Barkeley Bernard Bennet and Arthur Newton Arraigned.

LONDON, April 2 (Special)—Arthur Newton, a solicitor, and Berkeley Bernard Bennet, a land agent, who are charged with conspiring with a "Count" Andor Festetics, who is not in custody, to obtain \$115,000 by false pretences from Dr. Hans Thorsch, reappeared in Bow Street today.

Another selection of chapters from the diary of Abdul Hamid, appears in The Review Nord and Sud giving his views on women. The ex-Sultan of Turkey says: "The countless divorces and scandals in Europe and America show that many men in those countries, incline to polygamy. The west has an entire misapprehension regarding the position of woman in Turkey. Even though woman is fortunately debarr'd from taking a part in Turkish public life, and is compelled to leave everything to men she at any rate is an autocrat at home. As I observe the stern imperious facts regarding western women a comparison with them easily favors our own. Why do the people of the west sacrifice our women? Which is more Oriental woman or the European? In Turkey woman belongs to her home, belongs to a man alone; in Europe she has too many liberties to remain womanly. If only half one reads in the newspapers and books about western women be true then the lot of the men there must be truly lamentable."

How to Have the Best Cough Syrup and Save \$2, by Making It at Home.

Cough medicines, as a rule, contain a large quantity of plain sugar. If you take two cups of granulated sugar, add one cup of warm water and stir about 2 minutes, you have as good syrup as any could buy. If you will then put 2 1/2 ounces of Pinex (50 cents worth) in a 16-ounce bottle, and fill it up with the Sugar Syrup, you will have as much cough syrup as you could buy ready made for \$2.50. It keeps perfectly in this formula. Any housewife can easily prepare it in five minutes. And you will find it the best cough syrup you ever used—even in whooping cough. You can feel it take hold—usually it stops the most severe cough in 24 hours. It is just laxative enough, has a good tonic effect, and taste is pleasant. Take a teaspoonful every one, two or three hours. It is a splendid remedy, too, for whooping cough, croup, hoarseness, asthma, chest pains, etc. Pinex is the most valuable concentrated compound of Norway white pine extract, rich in guaiacol and all the healing pine elements. No other preparation will work in this formula. This recipe for making cough remedy with Pinex and Sugar Syrup is now used in the United States and Canada. The plan has often been imitated, but never successfully. A guaranty of absolute satisfaction or money promptly refunded goes with this recipe, if the genuine Pinex is used. Your druggist has Pinex, or will get it for you, if you ask him. If not, send to The Pinex Co., Toronto, Ont.

DOES THIS SOLVE JOHN ORTH MYETERY?

A curious story reached London from Buenos Ayres of a traveller who thinks he has discovered alive John Orth, otherwise the Archduke John Salvator of Austria.

HAD A DREADFUL COUGH FOR OVER SIX MONTHS.

Thought It Would Turn Into Consumption. Miss Jane Dousette, Point a la Garde, Que., writes: "Just a few lines of praise I must write on account of your famous remedy, Dr. Wood's Norway Pine Syrup. I had been suffering from a dreadful cough, for over six months, and tried everything, but in vain. I thought it was going to turn into consumption. A friend happened to come to my house, and was so frightened when he saw me he nearly dropped. He asked me what I was taking, so I showed him some medicine I had, but he said for me to try Dr. Wood's Norway Pine Syrup. I bought a bottle and before it was finished I was well, and did not cough a bit. I will recommend your medicine to every suffering friend, for I know it will do good to them just the same as it did me."

A Good Buy for small investors

The Trinidad Electric Company (with head office at Halifax) owns the modern electric lighting and railways plant operating in Port of Spain, Trinidad, and its environs. The Company also owns the newly-installed artificial ice plant in this enterprising city of over 60,000 people.

Net earnings for 1912, as shown by the annual report recently issued, were \$72,591.76 after payment of bond interest. From this the regular 5 p.c. dividend on the stock was declared. The Company's finances are in excellent shape, a total surplus of \$108,543.13 having been carried forward.

The par value of the stock is \$4.80 a share, and dividends at the rate of 5 p.c. have been paid on this CONTINUOUSLY FOR THE PAST EIGHT YEARS. At the price we quote of \$3.80 a share for a small lot of the stock, the investment yields the attractive return of 6.85 p.c.
