**DR. CHASE'S SYRUP  
OF  
LINSEED AND  
TURPENTINE**

The sales of Dr. Chase's Syrup of Linseed and Turpentine during 1903 were over forty per cent. larger than in 1902. This means that nearly half as much again was used. Can there be better proof of the merit of this great family medicine?

It is undoubted the far-reaching effect of this preparation that makes it so popular.

People soon find out that it is far more than a mere temporary relief and that it can be absolutely depended on in serious and severe cases of throat and lung trouble.

Mrs. J. Provost, Renfrew, Ont., states:—"My fourteen-year-old boy had a very severe cold in the chest last winter and I really thought he was going to die. He coughed nearly all the time and sometimes would spit up blood. We had about given up all hopes of his recovery when I heard of Dr. Chase's Syrup of Linseed and Turpentine. After using one bottle there was a great change in his condition, and I can positively say that he was completely cured by two bottles and he has not been troubled since. I never saw medicine take such quick effect and can sincerely recommend it.

Dr. Chase's Syrup of Linseed and Turpentine, 25 cents a bottle, family size (three times as much) 60 cents, at all dealers, or E. Imanson, Bates & Co., Toronto.

To protect you against imitations the portrait and signature of Dr. A. W. Chase the famous receipt book author, are on every bottle.

**IS IT CURABLE?**

A Question Often Asked by Those Afflicted With Piles.

Is a strained joint curable? Is local inflammation curable? Of course, if properly treated. So is piles.

People often become afflicted with piles and ask some old "chronic" who has always persisted in the wrong treatment, and naturally he discourages them by telling them that their case is hopeless.

They in turn discourage others, and thus a disease that can in every case be cured by careful and skillful handling is allowed to sap the energy of thousands who might free themselves of the trouble in a few days.

Pyramid Pile Cure will cure the most aggravated case of hemorrhoids in an astonishingly short time. It relieves the congested parts, reduces the tumours instantly no matter how large, allays the inflammation and stops the aching or itching at once.

Thousands who had resorted to expensive surgical treatment have been cured by the Pyramid Pile Cure—in a number of instances persons who had spent months in a hospital under a pile specialist.

It is a remedy that none need fear to apply even to the most aggravated, swollen and inflamed hemorrhoidal tumours.

If you are afflicted with this stubborn disease you can master it and master it quickly.

This remedy is no longer an experiment, but a medical certainty, and is sold by druggists everywhere for fifty cents a package.

Write Pyramid Drug Co., Marshall, Mich., for their free book on the cause and cure of piles.
