

Bruins Tied With Leafs After Earning A Draw With Detroit Red Wings

N. J. Anderson Heads Island Curling Assoc.

Inspector N. J. Anderson of the Charlottetown Curling Club last night was elected president of the Prince Edward Island Curling Association at the annual meeting of that body held in the Winchester Banquet Hall of the local Club. Secretary is H. R. Carruthers of the Charlottetown Club while vice presidents comprise the four presidents of the Island curling clubs at Charlottetown, Summerside, Montague and Alberton, all of which had representatives present last night.

Chief Justice Thane A. Campbell has an up to date report on preparations for the coming Open Confederation Bantam while P. W. Turner, W. R. McNeill and Col. D. Stewart reported on finances, dance arrangements and program respectively in connection with the same event.

Plans for the bantam were fully discussed by those present during the course of the meeting.

Caledonia Wins Cape Breton Rugby Title

(By The Canadian Press)
GLACE BAY, N. S., Nov. 6.—Caledonia, holders of the McCurdy and Maclellan Cups emblematic of English rugby supremacy in the Maritime and Eastern Canada, won the Cape Breton senior championship today when they defeated No. 11, 6-2 in the second game of a best-of-three series. Caledonia won the first game Saturday 11-0.

By their victory they qualified to meet Acadia University, Halifax league champions here Saturday for the provincial title. Caledonia today switched from the old 15-man lineup to the new Rugby Union's 13-man team but lost no power in the transition.

DETROIT, Nov. 6.—(AP)—Coming from behind today to deadlock the score, Boston Bruins climbed into a tie with Toronto for the National Hockey League lead tonight by playing their fifth draw of the season, a 3-3 standoff with the last place Detroit Red Wings.

Detroit's smallest hockey crowd of the year—11,368 fans—saw ex-Detroit Joe Carveth score his first goal since he was traded to Boston and it was Carveth's third period rally of a tip-in of Murray Henderson's long shot that brought the Bruins to the tie.

Billy Taylor, Detroit centre and the league's leading scorer, pushed in a short shot two minutes after the game opened and Ted Lindsay, Detroit left wing, hooked the puck into the corner of the Boston net 12 minutes later to put the Red Wings ahead to a 2-0 lead.

Boston spent most of the night catching up in a penalty-free game.

Taylor's two goals stretched his league-leading point total to 14 points on five goals and nine assists, five points more than Roy Conacher, his Detroit rival.

The Red Wings gave Frankie Brimsek 34 saves in the Boston nets, exactly twice as many as Harry Lumley had to stop in the Detroit goal.

Summary
First Period
1—Detroit, Taylor (Conacher, Howe) 2:14.
2—Detroit, Lindsay (Lundy, Brimseau) 14:01.
3—Boston, Dumart (Schmidt, Bauer) 14:43.
Penalties: None.

Second Period
4—Boston, Guidolin (Cowley, Carveth) 12:17.
5—Detroit, Taylor (Brown) 18:21.
Penalties: None.

Third Period
6—Boston, Carveth (Henderson, Cowley) 3:48.
Penalties: None.

Robinson Kayos Levine In Last Round

CLEVELAND, Nov. 6.—(AP)—Sugar Ray Robinson dug himself out of the canvas after a fifth round, nine-count knockdown tonight to knock out heavy hitting Artie Levine of Brooklyn in 241 of the last round of a scheduled 10-rounder tonight before 12,102 fans who paid \$83,171.98.

Robinson weighed 150, Levine 159 1-4.

Robinson had an edge over the Brooklyn Bomber for the first nine rounds, despite the fifth round when he dived into the canvas after being clipped with a left hook while pinned in his own corner.

The knockout, which came with startling suddenness as Levine was staging a last round rally, ended Artie's five knockout victory string in the local arena.

In the 10th, as he slugged toe to toe, Robinson sunk his left into Levine's midriff, and Artie sagged against the ropes, Robinson battering him into helplessness as he hung onto the top strand and refused to go down. He was counted out while seated on the lower rope.

NOVEMBER 7, 1946 THE CHARLOTTETOWN GUARDIAN PAGE SEVEN

Charlottetown hockeyists are already proving their worth with Moncton Hawks and in the two games played to date, Trainer Whitlock and Steel have had a hand in no less than seven of the nine goals the squad has scored. A pretty fair average, we would say, and happy here will attend a dinner which Eddie today called "a thrilling climax" to his first year as card mentor.

Trainer is the leading point getter of the team, having four to his credit with Whitlock accounting for two and Steel one. Other Island players on the squad, Moushey Dowling, has yet to break into the scoring column, but always a slow starter, Moushey will make his weight felt as the season progresses and will likely be right up there with the league leaders when final tabulations are released.

Eddie Dyer Day In Houston Tops Year Of Honor For Cards Pilot

HOUSTON, Tex., Nov. 6.—(AP)—Houston tomorrow will place verbal laurels on the brow of its favorite athletic son, Eddie Dyer, to climax the 46-year-old St. Louis Cardinal manager's most glorious year in sports.

The two pitchers entered the Rice Institute against Lyons, who was on the Baylor mound.

Some 600 Texans, baseball cronies and other friends of the manager, happy here will attend a dinner which Eddie today called "a thrilling climax" to his first year as card mentor.

Will Boost Juvenile And Midget Hockey

Juvenile and Midget hockey will function on a larger scale than ever before in the city, it was indicated at a meeting held last night at the office of the Director of Physical Fitness.

Tentative plans call for a three team league in each of the classes. In the juvenile class will be the Rovers, Abbies and Klaxmen, while the Midgets will have a Legion entry, Canadians and possibly a team sponsored by the Knott's Niners Club.

Bantam and pee-wee teams will also be active and considerable discussion brought out the fact that the proposed junior hockey leagues already prepared to take the ice.

The meeting was presided over by Lieut.-Col. W. W. Reid, who outlined a program for the development of any sports which might be co-incident and tie-in with the work of the Department of Physical Fitness.

Reid announced that 20 hours a week had been procured at the Forum for the benefit of pupils in the city schools.

Outdoor rinks this season would be limited to King Square, Connaught Square and possibly Spring Park.

Walter Lawlor, vice-president of the M. A. H., attended the meeting and spoke briefly on registration of players, age limits and other pertinent factors in running of the proposed junior hockey leagues. A committee consisting of Mr. J. P. McCallum, Jr., Major A. W. Rogers and Mr. Gordon Drillon was appointed as a governing body to handle any disputes which might arise during the season.

Among those attending the meeting were: Lieut.-Col. L. T. Lowther, Freeman Archer, Dr. J. Duffy, Bill Bevan, Sam Doyle, Bill Boyle, "Buck" White, Gordon Storey, J. McCallum, and Jack Williams.

HOCKEY RULES
(Continued)
Rule 49.—Deliberate Injury of Opponents
(a) A match penalty shall be imposed on a player who deliberately injures an opponent. This rule is to be applied only when the referee is satisfied that the offence was deliberate and the injury serious. Referees should not hesitate to impose these penalties if deserved; but should not impose them lightly. The referee must decide (with the assistance of a doctor, if one is present) that the injured player "cannot continue playing the game" and once the match penalty is imposed the injured player cannot re-enter the game.
(b) A match penalty shall be imposed on any player who deliberately injures an opponent so severely by cross-checking, shoving, charging, butt-ending, body-checking or throwing an opponent into the goal nets, goal frames or any part thereof, that he cannot continue playing in the game.
(c) In addition to the match penalty, the referee shall report to the President any player who deliberately injures an opponent in any manner.
(Note) Before applying this penalty the referee must consult the coach or manager and be assured that the injured player shall not return to the game.
(d) No substitute shall be permitted to take the place of the penalized player until twenty minutes of actual playing time shall have elapsed, from the time the penalty was imposed.
Rule 50.—Deliberately Shooting Puck Out of Rink
(a) A minor penalty shall be imposed on any player who deliberately injures an opponent by shooting, batting or throwing the puck outside the playing surface of the rink.
Rule 51.—Elbowing
A minor penalty shall be imposed on any player who uses his elbow in such manner as to injure in any way an opponent.
Rule 52.—Face-Offs
(a) The puck shall be "faced" by the referee or linesman dropping the puck on the ice between the sticks of the players facing each other. Players taking the face-off will stand squarely facing their opponents' end of the rink, approximately one stick length apart, and with the full blades of their sticks on the ice. No other player shall be allowed to come within ten feet of the players facing the puck and must stand outside in all face-offs. The stick of each defending player must be on the ice and entirely on the same side of the spot or place where the puck is to be dropped as his own. No interference whatever shall be allowed before the puck has reached the ice.
(b) If a violation of this rule occurs, the Referee or Linesman shall re-face the puck.
(c) A second violation of the same face-off by players of the same team, shall be penalized with a minor penalty to the player who has violated the rule.
(d) If because of any violation of the rules by the attacking side, their attacking zone, the play is stopped, the puck shall be placed in the neutral zone at the face-off spot nearest where the play was stopped.
(e) When a foul occurs behind the goal line the puck shall be placed at the end face-off spot, on the side where the foul occurred.
(f) No face-off shall be made within fifteen feet of the goals or the side boards.
(g) When the game shall be stopped for any reason not specifically covered in the rules, the puck must be faced where it was last played.

Football Is Direct Cause Of 13 Deaths

(By The Associated Press)
LAFAYETTE, La., Nov. 6.—Football has been the direct cause of 13 deaths in the United States this fall, with two in college games, Dr. Floyd R. Eastwood of Furde University said today in a preliminary mid-season report.

Only twice in the last five years has there been deaths on collegiate squads.

Of the other 13 fatalities this year, two were on sandlots, two on athletic club teams and nine in high schools.

The greatest number of football deaths since Dr. Eastwood began the reports in 1931, was in that year when 49 players were injured fatally.

Crescents Beat Services In Overtime 7-6

HALIFAX, Nov. 6.—(CP)—Halifax Crescents took over leadership in the Maritime Senior Hockey League tonight by defeating United Services 7-6 after overtime.

The result of the opening match of the Big Five in Halifax left Moncton Hawks and Saint John Beavers in second place with a win and a loss each. The fifth entry, Truro Beavers, will get into action on Friday night.

A crowd of 3,683 watched as Mayor J. E. Aherm, assisted by circuit judge J. Elliott Hudson, opened the Halifax end of the loop.

Spike Larabee's goal gave Crescents the victory after three periods and 10 minutes of overtime.

Despite a four-goal performance by Vic Jackson, North Bay, Ont., member of last year's provincial championship Halifax Navy squad, the Services were unable to pull the game from the fire.

The uniformed men took a big 4-1 lead in the first period but the civilians snapped out of their ragged play midway through the second, silencing the lead to 5-4.

Crescents squared the game in the final minutes of the third period when Jimmie Gray connected for a goal on a pass from Larabee.

Early in the overtime, Stanope started Les Wade off on a long rush. Wade carried in close and then passed to Larabee who rammed home a hot shot past McLean to decide the issue.

Both teams were tired at the finish and for a while it looked as though Services were about to spring a surprise; but they failed to withstand Crescents' final assault.

Black Hawks Win Over Rangers 6-2 To Advance Into Tie For Third Place

CHICAGO, Nov. 6.—(CP)—Aggressive hockey which produced at least one goal in each period tonight gave Chicago Black Hawks a 6-2 victory over New York Rangers in a National League game before 16,504 persons.

The Hawks, in winning their third game of the season, pulled out of the league cellar and into a tie with New Yorkers for third place.

New York tallied first on a goal by Bryan Hextall at 4:41 of the first period. The Hawks tied it up 10 seconds later, however, and from there on were never headed. The Chicagoans counted three times in the first period, once in the second period and twice in the final frame.

The Hawk "Pony Line" of Max and Doug Bentley and Bill Morsink—top scoring trio of the league last year—sparked the Chicago attack, each member getting one goal. The Bentleys each drew an assist.

Grads Capture Second Victory

HALIFAX, Nov. 6.—(CP)—St. Mary's Grads defeated Stadscon 2-1 today, their second victory in a series of two Canadian football exhibition matches. Grads won the first game 13-0.

Both St. Mary's points were scored by Dugger MacNeill, who last spring captained St. Mary's hockeyists, winners of the Maritime junior championship.

Summary
First Period
1—New York, Hextall (Watson, Pike) 4:41.
2—Chicago, M. Bentley (Marsch) 5:01.
