ENGLAND'S FAVORED NATION TREATMENT NOT TO BIND CANADA.

OTTAWA, March. 13—When Sir Wilfrid Laurier goes to the Imperial Conference in May next, he will take up with the Imperial Government the question of the revision or abrogation, so far as Canada is concerned, of the Favored Nation Treaties with the Argentine Republic, Astris Hungary, Bolivia, Columbia, Denmark Russia, Spain, Sweden, Venezuela and Switzerland.

Although Canada's trade with these countries is comparatively small, and the Favored Nation treatment accorded them under the provisions of the Imperial Treaties has practically had little real effect on the volume of either imports or exports, the fact that Canada is bound automatically to give them the benefit of any tariff reduction accorded other countries is hardly compatible with the assertion of Dominion's unrestricted fiscal autonomy.

I am sure my lungs were somewhat affected also. The relief I got from Catarrhozone was remarkable. LETTER OF CONDOLENCE.

The following letter of condolence on behalf of Brookfield Division, S. O. T., has been forwarded to Albert and Mrs. Paul:—We, the officers and members of Brookfield Division, No. 263, S. O. T., would extend to you our sincere sympathy in your recent bereavement in the death of your loving father. Mere human sympathy is of little avail; therefore we would direct you to Him who alone can sympathize with all and comfort the broken-hearted, and while you will greatly miss the guidance of a loving father our prayer for you in your great sorrow is that our Father in Heaven may vouchsafe to you His sustaining grace, and that the affliction through which you have been called to pass may be sanctified to your eternal welfare.

Not now but in the coming years
It may be in the better land
We'll read the meaning of our tears
And there, some time, we'll understand
God knows the way, He holds the key,
He guides us with unerring hand
Sometime with tearless eyes we'll see
Yes, there, up there we'll understand.

MEXICAN MINISTER MAKES A DENIAL.

NEW YORK, March 13—Senor Joeseph Yves Limantour, Mexican Minister of Finance, when shown the report printed in the evening newspapers, that American financial interests in the Dominant holdings in Mexico have on foot a plan to procure the resignation of President Diaz and to set up Senor Limantour himself, in the Executive Chair, said: "How stupid that I should be the last person to be suspected of lending myself to such a design, even if by any stretch of imagination one could suppose it true. There is no truth in the report."

Caught a Heavy Cold.

It Left Him with a Hacking Cough.

Mr. J. H. Richards, 1852 Second Ave. East, Vancouver, B.C., writes:—"Allow me to write a few lines in praise of your Dr. Wood's Norway Pine Syrup. Last fall I contracted a heavy cold which left me with a hacking cough, and every time I would get a little more cold this hacking cough would become a lung splitting one. It kept on getting worse and I kept on spending money buying different cough remedies until a friend asked me if I had ever tried Dr. Wood's Norway Pine Syrup. I told him I was willing to try anything I thought would cure, and on the same day bought two bottles. Before half the first one was used my cough began to get much easier, and by the time I had used a bottle and a half my cough was gone. I am keeping the other half bottle in case it should come again but I am quite sure I have a positive cure. Let me recommend Dr. Wood's Norway Pine Syrup to all who suffer from a cough or throat irritation of any kind."

Dr. Wood's Norway Pine Syrup is put up in a yellow wrapper; three pine trees the trade mark; price 25 cents.

GIRL WINS $1000 TRAMP TO TAMPA

TAMPA, Fla., March 10—Miss Dora Harrison of Brooklyn, who left there Jan. 2, arrived in Tampa yesterday after making the entire trip on foot.

Miss Harrison made the trip to Tampa on a wager made by her mother with Harry Hirschfield of Brooklyn. She telegraphed to Brooklyn and her portion, $1000, was immediately wired to her. With this she went on a shopping and souvenir hunting tour and spent a greater portion of it before leaving for the return trip.

During the walk Miss Harrison lost 22 pounds. Frequently, she said, she was forced to sleep in the open. She walked from Washington to Baltimore in one day.

OPENS GRAVE TO TAKE OFF HUSBAND'S RINGS

ST. JOSEPH, Mo., March 10—The widow of Andrew Walker yesterday admitted she ordered the grave opened and two rings removed from the fingers of her dead husband. She said she did so because the rings were her property.

Mrs. L. M. Walker, mother of the dead man, disputes the ownership of the rings. She says the hands of the body were mutilated in the process of removing the jewelry. J. H. Sidentaden, an undertaker, aided the widow in securing the rings.
