What Some Nova Scotia Bakers Say

about the success they have had with **Royal Household Flour**

The largest bakers in Eastern Canada, **Moirs, Limited, Halifax,** say:
In answer to your inquiry as to whether we could suggest any change that would be an improvement to "Royal Household," we emphatically answer "no." The great satisfaction we have had with your "Royal Household" this last nine months, using over 5,000 barrels in that time, has been an extreme pleasure to us. We are using this flour mostly for bread, also using nothing else for our pastry, for which we have a very large sale.
(Signed)
MOIRS, LIMITED,
Halifax, Sept. 2.

The oldest bakers in Dartmouth, say:
"Royal Household" flour is as near to perfection in the results obtained as it is possible for any flour to be. In the history of our baking business, now established for half a century, we have never had anything to equal it.
(Signed)
JOSEPH H. GENTLES,
Dartmouth, N. S., Sept. 15th, 1904.

The leading Baker in Annapolis says:
This is to certify that I have used considerable quantities of "Royal Household" flour during the present year and find it to be a good article indeed; suitable for family purpose in all the requirements of bread, biscuits and pastry. I regard it as equal to any flour on the market. It is the best hard wheat flour for pastry that I have ever used.

WINNEPEG SWEPT BY A GREAT BLAZE

Loss is Estimated at \$700,000 and Many Large Establishments Destroyed by Flames.

WINNEPEG, Oct. 12.—Tens of thousands of business offices, the great Northwest Hotel, the Opera House, and the Dufferin block adjoining Bull Run block, are all partly damaged.
The chief sufferers in these blocks are the Sater Shoe Company, the Granby Music Company, Calbers, photographic supplies, Davies' stationery, sock and Connolly's drugstore. Rialto block was saved after a hard fight. The fire had such a start that anything that could be done was but of little avail. Electric light and power services are all cut off owing to the fire and all newspaper offices were in darkness till midnight. The Free Press office in the rear of the Bull Run block escaped injury. The loss is estimated at over \$800,000 of which the Ashdown company will lose \$570,000.

NEW ACCEPTATION OF THE PICTURE HAT.

The shaded velvets are among the choicest novelties in the autumn millinery, and a charming example is seen in this novel and picturesque shape. Somewhat on the flat order, there is but a very shallow headpiece, a sort of a Tam O'Shanter effect in the velvet shaded from a pale fawn to a rich amethyst. The under rim is shirred in plain velvet of the deepest shade and appliques in an ecrû tint, make for color relief. The wide bandeau gives the hat a very jaunty tilt at the left side, and this is covered with a twist and a chou in lilac, too. From the centre of the crown two long plumes in the pale colorings start, the thick and heavy tips curling under the brim and falling on the hair in the back.

Pan a Nail Through His Hand.
While opening a box, J. C. Mount, of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of all the pain and soreness this would cause me," he says, "and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise it removed all pain and soreness and the injured parts were soon healed." For sale by all druggists.

CONVENTION AT NORTH RIVER

The District Convention of the South West Queens S. S. Association met in the Baptist Church at North River Monday afternoon and evening Oct 3rd.
The following schools were represented: Clyde River and West River (Presbyterian), Cornwall (Methodist), North River and Kingston (Baptist) and Appin Road (Union).
The reports from the schools showed that an intense interest was taken in the great work.
The Field Secretary, Rev. A. D. Archibald was present and assisted greatly towards the success of the convention. An address was given by Rev. M. H. McIntosh, subj. "How to make the convention most helpful." A short discussion took place; some favoured a two days' Institute dealing principally with actual instruction in teaching. It was finally decided to hold a convention having three sessions in one day.
After the appointment of the financial and nominating committees, the session was brought to a close by singing.
At the evening meeting the audience filled the church. The choir added to the pleasure of the meeting by giving several selections.
After devotional exercises by Mr. Bain the following officers were appointed.
Pres.—A. A. McNeill.
Vice Pres.—Mr. Bain.
Sec'y Treas.—Blanche E. Hyde.
Additional members of the Executive—Revs. Wm. Harrison and M. H. McIntosh.
An address "The child for Christ" was given by Mr. Archibald, after which a solo, "The Choir Boy" was given by Miss Hinton of Summerside.
Rev. Wm. Harrison, of Cornwall spoke to us for the first time in our conversation. He took for his subject "The church of the future in the S. S. of the present."
A reading was given by Mrs. Wm. Crosby, after which the Convention was brought to a close by singing and benediction.
It was not decided where our next convention would be held. B. E. H.

The Kidneys ARE Delicate.

EASILY AFFECTED BY CHANGES OF TEMPERATURE.
DR. CHASE'S KIDNEY-LIVER PILLS

Not even are the lungs more susceptible to the effect of cold drafts, of overheating, of dampness or cold than the kidneys.
This accounts for workmen so frequently becoming victims of painful and deadly kidney diseases.
Pains in the back are usually the first note of warning. Then there is frequent and painful or smarting urination, headache and derangements of the digestive system and bowels.
IF YOU WOULD PREVENT BRIGHT'S DISEASE AND OTHER DEADLY FORMS OF KIDNEY DISEASE YOU MUST ACT QUICKLY.
To be certain of immediately arresting disease and bringing about thorough cure, you must use Dr. Chase's Kidney-Liver Pills, which have so many times proven their superiority as a treatment for the most serious diseases of the kidneys.
By acting on the liver and bowels as well as on the kidneys, Dr. Chase's Kidney-Liver Pills effect a thorough cleansing of the whole filtering and excretory systems and entirely rid the body of all poisonous waste matter.
MR. ELLIS GALLANT, Paquetville, N. B., writes:—"About four months ago I found my condition so serious that I had to leave work. I could not sleep, my appetite was very poor and my kidneys were so affected that I could hardly walk on account of back-ache.
"I resolved to try Dr. Chase's Kidney-Liver Pills and Backache Powder. After three weeks' time, I am glad to say, I was able to resume work and now feel as well as I ever did. I therefore say that Dr. Chase's remedies are excellent family medicines."
Dr. Chase's Kidney-Liver Pills are so thorough and far-reaching in their influence on the kidneys as to thoroughly cure the most serious disease. One pill a dose, 25 cents a box, at all dealers, or Edmondson, Bates & Co., Toronto. The portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.

I had a \$1000 policy in— Life, (one of the big American companies,) which I have decided to drop after paying three premiums and take out a \$2000 policy in the Crown Life, for two reasons:

- "1st—I believe the Crown Life a better and cheaper policy, giving equal and perhaps better results, and
- "2nd—I am a British Canadian and believe in your motto: "Keep Your Money in Canada."
