ROVERS 8 ENGLAND WINS ALL STARS 5 MCKINNON CUP

Rovers Win First Game Of Second Section Last Evening.

The Rovers continued on their winning ways at the Abwegit Grounds last evening, turning back the All Stars, eight runs to five in the first game of the second section of the City League.

The Stars looked like sure winners for the first six innings, Big George Ayers having limited the Rovers to a brace of runs and the team behind him having worked like a charm. But it was not to be. In the "lucky seventh" the Northenders put on the big "push" and sailed the old game away. The inning did not start auspiciously, Whitlock fanning, Blanchard, however, singled, Carboneau struck out, McEachern who is on a batting streak, doubled to score Blanchard, Murley walked, McEachern scoring on a wild pitch, MacInnis bunted safely, Murley scoring. MacInnis scored when Gross dropped Francis' pop-fly. Whalen struck out to end the decisive inning. Although the Rovers scored a brace in the ninth the story of the big seventh is the chronicle of the winning and losing of the game.

A good sized crowd was on hand to view the proceedings and contributed a large collection for which the players were duly thankful. The announcing of Ed Acorn between innings enlivened the game more than usual. The affair itself was not good ball technically but contributed many thrills and was well worth the attending.

The Stars started out like a whirlwind, Ayers retiring the first nine men to face him in order the last three by the strike out route. But the tenth batter, reliable Whiskey McEachern hit a long double and the trouble began for the Stars who at the time were falling along nicely behind a Steve lead. Whiskey and McInnis were long outs but "John Milton" scored on a passed ball. Francis walked, Whalen hit a beautiful double against the fence in right field, Shonna scoring when Stewart made the third hit of the inning. McNeil struck out to end the inning. The Rovers did not score again until the seventh when they made seven as related above but another brace was secured in the ninth. McEachern led off with his third hit, Murley went out, McInnis made a hit, McEachern and McInnis scoring on a wild throw to third made by MacDonald with the purpose of catching McEachern napping. Jemmett, then missed Francis' grass grazer, but was out trying to puffer third as Whalen fanned. Carboneau who pitched the entire game for the victors, had only two bad innings the second and third. In the first a walk and a hit by Squarebriggs and Acorn put two on but MacDonald's strike out and the retiring of Jemmett and Gross relieved the situation. But in the second Carby got into a hole from which he did not extricate himself so easily. Saunders walked to start the inning, Duffy struck out, Saunders scored on Rice's fielder's choice. Ayers was an easy out. This damage was but an indication of the big destruction of Rover hopes in the third. Squarebriggs lead off with a walk, MacDonald singled sharply to score the lead off man. Acorn singled, scoring MacDonald, Jemmett was safe on Murley's error. Gross singled, scoring Acorn but Jemmett was out at the plate attempting to score on the same hit. Saunders struck out and Duffy was an easy victim to end the Stars' only big inning. They went out in order after this until the seventh when MacInnis' error and a hit batsman put two men on but Squarebriggs, MacDonald and Acorn could do nothing vulnerable to Carboneau's offerings and the dangerous situation was safely gotten over. Saunders hit one over the fence for a double in the eighth but his mates could not bring him home. As a heavy black rain cloud appeared from the west, Snag Squarebriggs took a "healthy" to end the first game of the second section of the City League.

The bright particular star for the Rovers was Whiskey McEachern whose heavy batting and spark plug play pepped the Rovers up when things looked black for the Stars. Ayers was steadiest and outstanding.

BISLEY CAMP, England, July 14—(Canadian Press Cable)—Canada lost the great team shoot for the MacKinnon Cup this afternoon as a team of 12 English marksmen gallantly defended the historic trophy. England totaled 1,097 points in the long distance match, seven points more than recorded by Canada and Scotland, with Ireland, India and Wales finishing further down.

But thanks to Sgt. F. V. Shepherd of Ottawa the Canadians annexed one of the most coveted individual awards, the Northland prize, and only a technicality prevented Shepherd from possibly capturing the Prince of Wales prize, which ranks second to the King's prize itself.

Shepherd, along with the entire Canadian Bisley team, fired in the combined Prince of Wales and Northland match. The Prince of Wales prize list was open only to holders of the National Rifle Association's badges, and Shepherd—until after today's match—was not one of these.

With a fine total of 69 out of 70 Shepherd won the Northland section of the shoot, a prize worth \$100, while with the identical score Sgt. T. W. Henderson of the Scottish Borders annexed the Prince of Wales prize, worth \$50.

The Canadians were well satisfied with their performance as the great Empire Rifle shooting meeting approached its climax. With the conclusion of the big shoot off from the first stage of the King's Prize altogether 16 Canadians found themselves qualified to enter tomorrow's second stage of the Empire's service rifle classic.

In addition to the Prince of Wales and Northland match, and of course the team shoot for the MacKinnon Cup, a feature of today's shooting was the Daily Telegraph match at 600 yards. Four English marksmen had scores of 50, highest possible, and shoot off Saturday for the Silver trophy. These are: Lieut. Middlemas of the Northumberland Fusiliers; Sergt. Brownlee of Liverpool; Private Ormrod of Herne Hill and Petty Officer Giehl of H. M. S. Excellent.

The best Canadian in the Daily Telegraph was Lieut. Desmond Burke of Ottawa, one point behind the leaders with a 49.

It was a great battle for the prized MacKinnon Cup over the long 900 and 1,000 yard ranges between the marksmen of England, who took the cup from Canada last year, the Canadians, Scotsmen, Indians, Welsh and Irishmen.

The team scores tell the story:

Nurmi Will Not Be Reinstated

NEW YORK, July 14—Prospects of a bitter pre-olympic fight in Los Angeles over the status of Paavo Nurmi loomed today with indications from the arriving Swedish delegation that the Finnish distance star will not be reinstated by the International Amateur Athletic Federation before the olympic games.

Although J. Sigrid Edstrom, President of the Federation and chairman of the committee that temporarily suspended Nurmi for excessive expense accounts last winter, refused to make any prediction, it was indicated by other members of the Swedish delegation that no new reason for reinstatement had been advanced.

ROSENBLUM FAST TIME
RETAINS TITLE MADE ON GRAND CIRCUIT

BUFFALO, N. Y., July 14—Maxie Rosenbloom, recognized by the New York State Athletic Commission as world's light heavyweight champion, outpointed Lou Soozza of Buffalo in a 15-round title bout here tonight. Rosenbloom weighed 175 pounds, the class limit; Soozza 173.

Ball and Wilson have both been caught in record time in workouts since they arrived here. Less than a week ago the tall Winnipeg flash, who finished second in the 400 metres final at Amsterdam four years ago, broke Canadian records for both the 400 and 200. If he is beaten by Wilson tomorrow at his favorite distance, Ball may come back the next day and capture the sprint.

The 100, 400, 1,500 and 10,000 metre races are to be run tomorrow along with the running broad jump, discus throw, running hop, step and jump, shot put, 110 metres hurdles and 400 metre relay.

Pearson, considered the man to beat in the century, faces all the leading sprinters in Canada with the exception of Williams. They include Buster Brown and Arndt Wright, of Edmonton, both credited with equalling the Olympic record of 10 3-5 seconds; Don Rivers, London; Ralph Adams, Hamilton, a member of the 1928 team; Dud Powell, Toronto; Bev. Wade, Woodville, N. S., and Nap. Bourdeau, Montreal police speedster.

Dick Lacey, of Great Britain, student at Colgate University, is entered for the 100, 200 and 400 metres events. He has never competed for Britain and is eligible to run for Canada.

Heats, semi-finals and final in the century will be run tomorrow with the final slated for decision in the early evening.

Entries are heavy in every event on the two-day programme. Athletes from British Columbia, Alberta, Manitoba, Ontario, Quebec and Nova Scotia are here—many of them provincial champions—seeking a place on the team that will match speed and strength with the world at the Los Angeles games next month.

Olympic Trials Open To - Day

More Than 160 Entries Received By Hamilton Club Which Is Sponsoring The Meet.

(By Elmer Dulmage, Canadian Press Staff Writer)

HAMILTON, Ont., July 14—Canada's Olympic track and field trials for men open here tomorrow with a ceremonial eclat that would do credit to an Olympic games inaugural itself.

Hardly a province is unrepresented in the tense and waiting throng of athletes gathered for the trials. More than 160 entries have been received by Hamilton Olympic Club officials, sponsors of the two-day meet and past-masters in the art of making a track meet something of a spectacle.

Only a few of the track "greats," including Percy Williams, will be missing when 15,000 or 20,000 people rise from their seats tomorrow afternoon in Hamilton Stadium to greet the parading body of Olympic aspirants as they march in formation around the track and then line up to take the Olympic oath.

The track troupe will march to the strains of band music, there will be flags aplenty decking the officials boxes in the main grandstands and a telegraphed message from Prime Minister R. B. Bennett will be read opening the trials.

Alex Wilson, Montreal's sensational sprint and middle-distance runner, will take the oath for the athletes.

Wilson, member of the Canadian team in 1928 and winner for Canada of the 440 yards event at the British Empire games here two years ago, then joins the free-for-all battle for a place on this year's squad. He is entered in the 400 metres and 800 metres, the first to be run tomorrow, the longer race Saturday.

Among other stars favored with Wilson to get places are Jimmy Ball, Winnipeg quarter-mile ace whose race with the Montreal flier over the 400 metre route is expected to be one of the high lights; Phil Edwards, veteran colored middle distance runner; Bert Pearson, 18-year old Hamilton sprinter who

holds the Canadian 100 yards title and Fred Shaver, another Hamilton school boy star, entrant in the 800 metres.

Ball and Wilson have both been caught in record time in workouts since they arrived here. Less than a week ago the tall Winnipeg flash, who finished second in the 400 metres final at Amsterdam four years ago, broke Canadian records for both the 400 and 200. If he is beaten by Wilson tomorrow at his favorite distance, Ball may come back the next day and capture the sprint.

The 100, 400, 1,500 and 10,000 metre races are to be run tomorrow along with the running broad jump, discus throw, running hop, step and jump, shot put, 110 metres hurdles and 400 metre relay.

Dick Lacey, of Great Britain, student at Colgate University, is entered for the 100, 200 and 400 metres events. He has never competed for Britain and is eligible to run for Canada.

Heats, semi-finals and final in the century will be run tomorrow with the final slated for decision in the early evening.

Entries are heavy in every event on the two-day programme. Athletes from British Columbia, Alberta, Manitoba, Ontario, Quebec and Nova Scotia are here—many of them provincial champions—seeking a place on the team that will match speed and strength with the world at the Los Angeles games next month.

Annual Rifle Matches Will Be Fired Next Week

There is great activity at the Rifle Range every day now in preparation for the 67th annual shoot of the Provincial Rifle Association, which commences next Monday morning at 8 o'clock. The first match will be the MacKinnon Match at 200 yards, followed by the Moore & McLeod at 300 and 500 yards and the Corporation Match at 500 and 600 yards. On Tuesday the Prows Bros. match at 200, 500 and 600 yards will be fired, also the Ladies Challenge Trophy match. It is expected that there will be a large attendance of riflemen and keen competition for the cups, medals and other prizes.

Australian Cricketers Still Winning

INNISFAIL PARK, New York, July 14—(By The Canadian Press)—The visiting Australian cricket team defeated a picked 11 of West Indian New Yorkers by seven wickets in the opening game at Innisfail Park today after catching up to New York's score of 152 with only three men out, but continued to bat until 6:30 to roll up a score of 300 for 5 wickets.

About 4000 enthusiasts turned out to welcome the Australians and the famous Don Bradman was signalled out for a rousing reception.

Bradman only made 45 runs being brilliantly caught by Cornelius after giving three chances during his brief stay at the wicket, which included eight fours.

Entries are heavy in every event on the two-day programme. Athletes from British Columbia, Alberta, Manitoba, Ontario, Quebec and Nova Scotia are here—many of them provincial champions—seeking a place on the team that will match speed and strength with the world at the Los Angeles games next month.

Higher Price, But Regular Supply

MONTREAL, July 14—(By The Canadian Press)—Even if bananas are costing a little more, supplies are now more regular and the possible alternative would be no bananas at all, was the reply given today on behalf of the Canadian Banana Company, Limited, to complaints made by a Halifax distributing house of overcharging.

Since last March the Canadian West Indies Fruit Company Limited, which had been receiving bananas from the Jamaica Banana producers' Association and the Canadian Banana Company, which had been distributing supplies from the United Fruit Company, have joined hands under the title of the Canadian Banana Company, Limited.

It was impossible to continue operations under the same conditions as last year when both companies were losing thousands of dollars on every cargo shipped, a representative said. Growers, dealers and storekeepers had a very bad time and it was essential to come to some arrangement for loading ships in Jamaica and for the distribution of the fruit in Canada.

The new arrangement had led to a great reduction in costs, it was claimed, and greatly simplified the question of transportation.

Actually, their quoted price to the trade is half a cent a pound more than the average price last year, it was added, but they did not allow for this much additional price. To offset this increase in price they stressed the importance to the public of being able to get a regular supply of bananas.

A record price of \$8,250 was paid in London recently for a picture by Devis, "The Love Song," signed and dated 1749.

Expeditions To Lay Groundwork For Air Route

(Canadian Press)

NEW YORK, July 14—Two expeditions are pushing into the north to lay the groundwork for a trans-Atlantic air route to Europe via Canada and the Arctic.

Pan American Airways disclosed today that the Pan American Airways-East Greenland expedition headed by H. G. Eatkins, British explorer, was scheduled to sail from Copenhagen at once to establish two bases in the vicinity of Angmagsalik, Greenland, just south of the Arctic Circle.

These groups will remain in the Arctic for about a year, it was explained, conducting meteorological, aerological and topographical studies of the Greenland ice cap with a view to determining what advantages such an aerial route might have over a more southerly course. They will not use aircraft for the present.

The field plans were approved after numerous conferences between Pan American officials and such experts as Vilhjalmur Stefansson, Arctic explorer, and Col. Charles A. Lindbergh. The consultants will receive regular reports from the expeditions and digest them for conclusions.

Building construction in Napier, N. Z., which was leveled by an earthquake last year, is being speeded up.
