First of the new fall fabrics

ESTER-DAY we opened a great shipment of beautiful new fabrics for autumn wear, to-day they are on our shelves awaiting your call.

As you are aware, the favourites for this fall promise to be plain fabrics in many colours, and soft rich ombre checks in tweed and broadcloth weaves. These lines as well as many others are shown today in generous range and with the usual moderation of price that is making this the leading dress goods department of Charlottetown.

A Few of the New Lines

A very handsome range of all wool pile finish venetians 45 inches wide in black browns, navies, greens and wines. \$110. A particularly handsome French broadcloth which absolutely will not spot or shrink drapes beautifully. 56 inches wide, black and navy only. \$2.30. Our famous 'MONARCH' broadcloth a lustrous silky weave 56 inches wide, navy, wine, olive, myrtle, garnet, black. \$1.75.
