robust, as I am easily fatigued and can not stand much. About a year ago I was so run down that I had to take to my bed, and became weaker and weaker. A friend advised me to try Peruna, and I have great reason to be grateful for in two weeks I was out of bed and in a month I was perfectly well, and I now find that my health is much more robust than formerly, so that I take Peruna once or twice a month and keep well."—Louise Mahon.

Mrs. Anna Martin, 47 Hoyt St., Brooklyn, N. Y., writes:—"Peruna did so much for me that I feel it my duty to recommend it to others who may be similarly afflicted. About a year ago my health was completely broken down, had backache, dizziness and irregularities, and life seemed dark indeed. We had used Peruna in our home as a tonic, and for colds and catarrh, and I decided to try it for my trouble. In less than a week my backache, dizziness, and my pains had entirely disappeared, and I am now perfectly well."—Mrs. Anna Martin.

Mrs. Wm. Hetrick, Kennard, Washington county, Neb., writes:—"I am fifty-six years old and have not felt well since the Change of Life began ten years ago. I was in misery somewhere most of the time. My back was very weak, and my flesh so tender it hurt me to lean against the back of a chair. I had pain under my shoulder blades, in the small of my back and hips. I sometimes wished myself out of this world. Had hot and cold spells, dizziness and trembling of the limbs, and was losing flesh all the time. After following your directions and taking Peruna I now feel like a different person."—Mrs. Wm. Hetrick.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis. Peruna can be purchased for \$1 per bottle at all first class drug stores. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

MRS. ANNA MARTIN.

Peruna is such a perfect specific for each case that when patients have once used it they can never be induced to quit it until they are permanently cured. It begins to relieve the disagreeable symptoms at once. The backache ceases, the trembling knees are strengthened, the appetite restored, the digestion made perfect, the dull headache is stopped and the weakening drains are gradually cured. These results certainly follow a course of treatment with Peruna.

Barbara Alberty, corner Seventh and Walnut streets, Appleton, Wis., writes as follows in regard to Peruna:—"For years I have suffered with backache and severe pains in the side. I doctored so much that I became discouraged. A school friend told me how very much Peruna had benefited her and I sent out for a bottle, which did more to relieve me than all the other

Latest from Summerside and Prince County

A. E. King, St. John repres pting the Canada Cycle and Motor Co Toronto was in Summerside yesterday and leaves for Charlottetown this morning, where he will remain over Sunday.

The first address in the mission to be held in St. Mary's Church next week, from April 5th to 11, will be given by the rector on Sun at evening. The subject is "Sin a deepenance." All are welcome and all seats are free.

THAT we may yet have some severe weather before spring properly sets in may be argued from the fact that in the year 1900, the worst snow storm of the season began on the night of April 5th and continued all the following day and night, blocking trains and delaying steamers. At that time the Steamer Stanley was on her way to Summerside to open the harbor, and had to lay off Charlottetown Harbor during the storm. She arrived here on the 8th.

WHERE PURITY PREVAILS

SCROFULA

Bad air, poor food, insufficient clothing, dark, damp or crowded apartments are frequent causes of scrofula. Perhaps this explains why the ailment is so common in the poorer sections of large cities. It is but a step from scrofula to consumption and herein lies the great danger. It is just as well to avoid the step.

Scott's Emulsion contains the very things that nature requires in curing scrofula. The pure Norwegian cod liver oil helps to build up the whole body and enables one to acquire new, healthy, solid flesh. The hypophosphites of lime and soda act as a tonic, replacing the waste and giving strength and new structure where it is most needed.

There is nothing that will do more good in the case of scrofula than Scott's Emulsion.

We'll send you a sample free upon request.
