Just THINK

what you will be able to buy after the war, if you save and invest in Victory Bonds NOW!

HOW TO BUY

Give your order to the Victory Loan salesman who calls on you. Or place it in the hands of any branch of any bank, or give it to any trust company. Or send it to your local Victory Loan Headquarters. Or you can authorize your employer to start a regular payroll savings plan for you. Bonds may be bought in denominations of \$50, \$100, \$500, \$1,000 and larger. Salesman, bank, trust company or your local Victory Loan Headquarters will be glad to give you every assistance in making out your order form.

WEAR YOUR COMMANDO DAGGER. It is a symbol indicating that you have bought the new Victory Bonds.

As a patriotic citizen, you are using every capacity you have to win the war—whether in production of war materials or in some essential industry or service.

You are getting paid for doing this. There are, undoubtedly, many things you'd like to buy NOW, things you had been planning for a long time to buy, but things you COULD do without.

You can follow one of two courses. You can spend your savings on things you don't really need now, or you can put that money into the new Victory Bonds.

To meet war needs, the average Canadian would have to lend to Canada \$1 in every \$5 of income left after taxes and compulsory savings have been collected. Of course, the

average may not fit your case. Your circumstances are your own. You may be able to do better than that out of current income and accumulated savings; or you may be unable to reach the average. Your share of voluntary savings is every dollar you can possibly spare.

It may mean some pinching—some figuring and belt-tightening. But think of what you'll be able to buy with it when it returns to you after the war!

You will be laying up for yourself the best of all investments. VICTORY BONDS are backed by all the resources of the Dominion of Canada. They yield a fair rate of interest, you can borrow against them, and they are readily saleable when you need the cash.

Nothing matters now but VICTORY CANADA NEEDS \$750,000,000
