—KINDLY REMEMBERED.—On Thursday evening a very enjoyable gathering of the Baptist Church Choir, Summerside, was held at the home of Dr. and Mrs. John Mac-

Neil The evening was very pleasantly spent with games and music. The outstanding feature of the evening was the presentation to Choir director, J. Pogson, Principal of the Summerside Business College, of a gift of money, in appreciation of the splendid services rendered by him since coming to Summerside, in training and directing the choir. The presentation was prefaced by a complimentary address by Pastor Herman, followed by remarks from others, present. Mr. Pogson who was taken completely unawares, expressed his surprise and grateful appreciation of this thoughtful act, speaking on behalf of Mrs. Pogson as well as himself.—S

—A TRIBUTE.—Mr. Watson F. Clark in writing to the Oakland Maple Leaf says: "I was pained to read in Summerside papers of the death of an esteemed old friend, Mrs. Philip Deegan. Through her passing Summerside has lost one of its grand old ladies. Her pleasant smile was always in evidence with her kind greetings. She will be mourned by all who had the pleasure of knowing her. She will be missed from her place in St. Paul's R. C. Church, where for many years she was a faithful worshipper and worker. "She is gone but not forgotten." With her family I sympathize in their loss of a loving and devoted mother. How sad it is to realize that our friends of years ago are passing one by one to the Great Beyond."

—PLEASANTLY ENTERTAINED.—The Misses Sybil and Eileen Poole and Miss Jean MacLeod of Montague students at Mt. Allison Ladies College Sackville, spent their Easter holidays in Petticoedac the guests of the Misses Poole's sister, Mrs. Schurman. While in Petticoedac, a dance was given in their honor, in the Town Hall, where about one hundred invited guests were present. After dancing had been indulged in, until a late hour, a sumptuous repast was then served by the hostess, and after the singing of "Auld Lang Syne" and other favorites, all attended their way home well pleased with the evening they had spent.

*A PUNISHABLE OFFENCE

A party from Georgetown appeared before Justice of the Peace Cheverie, of Souris, on the 25th instant to answer to a charge of having used explosives for the purpose of killing trout in Brudenell River. Six witnesses were examined, but there was nothing in the evidence to prove that the defendant was guilty. The case was dismissed. The above has reference to a violation of the Fisheries Regulations which took place at Brudenell River on the night of April 2nd. On April 3rd some anglers fishing below the dam at

Dewar's Mill noticed a large quantity of dead trout in the Stream. No doubt the fish were killed by means of chemicals.
