LETTER OF SYMPATHY

To Brothers John McLean and son, D. A. McLean.

Dear brethren: As it has pleased our Heavenly Father in His all-wise providence to remove from your home circle your dearly beloved daughter and sister as she was about to bloom into womanhood, we do hereby convey to you the sincere sympathy of your brethren, the members of Tantalus, L. O. Lodge, No. 1126, and we sincerely trust that although our kindest words will not avail to heal your wounded hearts, you will be enabled to look for true comfort to Him Who said Peace I leave with you, My Peace I give unto you. We realize how hard it is to part with our loved ones, but while we mourn not as those without hope, we rejoice to know that by and by we will meet our loved ones where parting will be no more. Please convey to Mrs. McLean and other members of your family our true sympathy in their deep sorrow, and we trust that they may be enabled to look to their Heavenly Father for all needed consolation.

"This is the seventh time you've been before me," said the magistrate sternly.

"That so?" replied the culprit. "I do beat all how some folks hold on to office, don't it?"

THE GOOD OLD DAYS.

When we are told that a hundred years ago a dollar bought ten dozen eggs or three bushels of potatoes, we picture to ourselves a perfect state of society. Then we learn that the same dollar paid a man for two days' hard work on the farm, and we realize that the former generation had its own problems.—Youth's Companion.

What Four Great Writers Say of the Bible:

Its Wonderful Literary and Moral Value!

McAulay Says: "If everything else in our language should perish, the Bible would alone suffice to show the whole extent of its beauty and power."

Coleridge Says: "Intense study of the Bible will keep any writing from being vulgar in point of style."

When Walter Scott Lay Dying, he said to his son-in-law: "Lockhart, read me something from the Book." Lockhart asked, "What book?" Scott replied: "Why do you ask? There is but one Book—the Bible!"

John Richard Green Says: "As a mere literary monument the Bible remains the noblest language of the English tongue, while its perpetual use made it from the instant of its appearance, the standard of our language."
