

IMPORTANT READING MATTER SELECTED FROM THIS WEEK'S NEWS FOR THE GUARDIAN'S SATURDAY SUBSCRIBERS

MONDAY.
NO CASES.—The police of Charlottetown are continuing to keep excellent order. During the past week there were few cases of drunkenness; indeed on one or two occasions there was an entire absence of cases for that offence. On Saturday a single case of any kind came up for trial before the magistrate, Mr K. J. Martin.

CITY'S HEALTH.—In the City Council room on Saturday afternoon there was a meeting of the Board of Health, convened at the instance of the Mayor to consider certain cases of scarlet fever and diphtheria which have occurred in Charlottetown within the past couple of weeks. In the absence of the Health Officer, Dr. Johnston, it was decided to leave the matter in abeyance for the present, soon as he returns to Charlottetown it will come up again for consideration.

ISLAND MINISTER.—Rev. George D. Ireland, of Westminster Church, South Vancouver, B.C., has accepted office as the City Relief Superintendent of Vancouver. This, of course, calls for his giving up, temporarily at least, the work of the ministry. Mr Ireland is a native of Alberton, P.E.I., a graduate of McGill University and Montreal Theological College. He was minister of St. Paul's Church, Woodstock, N.B., for nearly two years before going to Vancouver in 1911, says the Presbyterian Witness.

VOLUNTEERS RESPONDING.—Recruiting is now going on at the Drill Hall for the Infantry Overseas Contingent. On Saturday alone twelve young men signed the service roll and were passed as medically fit by the examining officer, Lieut. Colonel Warburton. Several more signed the service roll and will be examined today. There are quite a few more to report also today. It is well to see the young men responding to the call to duty. It may be said that by far the greater number enlisted so far are from the rural districts. It is now up to the city boys to even matters up with the Country lads. The recruiting officer will be at Drill Hall today from 4 to 6 and 7.30 to 9 o'clock p.m.

WEDDING BELLS.—The marriage takes place at 6.30 o'clock this morning in Notre Dame Convent of Miss Lily Blanchard to Mr. Edward Arsenault, night foreman of the Guardian, the ceremony being performed in the presence of the friends of the contracting parties. The bride, who will be crowned in a brown tulle and with hat to match, will be attended by Miss Katie Martin, while the groomsmen will be Mr. Andrew LeClair. After the ceremony the happy couple will leave on a visit to St. Louis. The groom's present to the bride was a lovely necklace of pearls and amethysts. Among the many presents received was a handsome dining room suit from the groom's fellow workers and staff of the Guardian office. The Guardian joins in wishing Mr. and Mrs. Arsenault many years of happy married life.

Dr. Morse's Indian Root Pills

owne their singular effectiveness in curing Rheumatism, Lumbago and Sciatica to their power of stimulating and strengthening the kidneys. They enable these organs to thoroughly filter from the blood the uric acid (the product of waste matter) which gets into the joints and muscles and causes these painful diseases. Over half a century of constant use has proved conclusively that Dr. Morse's Indian Root Pills strengthen weak kidneys and

Cure Rheumatism

SUPREME COURT.—In the Supreme Court on Saturday morning a rule nisi was applied for to set aside the writ of attachment in the suit of Stuart versus Horne. The matter will come up for consideration on Wednesday next.

FOR THE BRITISH ARMY.—Mr J. D. Jenkins, successor to the firm of Jenkins & Lantz, Charlottetown, has received a contract to supply 250 cases of canned chicken for the use of the second Canadian contingent sailing in December for active service in Europe.

As anticipated for some time past by the officers of the P.E. Island Heavy Brigade, the call has come to them to supply their quota for the Artillery Brigade which is to be sent to the second Canadian contingent sailing in December for active service in Europe.

On Saturday Lieut.-Col. A. G. Peake, commanding the regiment, received a telegram from headquarters asking him to supply a captain, a lieutenant and seventy non-commissioned officers and men for the Heavy Battery of the Artillery Brigade.

The officers were notified immediately, wires sent to Canso and Sydney Mines, where two detachments of the Prince Edward Island Heavy Brigade are on coast defence duty, asking for volunteers. As no telegram could come through yesterday, lists have not been received, although a large number had previously volunteered for the composite battery. It is expected that a considerable number more will be added to the list.

The officers will be selected from those who have previously volunteered. The Guardian is informed by several of the officers that there will be a difficulty in securing the required number of men, as volunteers have been offering for some time. There will be vacancies now at Canso and Sydney Mines. These will have to be replaced, either from the strength of the batteries here or from the reserve. Parents who have sons attached to the Militia or reserve should place no obstacle in the path of those whose duty it is to complete the detachments at Sydney and Canso. It may be an unpleasant duty, but it is a duty and a necessary one at this time.

SUCCESSFUL SALE.—Mr. James Feehan, Savage Harbor, had a very successful auction sale on Wednesday the 4th. Mr. M. Fe'ehan purchased the homestead—a fine property and S. C. Clark purchased the other farm. Their friends congratulate them on securing such valuable properties. The stock, implements and furniture sold well also. Their many friends regret to learn that Mr. Fe'ehan and family intend going to California to locate. They will certainly be very much missed in their native community of Savage Harbor.—L.

THE PORK MARKET.—The Guardian understands that advice by wire from Toronto Saturday morning quotes the live hog market slightly firmer. The local packers, Davis and Fraser, acting on their regular principle to pay all the market will legitimately allow, are accordingly advancing prices at all country points. How long this advance may hold good no one is prepared to say, but with a fluctuating market no doubt any farmers having hogs ready will take advantage of the prices now being offered. Advance is really 25c. per cwt. live hogs, Toronto.

FOR THE FRONT.—The officers of 82nd Regiment are asked to use their every effort to influence young men in their districts to offer themselves for the defence of their King and Empire by enlisting in the infantry Regiment now being raised from New Brunswick and P.E. Island. Already quite a number have come forward and enlisted, but many more are required. The pay is \$1.10 per day, and liberal allowances are made for those who may be dependent upon them. The recruiting officer, Captain T. E. McNutt, of the 82nd Regiment, will be at Drill Hall daily from 4 to 6 and 7.30 to 9 o'clock p.m.

WEDDING BELLS.—Sacred Heart Church, Alberton, was the scene of a very happy event on Tuesday morning, Nov. 3rd, when Annie F. Wallace, of Alma, became the bride of H. Frances Ready, of Tignish. The ceremony was performed in the presence of a large number of friends and relatives, by the pastor, Father Maurice McDonald. The bride was attended by her sister, Miss Clara Wallace, while James Christopher acted as best man. The nuptial knot had been tied, the happy couple drove to the home of the bride's parents where a sumptuous breakfast was served, which was eclipsed only by the excellent dinner. This latter was certainly a triumph in the culinary art. Among the guests present were Rev. Maurice McDonald, Mr. and Mrs. Joseph Koefe and Mrs. Cahill, of Tignish. In the evening a large number of invited guests assembled to extend their felicitations to Mr. and Mrs. Ready and a very enjoyable time was spent in dancing and other amusements. The bride was the recipient of many presents, which testified to her popularity. They left on the following day for Tignish where they will reside in future. Their many friends join in wishing them a long and happy married life.—A.

Vapo-Resolene
 Est. 1879
 A simple, safe and effective treatment avoiding drugs. Used with success for 35 years. The air carrying the antiseptic vapor, inhaled with every breath, makes breathing easy, soothes the sore throat, and stops the cough, assuages inflammation. Cresolene is invaluable to mothers with young children and a boon to sufferers from Asthma. Send no postal for descriptive booklet. Vapo-Resolene is sold by druggists. YAPRO-CRESOLENE CO., Lenington Hill, N.S.W.

A FAREWELL.—On Thursday evening last, the 6th inst. the young people of Port Hill gathered at the home of Mr. and Mrs. Wm. Veale to say farewell to Mrs. Birch's brother, Mr. Joseph E. Veale, who has been a resident of Port Hill for the past five years and who left on Friday morning for his home in Ontario. The most interesting part was the presentation to Mr. Veale of a substantial gift of money and the following address:

Mr. Joseph Veale, Dear Friend:—We, your friends of Port Hill on learning with regret that you are about to take your departure from our midst, feel that we cannot let this opportunity pass without expressing in some tangible way our feelings of good-will towards you. Five years ago you left your parents and home in the Motherland to seek your fortune in another suitable clime which you found here and since then you have been ever faithful and attentive to your duties and by our kind and genial disposition and ever readiness to lend a helping hand you have endeavored yourself to all who have the pleasure of your acquaintance. You have taken an active part in church and social matters and your chair made vacant in the choir of the Episcopal Church of which you have been a devotee member cannot easily be filled in social matters also you have been ever ready to do your part and when there was any vacant place to be filled Joe with his violin was the one to do it. Now that your native land and its people are in great trouble you feel it your duty to visit your dear parents who cared for and protected you in your boyhood days, but before going we ask you to please accept the accompanying gift, not for its intrinsic value but as a token of our regard and esteem for you and we hope the lesson inculcated by this may bear fruit which will prove, not only helpful to you but useful and beneficial to ourselves. We know not where your future lot may be cast, but you can rest assured that you will always have the prayers and best wishes

of your Port Hill friends and if, at any future time, you may see your way clear to visit us again you will always find warm hearts and glad hands to welcome you to our shore. Signed on behalf of the people of Port Hill.

FUNERAL HELD.—The funeral of the late John C. Clark of Cavendish, who died some days ago in the Canadian West, and whose remains were sent home, took place at the home of his sister Miss Matilda and Miss Mary Clark of Kensington. The ceremony was performed by the Rev. G. A. Sutherland of Kensington. The remains were laid to rest in the Cavendish burying grounds.—K.

SILVER WEDDING.—A very enjoyable evening was spent at the home of Mr. and Mrs. Wm. Gass of Kensington on Thursday evening when they celebrated their Silver Wedding. A host of friends being present on the occasion and the host and hostess were the recipients of many beautiful gifts. The guests after indulging in various games sat down to a sumptuous repast when the melodious strains of the phonograph together with the tempting delicacies of the table served to increase the appetite. The evening broke up at a late hour.—K.

TUESDAY.
NEW COMPANY.—A. G. G. Parkin, S. L. Stockton, G. R. Parkin, H. F. Hughes, Andrew Moore, T. A. Smith of Petticoat, G. S. Sharp of East Bluff, P. E. I., Charles Colpitts of Forest Glen, and Jacob W. Steeves Jr., of Port Elgin are applying for incorporation at Gilt Edge Fur Farms Limited, with an authorized capitalization of \$20,000 and head office in Petticoat.

CONGREGATIONAL SOCIAL.—A most enjoyable congregational social was held in the K. P. Hall last night, inaugurated principally so that the members of the Central Christian Church might meet their new pastor, Rev. W. J. Whitehead. There was a very large attendance, and an excellent programme of entertainment was provided. Refreshments were served throughout the evening.

PRICE OF HORSES.—Although the price of horses is a little low at the present time there is bound to be an increased demand, which will likely come sooner than expected. The waste of horse flesh in the line of battle is enormous and there is no doubt but that the Allies will soon be searching every part of Canada for suitable horses. Again, the area seeded to crops next year in Canada is likely to be increased very materially, and more horses will be wanted on this account, particularly in Western Canada. After the war is over it will take quite a number of years to supply the demand and every farmer should at once plan to meet this situation by breeding every available mare.

AN ACCIDENT.—Pictou Advocate says that it is with much regret that we record an accident to one of the most popular men in Pictou, Mr. Dody Dwyer. He was injured rather seriously on Thursday night while driving his automobile at or near Eureka. He was making a turn when the car skidded and he was thrown against the windshield, which broke, and it was the broken glass of the windshield which did the most damage. The chief injuries are to the chest and the most severe is a broken cheek bone. Mr. Dwyer was taken by the train to Aberdeen Hospital, New Glasgow, where he now lies. Word received by his family last night was that while his injuries were painful, there was no cause for worry.

MARRIAGE.—The marriage of Mr. Leandre LeBlanc, of Shediac, N.B., to Miss Nelly Robinson, formerly of Charlottetown, was solemnized at the Catholic Church, Summerside, Monday morning, Nov. 9th, at 7 o'clock. The Rev. J. C. McLean officiated. The bride was attended by Miss Beatrice LeBlanc, sister of the groom, and Mr. Adrien Arsenault, Summerside, discharged the duties of groomsmen. After the ceremony the bridal party drove to the home of Mr. Maxim Peters, where a wedding breakfast was partaken of, only the immediate friends being present.—X.

LATE MRS WM. CORISH.—The death took place in Charlottetown, on November 17th, of Mrs William Corish, in the 53rd year of her age, leaving a husband, one daughter, Mrs. Logan, and three grandchildren, also two brothers and two sisters to mourn their loss. The late Mrs Corish was of a kind and amiable disposition and well respected by all who had the pleasure of her acquaintance. The funeral took place yesterday morning to the pro-cathedral, thence to the Catholic Cemetery. The following were the pall-bearers:—Thos. Power, Thomas Smith, Patrick Murnaghan, James Fordy, Peter McCarron and Angus McRae.

RAILWAY APPOINTMENT.—Mr A. W. Seaman, Station Agent at Hunter River, has been appointed station master at Alberton. This position Mr Seaman had made some time ago when Mr Neil Campbell was superannuated. It has since been in the charge of Mr Harry McKay, Relieving Agent.

CHURCH BADLY DAMAGED.—Mr. C. H. Foster, of Charlottetown, has received the unpleasant news of the almost total destruction by fire of the Church in Cleveland, Ohio, of which his brother, Rev. George I. Foster, is rector. The unfortunate accident occurred during the preparation for the funeral of Charles Spencer, the janitor of the Church. Edward, the deceased man's son, went to the edifice at 10 o'clock on the morning of the fire to light the furnace and prepare for the funeral service. An hour later the gas collector, passing by the Church, observed smoke coming from the basement. Investigation showed the entire basement to be ablaze, ignited supposedly from overheating of the furnace. The Church was badly damaged. In reference to the matter one of the Cleveland newspapers states: "The Episcopal Church of the Good Shepherd, 1106 Addison road, was almost totally destroyed, and the home of Rev. George I. Foster, rector, adjoining, slightly damaged Tuesday by fire which resulted from an overheated furnace in the church basement. The church, a two-story frame structure, used largely for institutions, purposes, made excellent fuel for the flames, which shot 50 feet into the air. The blaze had gained good headway before the firemen arrived and their fight was difficult. The church was gutted, and the flames spread rapidly to the residence. Mrs. Foster, wife of the rector, was alone. She fought the fire until the firemen arrived. Funeral services for Charles Spencer, 6703 St. George street, janitor of the church, were to have been held Tuesday afternoon. Rev. Foster was away arranging for singers for the funeral when the fire started. He did not know of the blaze until he returned home at noon."

Bad Spells With the Heart

Mrs. A. D. Cameron, Birch Brook, Pictou county, N.S., writes:—"For two or three years I was in a run-down condition, very nervous, lost my appetite, was drowsy and sleepy. Then I began to have bad spells with the heart, and cold feelings would creep over me until I felt like death and as if I were sinking away. I would smother, and my hands would become stiff and cold, and windows and doors would be thrown open to bring me back to life. A year ago I read about Dr. Chase's Nerve Food, and began its use, and can now say that I am practically cured. As I am still gaining strength I shall continue its use for a time. During my illness I had two different doctors, but as I could see little benefit I turned to Dr. Chase's Nerve Food, with great advantage. I will gladly answer anyone who wishes to hear direct from me."

Weak Heart—Palpitation

Mr. Stephen J. Leard, North Tryon, P.E.I., writes:—"I have recently had a severe attack of heart failure, and became very irregular and weak in action and would palpitate. My nerves also became weak, and I could do nothing but lie in bed in a languishing condition, losing strength and weight. In that condition I began using Dr. Chase's Nerve Food, and am cured. Had I not obtained this treatment I would now be in the hospital with my nose. At eighty-one I have an energy which means go, and I am writing this letter so that old people like myself may prolong their health and strength by using this great medicine."

Blood Weak—Nerves Exhausted

Miss Elsie Bancroft, Longwood, Ont., writes:—"A year ago I was very much run down in health. The blood seemed to be weak and the nerves very much exhausted. Having heard of Dr. Chase's Nerve Food and its success in curing cases similar to mine, I began to use it, and was very greatly benefited by continuation of this treatment. Two of my sisters also used this medicine, and found it to be a splendid means of building up the system."

"We have also used Dr. Chase's Syrup of Linseed and Turpentine with good results. One of my brothers had pneumonia twice, and we always use this medicine for him, as we find that it breaks up a cold the quickest and best of anything we can get."

Stomach Trouble—Fainting Spells

Mrs. A. A. Currie, ladies' tailress, Blufford, P.E.I., writes:—"I had stomach trouble and fainting spells, and the gas would form on my stomach, so that I would feel like smothering. Often I could not sleep at nights without being propped up in bed, as I couldn't get a breath. For about five years I was like that, and consulted four doctors, without being benefited. By using Dr. Chase's Nerve Food and Kidney-Liver Pills I have obtained the greatest benefits imaginable. No medicine I ever took did me so much good, and I want to recommend them."

Chorea—St. Vitus Dance

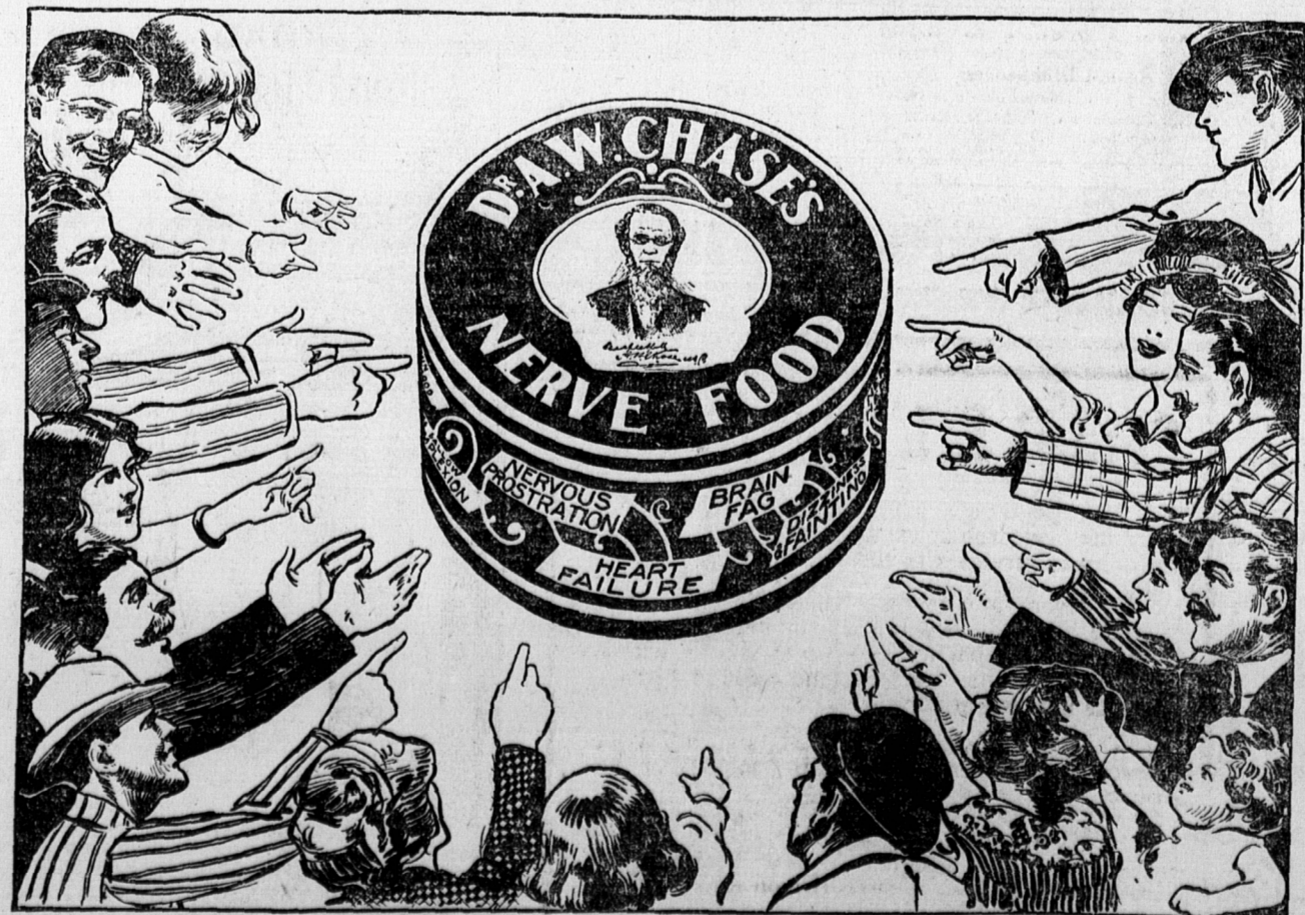

Mrs. Geo. Chisholm, R.R. No. 1, Grafton, Ont., writes:—"I have used Dr. Chase's Nerve Food for my little girl for what the doctors pronounced Chorea, a disease of the nerves. I consulted our family doctor, and he gave her a liquid medicine, but do what we would, we could not get her to swallow it. A neighbor advised the use of Dr. Chase's Nerve Food, and, being in pill form, she took it without any trouble. She was about seven years old, and got pale and run down. The muscles of the face were affected, and she became a pitiful sight. She seemed to improve right along under this treatment, and was entirely cured by using six boxes. She is nine years old now, and you cannot find a larger, healthier-looking child for her age. I shall always be grateful for what Dr. Chase's Nerve Food has done for us, and I can recommend it to all nervous people. You are at liberty to use this

Old and Young Pay Tribute

to the Great Restorative and Upbuilding Influence of

Dr. Chase's Nerve Food

From Ocean to Ocean Come Letters of Gratitude to Tell of the Benefits Derived From This Great Food Cure.

Cheering Messages to Nervous Sufferers

Throwing aside all prejudice, the real test of any medical treatment must after all be, "Will it Cure?" Apply this test to Dr. Chase's Nerve Food and you find the answer on this page from men and women who have no other object in writing these letters than the benefitting of their fellow men and women. From bitter experience they can sympathize with all who know how slow and tedious nervous diseases usually are, and how difficult it is to find a real cure. They are grateful for benefits received, and anxious that others may know about Dr. Chase's Nerve Food, the great food cure. Dr. Chase's Nerve Food is for sale at all dealers at 50 cents a box, 6 for \$2.50, or sent postpaid on receipt of price by Edmonson, Bates & Co., Limited, Toronto.

Chronic Indigestion Cured

Mrs. Herbert Arbuckle, Deschene, Que., writes:—"I had a bad attack of Chronic Indigestion after the birth of my baby, and though I went to three doctors they all failed to cure me. I read about a lady being cured by Dr. Chase's Nerve Food and began its use. It was only a short time until the trouble was over. I came, and I can eat anything I want now without ill effects. My weight now is 180 pounds, and I am writing this so other women may know of the Nerve Food and get well and strong."

Anaemia—Extreme Weakness

Mr. T. Hyndman, farmer, Rupert, Que., writes:—"I had been gradually failing in health for two years and had tried many remedies. Among others I used Dr. Chase's Kidney-Liver Pills, and found them doing me good. Some neighbors told me that the doctor said they were dangerous, so I quit their use and went to the doctor. Under his treatment I got so weak I was unable to raise my head from the pillow, and he told me that I had anaemia of the blood and that I should be better again, so I sent for another doctor, and he told me the same. I could not take their medicine and was continually vomiting, so I gave them up and said, 'Kill or cure, I will again try Dr. Chase's medicine.'"

"I used altogether fourteen boxes of Dr. Chase's Nerve Food and six boxes of Dr. Chase's Kidney-Liver Pills, and now I can work from 6 o'clock in the morning until 7 at night, and I can do any kind of a job it is. I honestly believe that I owe my life to Dr. Chase's Nerve Food and Pills, and I praise them everywhere I go. Many of the people here use them to keep the system in good condition and prevent disease."

Dizzy Spells—Peculiar Feelings

Mrs. T. P. Cullen, Fairview Farm, Sheperd, Alta., writes:—"My nervous system was so run down and exhausted that terrible dizzy spells would come over me, and I would have most peculiar feelings. Everything appeared as if it was falling on me, and caused me to jump after taking a few steps. While in this frightful nervous condition I heard of Dr. Chase's Nerve Food and began using it. This treatment built up my nervous system and completely cured me, and for this reason I am always glad to recommend it for the sake of those who suffer as I did."

Nerves Exhausted—Feared Future

Mrs. R. J. Billings, nurse, North Bay, Ont., writes:—"I am happy to be able to say that Dr. Chase's Nerve Food is fully worth all the praise given it. I have used Dr. Chase's Nerve Food for some time, and would not be without it in the house. I know that if it had not been for Dr. Chase's Nerve Food I would have been out of my mind. My nerves were so far gone that I had gloomy forebodings of the future, and feared the least reason I feel fine now, and do not lose an opportunity of recommending this treatment to my patients."

Nervous Breakdown—Sleeplessness

Mr. R. B. Hillman, Purbrook, Muskoka, Ont., writes:—"About four years ago I was all run down and could not work, and as to writing a letter, I could not do it on account of my hand shaking so badly. My nerves were unstrung and I was troubled with a nervous breakdown. I could not sleep soundly and would start up so suddenly as to almost jump out of bed. My kidneys were bad, too, and I had awful pains in the back all day. I doctored with my family doctor, but he did not seem to know what I needed. I was recommended to try Dr. Chase's Nerve Food, and could soon feel three nights after starting the use of the Nerve Food and Kidney-Liver Pills. It takes great pleasure in recommending these medicines, as I have proved that they do all that is claimed for them."
