Barbara Brent's BUYS AND WHYS

A WEEKLY INFORMATION SERVICE

MONTREAL, June 2nd—Time now to put your Spring suits in the back of your cupboard and take to summer cottons 'n silks! But before you do this, be sure all your woollens are completely mothproof. Best way I know to mothproof your suits—coats—dresses or rugs is to do what the big woollen mills do—use LARVEX. It's so *sure!* Moths simply won't eat anything sprayed with Larvex—they'd rather starve to death! It's so *quick 'n easy!* One "Larvex-spraying" actually mothproofs the cloth itself for a whole year. And you can wear the garment right away for there's no tell-tale "moth-ball" odour to Larvex! It's so *inexpensive!* . . . costs no more to "Larvex" a dress than to send it to the dry-cleaners! Excellent reasons all why Larvex is a household "buyword" in thousands of Canadian homes!

Are You The Better Half? . . . Everybody talks about not underestimating the power of a woman. We're supposed to spend most of the money . . . and be responsible for the family budget. All the ads. say we are the greatest influence. But the men run the country. Why, oh why shouldn't we have a say about which men run the country . . . and how they run it? Well, we have! Our vote is our protection. That's the way we can state our opinion and help make the kind of government we need. There's an election coming up on June 27th . . . a Dominion election. Every woman in this country has a vote of her own . . . and every woman should use that vote. Make sure that you use it to support the party which will do most to improve your lot and that of your family . . . by making Canada a still better place to live. Vote for the PROGRESSIVE CONSERVATIVE Candidate in your riding. Vote to support the party that will do most to make a better life for every member of every Canadian family. Sunday School Convention

The annual Sunday School Convention for the North West Queens district met in the Breadalbane United Church on Wednesday, May 11, 1949.

Theme: Every school a church school.

The convention opened with worship service in charge of Stanley Bridge United Church Sunday School. Hymns sung were, Breathe on Me the Breath of God and Spirit of God. Descend Upon My Heart with Mrs. Lorne MacEwen as organist. Scripture reading Mark 10-13-22 by Mrs. Myers followed by a short address by Rev. W. I. Green after which Rev. Geo. Gough led in prayer.

The president, Fulton Robertson then took charge. Miss Ella Semple, secretary-treasurer was unavoidably absent, Miss Eunice Rackham was appointed secretary-pro tem The minutes of the last convention and the financial statement were read and passed on motion duly seconded and agreed to.

The president reported having visited several schools in the district.

After a lively discussion it was moved by Rev. Geo. Gough and seconded by Rev. W. B. MacPhail that convention be held in the latter part of June in the future.

The nominating committee was then appointed as follows: Miss Eunice Rackham, Mrs. Lorne MacEwen and Mrs. George Dunning, and the resolutions committee, Rev. George Gough, Rev. Paul Richardson and Mrs. J. D. Morrison.

The president then called upon Rev. Howard Christie who represented the Maritime Religious Education Council. Rev. Mr. Christie explained the organization of the Council and told of its aims and work.

Roll call of schools was responded to by delegates from the following 11 schools: Breadalbane United, Breadalbane Christian, Hunter River United, Pleasant Valley United, New Glasgow Community, Fredericton Christian, Cavendish Community, Wheatley River United, Stanley Bridge United, North Rustico United, North Granville United.

After singing the hymn "Onward Christian Soldiers" the afternoon offering was taken.

Rev. Howard Christie then led a discussion on the questionaire filled in by the different schools. To increase attendance it was suggested that mid-week activities such as C.G.I.T., Trail Rangers, etc. help to promote interest in Sunday School. Then adding variety in teaching methods and making the classes really interesting help to make the children want to attend.

Ways to make worship more meaningful to children were suggested. Have a simple worship centre. Use hymns children understand. Have the different classes responsible for the worship period occasionally and observe special days as Mother's Day, etc.

Meeting adjourned at 5.30 for supper.

The evening session opened with a discussion led by Rev. Mr. Christie on the importance of presenting the Challenge of Christian living to the pupils, after which he demonstrated the use of the flanograph for teaching primary lessons, and emphasized the use of dramatization to create interest and aid learning.

EVENING WORSHIP

Evening worship at 8 p.m. was in charge of Breadalbane United Sunday School.

The call to worship was followed by the hymn, Jesus Calls Us O'er the Tumult. Scripture reading Matt 5, 1-16 and Matt. 7, 24-29, read by Miss Graham. Reading ye are the light of the world by Mrs. Kenneth Doull. Prayer by Mrs. D. J. Morrison. Solo, Near to the Heart of God, by Mrs. Norman Green. The report of the resolutions committee read by Mrs. D. J. Morrison was adopted as follows:

1. Resolved that we extend our thanks to the minister and official board of this church for the use of their building for the convention, and to the ladies for providing tea for supper; to the leader, Rev. Howard Christie, also Rev. Paul Richardson, guest speaker, and to all others who in any way helped to make this convention a success.

2. Resolved that we extend congratulations to the Evergreen Sunday Schools and urge those who cannot keep open all year to carry on as late as possible.

3. Resolved that we stand upon our former resolution regarding the Temperance question and believe that prohibition really enforced would make for a more sober and a saner people.

4. Resolved that the schools that are in session in the summer months only be recommended to hold vacation schools.

Rev. Mr. Christie showed two film strips "Let the Children Come" and "The Boyhood of Jesus" as a demonstration of further visual aids which help greatly in Sunday Schools work.

After the singing of the hymn "Will Your Anchor Hold", the president introduced the guest speaker, Rev. Paul Richardson of New Glasgow Christian Church. Taking as his text, "Where there is no vision the people perish" Prov. 29, 18. Rev. Richardson gave an inspiring and thought-provoking address, stressing the great responsibility of parents and Sunday Schools workers for the moral and spiritual life of every young child under their care.

The hymn, "Rise up Oh Men of God", and benediction brought the convention to a close.

VISIONS THAT PASS IN THE NIGHT BEYOND THE GREAT DIVIDE

(Dedicated to the sacred memory and love of Lillian Farrington-Atkinson)

Her spirit came to me last night
From out the Hinterland—
In fond embrace we met again
As love did understand—
Our dream-lips met as oft before
Her spirit winged away—
From mortal plane to Astral Heights
Out where there's no dismay—
Nor sorrowed pain of mind or soul
Nor heartaches to infest—
The tranquil spirit of the freed
Of God's Immortal Blest—
Her spirit life was joy to me
And lovely to behold—
And like an angel's visit sweet
Is writ in Dreams of Gold—
Within the Archives of my soul
Where time can ne'er efface—
The sweetness of our love divine
In memory's inter-space—
That harks to nights of long-ago
And days of yester-year—
And evenings of the recent past
When meetings brought us cheer—
E'en as the Angels hovered close
In mercy to relieve—
The mortal pain of heart and mind
That caused the soul to cleave—
Its mystic beauty so divine
With Angels from Above—
To meet again in fond embrace
In sacred bonds of love—
The mortal and immortal souls
On Wings of Ether's Flight—
As visions out of Time and Space
That Pass-On in the Night—
Her spirit could not earth-bound be
Nor long with me abide—
Till it rejoined the Heavenly Host
Beyond the Great Divide—
