**Eruptions**  
Dry, moist, scaly tetter, all forms of eczema or salt rheum, pimples and other cutaneous eruptions proceed from humors, either inherited, or acquired through defective digestion and assimilation.  
To treat these eruptions with drying medicines is dangerous. The thing to do is to take  
**Hood's Sarsaparilla and Pills**  
Which thoroughly cleanse the blood, expelling all humors and building up the whole system. They cure.  
"I was greatly troubled with small boils, caused by working among the oil at the refinery. Hood's Sarsaparilla was recommended to me as the best blood medicine obtainable. I began taking it, and though many other remedies had failed to benefit me, three bottles of Hood's fully and permanently cured me." Angus Fisher, Esq., St. Sarnia, Ont.  
Hood's Sarsaparilla promises to cure and keeps the promise.
