

What! Another dizzy spell?

"Vertigo" the doctors call it. You naturally fear it is brain trouble, nervous prostration, heart disease.

But your doctor will tell you it is your liver. A sluggish liver means a poor circulation, a congested brain, a disordered stomach, constipated bowels.

Ayer's Pills are liver pills. They act directly on the liver. You will need only one each night for a few nights. Your indigestion and biliousness will quickly disappear.

Made by the J. C. Ayer Co., Lowell, Mass. Also manufacturers of

Don't forget the Rainbow Fair and Muffin Tea in St. Peter's Schoolroom to-day.

The young people of St. James' Church are busily engaged each evening with preparations for decorating the church for Christmas.

The many friends of James Godfrey engineer of the S. S. Princess, will be pleased to hear that he is recovering after his recent serious illness.

A. A. Gillis of Providence, R. I., arrived in the city Monday on a three weeks visit to relatives in different parts of the Island.

Rev. JOHN GOLDSMITH, says an exchange last week shipped from Harcourt, Kent County, two carloads of farm stock, machinery etc., to the Northwest, as he expects to make that land his home.

Rev. J. C. BER-IE, recently president of the New Brunswick and P. E. I. conference of the Methodist Church, on advice of his physicians, has gone on a vacation for rest from nervous prostration. St. John Telegraph.

EXTRAORDINARY BUSINESS.—We learn that the Family Herald and Weekly Star of Montreal in this season having an immense increase in the number of new subscribers over all previous years. The premium picture "The Princess at work," is no doubt accountable for a share of the increase, but the immense value of the Family Herald itself as a great family and farm paper is every year becoming more generally known and is adding thousands of new readers annually. We notice the Publishers are calling on all old subscribers to renew earlier than usual this season to help them out in the Christmas rush. The dollar dailies fail to tempt the Canadian Public when the Family Herald and Weekly Star with such a handsome picture can be had for the same amount.

WHAT led to the apprehension of the boys who are implicated in the burglary of the Methodist Book Room and the attempt on the Amherst Boot and Shoe Company's store, was a pair of glasses belonging to Dr. MacLean—editor of the Wesleyan. On leaving the business office up stairs in the Methodist Book Room building Dr. MacLean left the glasses behind when working on his desk. When he returned to his office next day at 10 a. m. the glasses were brought to him by Detective Power. Dr. MacLean at once identified them as his. The detective had recovered the glasses in a second hand store on Grafton street, where they were sold with a book for twenty cents by Ryan, one of the gang.—Halifax Mail.

An entertainment and pie social, under the auspices of the School Board, was held at Annandale school on Tuesday November 22. The weather owing doubtless to disturbances in the political atmosphere was not at all pleasant, and the roads perhaps for the same reason, were nothing but mud. Notwithstanding, a full house awaited the entertainment, when the curtain was drawn at seven. The program consisted largely of songs, drills and recitations by the school children under the supervision of their teacher Miss Grace Gordon, whose thorough training was evidenced by the excellent rendition of their several parts. Some outside talent also helped very materially toward the success of the entertainment, a duet by the Misses McDonald, Dundas, and violin solos by Frank and Stephen Steele deserving special mention. Selections from the Gramophone were also a pleasing feature, and heartily enjoyed. After the program was rendered, John Howlett, who presided in his own genial manner, announced the sale of pies and Mr. Chaffee was called upon to act as auctioneer. He proved fully competent, and his witticisms and local hits, were much appreciated by a generous, ninth loving audience. As a culminating feature, two pies, labelled respectively Liberal and Conservative were put up and helped the financial receipts not a little. The amount realized was in the vicinity of thirty six dollars, which will be expended on the furnishing of the schoolroom.

A SUCCESSOR TO DR. CAVEN

HALIFAX, N. S. Dec. 4.—A gentleman accurately informed states that there is little doubt the name of Dr. Falconer, principal of the Presbyterian College, Pine Hill, this city, will come before the authorities of Knox College, Toronto, when a matter of a successor to the late Principal Caven is dealt with. "Dr. Falconer," said this gentleman last evening, "is regarded in Upper Canada as the coming man in the Presbyterian church in this country, and the Toronto college as the foremost in the country, will be looking for a strong man."

For sale by all druggists.
