IN MEMORIAM

MRS. EARL CHAPPELL. There passed peacefully to her eternal reward at Bradabone on the morning of December 13th, 1930, the soul of Mrs. Earl Chappell, at the

early age of 21 years and 9 months. She was a long sufferer but bore her suffering patiently and was never heard to murmur or complain. She always greeted every one with a smile. All that doctors or nursing could do was of no avail. Her spirit gently took its flight to be with Him who gave it. She was attended to and comforted in her great illness by

her beloved pastor the Rev. Mr. Palthrope. There are left to mourn besides her sorrowing husband, one daughter, Georgie, also her mother and father, Mr. and Mrs. Walter Somers and two sisters, Muriel and Dorothy at home who were with her when she passed away.

Her funeral was held on December 15th and despite the terrible storm was largely attended by friends who come to pay their last respects. There was a short service at the house after which the remains were forwarded to the church at North Granville. There the Rev. Mr. Palthrope spoke very feelingly to the bereaved ones after which the remains were laid to rest in the cemetery at North Granville, there to await the glorious resurrection. The pall bearers were James and Elton Somers, Rowland Folland, Cleveland Somers, Fred and Reuben Chappell.

She was loved by all who knew her. She possessed a loving heart. Pure and guileless with such jewels. We are sooner called to part. God prepared a crown triumphant for that child of tender years. Now she wakens sweetest music for the holy angels ears. It will be a happy meeting when the toll of life is o'er. She will be the first to greet us when we gain the other shore.

An Irishman, leaving Belfast by steamer, waving his cap to his friend in the harbor, accidentally let it blow into the water. The captain, thinking he would have a joke at the Irishman's expense, said: "Hallo! Pat, is that the only cap you've got?"

When Pat immediately replied, "Bejabers, I haven't got that one either."

Miller's Worm Powders can do no injury to the most delicate child. Any child, infant or in the state of adolescence, who is infested with worms can take this preparation without a quail of the stomach, and will find in it a sure relief and a full protection from these destructive pests, which are responsible for much sickness and great suffering to legions of little ones.

HAZELBROOK AND VICINITY

The many friends of Mr. Daniel Wood are pleased to see him out again, after his recent illness.

Mr. C. Monkley, City, made a business trip here this week.

The funeral of Mr. Sampson Farquharson was held from his late residence, Mt. Herbert, on Tuesday afternoon. A large concourse of people followed the remains to the Hazelbrook Cemetery, where interment took place. There are left to mourn the loss of a loving father, two sons and one daughter, to whom deepest sympathy is extended.

Mr. Oliver Myers was a recent visitor to the City.

Master Nelson McDonald, who spent a pleasant week here with his sister, Mrs. Seymour Myers, returned to his home in Melville.

A very enjoyable evening was spent at the home of Mr. and Mrs. James Monaghan on Friday. Whist and dancing was indulged in until a late hour. Dainty refreshments were served by the hostess to which all did ample justice, when all dispersed homeward, feeling they had enjoyed themselves to the full extent.

We regret to learn of the illness of Mrs. Lawson Wood.

The semi-annual examination of the Bethel School was held on Friday evening, December 19th, with a goodly number of rate-payers and visitors present. The pupils were examined in the various subjects by their teacher, Miss Gladys Birt, and showed by their ready answers the careful training given them by their teacher. At the conclusion of the examination, a very interesting program of songs, dialogues and recitations was carried out. The school was very artistically decorated for the occasion and a well trimmed tree stood in the corner, laden with gifts for pupils and teacher. On the arrival of Santa, the hearts of the little folks were made glad when he

distributed the parcels from the tree. Mr. Leigh Ferguson capably acted as chairman and a hearty vote of thanks was extended to the teacher for the nice entertainment. All present were treated to candy by Miss Birt.

Mrs. Smallman, Summerside, is visiting her sister, Mrs. W. E. Wood.

Mr. R. T. Wood, Hazelbrook, sold a number of fox pelts last week to Messrs. McLure and McKinnon, for which he received a handsome sum. The buyers stated they were five of the finest pelts handled by them this year. This speaks well for a new rancher and we offer him heartiest congratulations.

The Mt. Herbert Community League held their last regular meeting at the home of Mr. and Mrs. Elton Rayner. A very enjoyable time was spent, also a very profitable time. After the devotional exercises, a contest was put on, which was greatly enjoyed by all. Dainty refreshments were served by the ladies. Next meeting is to be held at the Orphanage, when the program is to be in the form of a "Mock Trial."

On Friday evening, December 19th, the old schoolroom at Hazelbrook was once again filled to its utmost capacity, when upwards of one hundred and fifty persons assembled together and were treated to a most enjoyable program of drills, songs, recitations and dialogues, each performer doing their part equally well. Rec. E. J. Chisholm capably acted as chairman and splendid order prevailed. The schoolroom was very prettily decorated with spruce and tissue paper trimmings of red and green. A most pleasing feature was the Christmas tree, well laden with gifts for teacher and pupils. To the teacher, Miss Emma MacDougall and her pupils, we feel very grateful for such a splendid entertainment. While each number on the program was well given, special mention might be made of "A Santa Drill" carried out by eight girls, each carrying a star and wearing a tissue paper dress. This certainly took a great amount of training and work on the part of the teacher, but to hear the compliments, she will surely feel repaid. The singing of the National Anthem brought this pleasant evening to a close.

The Mt. Herbert Ladies' Aid held their regular monthly meeting at the home of Mrs. Frank Lund on Wednesday evening. Meeting opened by singing a hymn. Roll call was responded to and two new members joined. Minutes of last meeting were read and approved. Sale of Christmas gifts then took place from which a neat sum was realized. Next meeting is to be held at the home of the president, Mrs. Harry Wood. After a dainty repast had been served in the usual good taste of the hostess, meeting closed in the usual way.

Mr. and Mrs. P. H. Myers were recent visitors to Bethel.
