The Co-Preachers in Covehead on Saturday baptized nine converts. The baptism took the form of immersion in the Covehead Bay and a Mr Snaddon officiated.

The Guardian was shown a fine trout caught by D. A. Bruce of this city yesterday in the brook quite near Gize station. It measured 15 inches in length and 10 inches in circumference.

A schooner in coming in to dock at the Railway wharf yesterday drove her jibboom through a freight shed. The shed was damaged to some extent and the schooner's rig, boom and tackle were badly damaged. She was laden with 700 tons of hard coal.

Mrs. Holloway, City, who was seriously injured in a fall recently, is doing as well as can be expected. Both Mr. and Mrs. Holloway express themselves as deeply indebted to the many citizens who so kindly sent flowers and other sincere expressions of sympathy.

The Minto arrived in port yesterday about noon. In approaching the dock the Minto came in contact with the stern of the Rosalind, lying at Peake's wharf. The result was the tearing away of some of the stern fittings of the Rosalind and a portion of the Minto's side railing.

The mail train arrived in this city last night at ten fifteen. She brought in a large number of passengers the greater number of whom consisted of returning holiday excursionists and fishing parties. Many excellent catches of trout were reported yesterday and but few came home with small catches.

A total eclipse of the moon took place late Monday night and continued until about three o'clock in the morning. The moon entered the shadow of the earth at 11:30 and was clearly visible there being a cloudless sky and perfect weather conditions. The moon left the shadow at three o'clock a. m. Thursday.

Thomas McNally, Webster's Corner, was the victim of a very painful mishap on Saturday last while in his launch on his way returning home after a trip to this city. Mr. McNally, accompanied by his brother, had brought a cargo down the river to this port on that morning and on their return trip he was working on the gasoline engine. He was cranking it up when in a moment the crank rebounded and struck Mr. McNally violently on the face. A large wound was opened up and on their arrival at their destination two doctors were called in to treat the patient. It required many stitches to close up the gash, and, from latest reports, it was learned that Mr. McNally was doing favorably.

A Bridgetown correspondent writes: The community is glad to see Andrew Miller out again after being confined to the house all winter by illness. The farmers are all very busy in getting in their seed, the land being in splendid condition. Nobody here neglected their business on account of the Comet.—Matthew & McLean & Co of Souris are collecting building material for the construction of a big starch factory to be built near the cheese factory, the like of which is not to be found this side of the Atlantic. Besides the manufacturing of starch the Company intends to produce alcohol, glucose and dextrine, and even the waste that is allowed to flow into the streams from other factories is to be made use of. No doubt the factory will prove to be a great benefit to this section of the country. Two large rafts of boards and shingles have just arrived from Amundale, the product of William Morrow's saw mill for the construction of the factory.

Neoma Toilet cream—a disappearing massage skin food for complexion, sunburn, gents after shave, etc. Sold at 50c. by E. A. Foster, successor to A. W. Heddin, Central Drugstore.

Oakley Baron

REGISTERED NO. 42948. RECORD 2:23 (4)

AN IDEAL SPECIMAN OF THE AMERICAN TROTTER. Handsome, Richly Bred and a Game Race Horse.

All agree that the Wilkes is the leading speed producing family of America. The number of performers in standard time sired by George Wilkes (2:22) and his sons, and produced by his daughters, is 3381. The nearest competitor, Electioneer has only 2040. The fastest in the Wilkes family are inbred, Oakley Baron (2:23) is an inbred Wilkes. He is a direct descendant on the male and female line of George Wilkes through three of his best sons, Baron Wilkes (2:18), Onward (2:25), and Bourbon Wilkes. He is a magnificent individual, has all the qualities required in a sire, soundness, size, speed and beauty. His progeny sell for highest prices. Almost impossible to buy one. Oakley Baron is without doubt the best bred and handsomest stallion on the Island. His early speed points to the fact that it is born with him. He will transmit it. At the Amherst Horse Show this spring, colts by Oakley Baron won first prizes in the two and three year old classes. His oldest colts are three this spring. Oakley Baron will make the season of 1910 at the owner's stable, 254 Kent St., opposite King Square. Service fee \$15.00 cash or note payable Nov. 1st. Usual return privileges.
