

Weak Lungs

It is the old story of a weak throat, a tendency to weak lungs in the family. You no sooner get rid of your old cold than a new one takes its place. Ayer's Cherry Pectoral breaks up this taking-cold habit. It strengthens, heals. Ask your doctor, the very next time you see him, what he thinks of Ayer's Cherry Pectoral for weak lungs.

We have no secrets! We publish the formulas of all our medicines.

At the home of Elias Coffin, Savage Harbor West, on March the seventh, his eldest daughter Edna Lillian was united in marriage to Montague J. McKay, Section Foreman at Mt. Stewart. The ceremony was performed by Rev. A. Craze in the presence of a large number of friends and relatives of both bride and groom. The wedding party entered to the sweet strains of Lohengrin's March played by Miss Nettie Warren, Charlottetown. The decorations were evergreens and potted plants. The bride wore an elegant costume of cream organdie trimmed with lace and ribbon and was attended by her sister Miss Myrtle and her cousin Miss Ida J. Coffin of Durham N. S., who wore gowns of organdie and veiling with similar trimmings. Wm. K. McKay of Springfield supported the groom. The honey moon will be spent in Montreal, Quebec and the Lower Provinces. Their arrival at Mount Stewart was anticipated by a large number of the groom's friends who received them with the usual ceremonies supplemented by the blowing of whistles and the discharge of torpedoes. The large number of presents testified to the esteem in which the young couple are held by their many friends. The groom's present to the bride was an elegant fur coat and to the bridesmaids opal rings. On their return Mr. and Mrs. McKay will reside at Mt. Stewart.

Piles Cured

"Every morning, for over 20 years, I never went to the toilet without fear and trembling, and I never left it without having suffered agonizing tortures. Many days I did not dare go at all so much did I dread the terrible ordeal."

These are the exact words of a sufferer from piles and we hear the same thing almost every day. It voices the sentiments of hundreds of thousands of others in this country today, for it is estimated that of every ten persons we meet in church, the street, or the theater, seven are affected with piles.

Martyrs and needless martyrs, too, for since the discovery of the marvelous Pyramid Pile Cure no one need suffer moment longer. There is now no excuse for having piles and if you continue to suffer from them you do not deserve a particle of sympathy, considering the chance we give you to prove it to your own satisfaction wholly free of cost to you.

Here is a typical case: Mr. Benjamin Shaw, Postmaster of Bland, New Mexico. He had suffered from aggravated piles for years, and was upon the eve of a serious surgical operation, believing that he had reached the limit, and that the operation offered the only possible means of relief and cure. Let us quote his own words in his letter of Oct. 31, 1905: "I was in great agony of mind and body. In the meantime, a gentleman told me of the virtue of your pyramid remedy. I fortunately found it at a drug store, and by the next morning I did not feel that an operation was necessary, and in three days I was able to return home, and a complete cure was accomplished to my great satisfaction and the surprise of the physician."

Send today to the Pyramid Drug Company, 2221 Pyramid Building, Marshall, Mich., and get a sample package by return mail and then go to your druggist and get a box, the price of which is 50c., and get well without pain, trouble or cutting.
