—DEATH OF MRS. EVANGELINE AULD FRASER—There passed peacefully away to her eternal rest on Thursday in the Prince County Hospital, Mrs. Evangeline Auld Fraser, widow of the late Mr. Allan Fraser of North Bedouque, at the age of 77 years. The deceased had been ailing for about a year but was only seriously ill for one week. Mrs. Fraser was born in Cove Head but removed with her parents, the late Mr. and Mrs. Edward Auld, to Lot 16 when a young girl. For some time after her marriage she continued to live in Lot 16. Twenty-five years ago her first husband bought a farm property in North Bedouque where they lived until his death some sixteen years ago. Their only son, Ira, remained on the home stead with his mother. Mrs. Fraser was a quiet unassuming woman, beloved by all who knew her. She was of a very charitable disposition and always to the fore when help was needed. To know her was to love her. She will always be kindly remembered by a host of friends in Lot 16, North Bedouque and many other parts of the Province. Most of her family are in Western Canada and Mrs. Fraser had the pleasure of visiting them quite recently. There are left to mourn, one son, Ira on the homestead and the following daughters: Edith, Mrs. George Riley, Santa Ana, Calif.; Sadie, Mrs. John McMurdo, Winnipeg; Olive, Mrs. Harry Lee, Summerside; Addie, Mrs. James Burns, Calgary, Alberta; Flossie, Mrs. Ernest Inman, Belmont, Lot 16; Marion, Mrs. Harry Mills, New Annan; Daisy, Mrs. Leslie Gardener, Wetaspawan, N. Calgary, Alberta; also four brothers, James Auld, Gary, Indiana; Duncan Auld, Roswell, New Mexico; Murry Auld, Colorado; and William of Freetown, P. E. I.; two sisters, Mrs. Charles Hayes, Indiana and Mrs. Richard Simmons, Freetown, P. E. I., to all of whom the sympathy of the community is extended.—S.

—Mr. Colin Stewart, of Summerside, left last week to join his wife in Moncton, where she was attending the United Baptist Church Convention.—S.

—Mr. and Mrs. Jodrey and daughter, Miss Helen, have returned to their home in Somerville, Mass., after a very enjoyable visit to the Garden Province. They were the guests of Mr. Earl Thompson of Campbellton.—S.

—TRAVELLING DENTIST
SHANGHAI, August 31.—The Japanese traveling dentist has become a permanent institution in Shanghai. Like his brother in Japan, the itinerant puller of teeth is making money, and he has become so firmly established that many people suffering from a toothache prefer to wait until he makes his regular rounds rather than visit a dentist in his office. This venture in mobile dentistry is only a recent innovation in Shanghai although it has been an established practice among dentists in Japan for years.

Here the procedure is very much the same as it is in the land of cherry blossoms. The dentist travels in a motor-truck, usually a dilapidated contraption but still capable of getting about under its own power. He travels his territory much the same as a shoe drummer or tobacco salesman and he can be expected to put in his appearance once a week or if his route is rather long, every two weeks. Once the word has been passed about the dentist and his motorized clinic are in the neighborhood, he can depend on reaping a good harvest, no matter how poor his qualifications as a dentist may happen to be.

Many patronize him just for the sake of satisfying their curiosity. The poor give him a trial because his charges are much less than those of a dentist who has an office to keep up. The Japanese traveling dentist's equipment is generally as ancient as his truck. The rear end of the machine is fitted up as an office but everything in it appears as though it might have been purchased at an auction years ago. Yet it works.
