

Personal Influence A Marvelous Power in Business and Society

The Rev. James Stanley Wentz writes eulogistic letter to discoverer of new remarkable system for developing the mental powers, controlling thought and actions of others, curing disease without drugs and reading the secret desires of people though thousands of miles away.

British and American Physicians Unite in Endorsing Extraordinary Method.

WONDERFUL BOOK DESCRIBING THIS STRANGE FORCE AND A CHARACTER DECLINATION POST FREE TO ALL WHO WRITE AT ONCE.

The National Institute of Sciences of London, England, has appropriated \$25,000 toward a fund for the free distribution of Prof. Knowles' new book, "The Key to the Development of the Inner Forces." The book lays bare many astounding facts concerning the practices of Eastern Yogis, and explains a wonderfully simple system for the development of Personal Magnetism, Hypnotic and Telepathic Powers, and the curing of diseases and habits without drugs. The subject of practical character reading is also extensively dealt with and the author describes a simple method of accurately reading the secret thoughts and desires of others thousands of miles away. The almost endless stream of letters requesting copies of the book and character delineations indicate clearly the universal interest in Psychological and Occult Sciences.

The Rev. James Stanley Wentz, says: "No one can give the system a careful perusal without becoming satisfied that in giving this knowledge to the world Prof. Knowles is actuated by the earnest desire to uplift and benefit mankind. I heartily recommend this course to all who desire to develop and cultivate their inner forces."

A Leading London Physician, Dr. R. N. Pickering, M. R. C. S., L.R.C. P., L. S. A., in a letter to Prof. Knowles, says: "I consider your system the most complete and accurate literature upon the subject. You have treated the science with much ability."

A Prominent American Physician, A. W. Fisher, M. D., Ph. D., M. E., Principal of the Douglas Institute, writes: "Your system is very useful to me in my practice."

That Prof. Knowles' system is exciting the interest of the brightest intellect of the present day is clearly shown by the scores of recommendations, among which the following from representative British publications, the clergy and the medical profession are striking examples: "The Christian Age," "Professor Knowles' System has cured disease, corrected bad habits, strengthened memory, and proved highly beneficial in the cultivation of personality and Personal Influence."

The London Weekly Times: "Professor Elmer E. Knowles' Complete System of Personal Influence and Healing provides the embryo enthusiast with just such knowledge as could be adapted to his own personal circumstances and inclinations."

The London Mail: "Professor Knowles' system embraces a great deal of erudition in a form which can be readily grasped by all who have the ability to read and understand simple prose. No better help towards success in life could be desired."

Modern Society: "No modern investigator along psychological lines has received so large an amount of praise as that accorded to Professor Elmer E. Knowles for his marvellous System of Personal Influence and Healing. Here at last is a man who is at once a great scholar, a born teacher and a practical helper—for the instruction papers reveal a nature which is sympathetic and of good fellowship for an ambitious, yet largely misguided population."

Prof. Elmer E. Knowles of Author the new book "The Key to the Development of the Inner Forces," therefore undertakes the somewhat arduous task of distributing broadcast, without regard for class or creed, the information heretofore possessed by the few. In addition to supplying the books free, each person who writes at once will also receive a character delineation of from 400 to 500 words as prepared by Prof. Knowles.

If you wish a copy of Prof. Knowles' book and a Character Delineation, simply copy the following verse in your own handwriting:—

"I want power of mind,
Force and strength in my look,
Please read my character,
And send me your book."

Also send your full name and address (state whether Mr., Mrs., or Miss) write plainly, and address your letters to:—

David Christy, Westminister church, Winnipeg, and Rev. Chas. Bieler, Presbyterian College, Montreal. Rev. Mr. Fullerton was introduced by Rev. George Miller of Alberton who, in a very appropriate address stated that Mr. Fullerton enjoyed the confidence and love of his congregation, and the general respect of the community. He also referred to his ability as a preacher and to his exceptionally valuable work in the Presbytery of Prince Edward Island. The degrees were conferred by Rev. Dr. McKinnon. Dr. Fullerton, being the only honored doctor present, spoke a few words, thanking the college, of which he felt he now was a part, and taking the liberty of doing the same for the honored absentees. Many warm congratulations were extended to Dr. Fullerton by friends in Halifax and the general opinion expressed that the degree was worthy conferred.

A marriage of interest to a very wide circle of friends in this city was solemnized in St. Andrew's Church at 1.15 o'clock yesterday afternoon, says a Vancouver exchange, when Miss Jean Rochester, eldest daughter of Mr. and Mrs. J. Y. Rochester, was married to Mr. Francis James Bayfield, son of Mr. and Mrs. Edward Bayfield of Charlottetown, P. E. I., the ceremony being performed by Rev. R. J. Wilson. The front of the church was banked with palms and the "Bridal Chorus" as the party came up the aisle and during the ceremony. The bride, who was given away by her father, wore a graceful traveling costume of grey serge, with collar and cuffs of rare Assyrian thread lace, made in Nazareth, the gift of a friend. With it she wore a small hat of grey straw, faced with silk, and trimmed with grey satin, and small French flowers. A ruff of pale pink marabout, completed the smart costume. She wore a corsage bouquet of pink roses and violets, and carried a chased silver card case. Her bridesmaid, Miss Eva Mather, wore a gown of blue and white brocade and an emerald collar. She wore a large hat of blue straw, trimmed with pink roses and a shower bouquet of pink roses. Mr. J. H. Sweet was the groomsmen. Mrs. Rochester, the bride's mother, wore an elegant gown of black crepe de chine. The bridesmaids were made with a yoke of fine white lace, and the skirt opened at one side over a petticoat of white satin. Her hat of black straw was trimmed with plumes, held in place in front by lavender satin roses. Mrs. Beverley Brown, the bride's sister, wore a fashionable gown of cream cloth, with white ruff, and a Tuscan hat, trimmed in black. Mrs. Bayfield, the groom's mother, wore a black satin toilette with a hat of blue and black make, trimmed with flowers. Miss Bayfield wore a lovely picture of blue silk with a white picture, trimmed with blue maline and pink roses. Immediately after the ceremony Mr. and Mrs. Bayfield left by boat for Victoria, where they will sail to-day by the Marama for Honolulu. After spending about two weeks in the South they will return to reside in their pretty new home on Thirteenth Avenue, Fairview.
