Defenceman In Traffic Accident

(C. P. By Guardian's Special Wire) DETROIT, Mich., Dec. 17.—Bouncing "Bucko" MacDonald who gave up lacrosse to earn a living playing defence for Detroit Red Wings, celebrated the scoring of his second goal in major league hockey by being involved in a traffic accident in which two big coal trucks and four passenger vehicles participated. "Bucko" scored the winning goal against New York Rangers Sunday night and sent his team into first place in the United States division of the National League. Yesterday he was driving Lorne Duguid's car when one of the coal trucks struck his vehicle and sent it crashing into the four other machines. No one was injured. "It was the best body checking I ever experienced," said MacDonald.

RUSH TO ADOPT "MIRACLE" BABY

MACLEOD, Dec. 17.—(C.P.)—Fan mail for a "miracle baby" with many offers for adoption continues to arrive at the hospital here where 14-months' old Billy Long was taken to recover from exposure suffered from four days and nights spent in the open during a chilly autumn. A new home has been found for Billy, however, with his grand-parents, Mr. and Mrs. E. W. Varley. One aspiring foster parent described Billy as her "hero baby." The little tot was found by search parties

W.M.S. Hold Annual Meeting

The Christmas meeting of the W.M.S. of Trinity United Church was held Dec. 2 in Epworth Hall, Summerside. The President, Mrs. L. R. Allan presided. Meeting opened with some Christmas music. After the devotional period minutes and business announcements, etc. A suitable program had been prepared and was taken part in by the following members: Reading "My Gift to My King," Mrs. C. D. MacCallum. Duet, Mrs. Strong Hinton / and Mrs. H. Allen. A talk on the "Candles of Christmas," Mrs. D. Gordon. Solo, Mrs. A. S. MacKay. Monologue, Mrs. Geo. MacPherson. The president then addressed the meeting as follows: Before installing our officers for 1936 I take this opportunity of expressing my appreciation for the loyal and capable executive that have supported me during my term of office. Only through the support I received from the executive and other members of the auxiliary was I able to carry on as President of this auxiliary for three years. As we look back over the three years we would render thanks to a Divine Providence for the many blessings bestowed upon us. We are glad to have the "Ada MacLeod" Mission Circle organized under the very capable leadership of Mrs. Hunter and Mrs. Gillispie. In June 1933 and June 1934 we had special meetings for the Baby Band and their mothers and in August 1935, the baby band meeting was held in connection with the regular monthly meeting of the auxiliary in the lawn of Mrs. Sheen and it seemed the ideal place to hold such a meeting. In June 1934 Mr. Robert Gordon gave a lecture on "Things Old and New in Britain" and in August of the same year, Miss Newsome of Sydney gave us an address on the "Coke Oven District."

In 1935 Dr. Ryan offered the W.M.S. two regular prayer meetings evenings which we took advantage of. Rev. Clair Wright, Missionary of Japan, addressed one meeting. The offerings at these mid-week evening services went to our expense fund to help defray expenses in connection with sending supplies to the Mission Field. Forty-five have taken part at some time in our program, some taking part several times. In 1935 we had the privilege of entertaining the Maritime Conference Branch and in January of 1935 we entertained the Presbyterians.

The Worlds Day of Prayer was held in Epworth Hall February 1935. I extend my sincere thanks to the members of our auxiliary who helped to make our meetings interesting and also to the members and adherents of our congregation, organist and choir, who assisted us with the entertainment of the Branch and Presbyterian meetings.

The following officers were installed for the ensuing year: President—Mrs. T. M. Linkletter. 1st Vice President—Mrs. Davies. 2nd Vice President—Mrs. A. S. MacKay. Secy. Secy.—Mrs. Traverser. Cor. Secy.—Mrs. P. Tanton. Treasurer—Mrs. Sheen. Secy. C. L. Stewartship V. Finance—Mrs. Llewellyn. Secy. Mission Circle, Mrs. Hunter. Secy. Mission Band—Mrs. Robt. Gordon and Mrs. F. Palmer, Mrs. Erskine Haywood. Secy. Baby Band—Mrs. Geo. MacPherson. Associate Helpers—Mrs. H. R. Crockett and Mrs. Mitchell. Supply Secy.—Mrs. George Bowness. Missionary Monthly and World Friend's Secy.—Mrs. MacKie. Temperance Secy.—Mrs. Adams. Press Secy.—Mrs. G. MacPherson. Mite Box Superintendent—Mrs. N. R. Wright, Mrs. B. Bell. Pianist—Mrs. B. Sharp. Strangers' Secy.—Mrs. H. Inman with Mrs. Inman, Mrs. Crockett, Mrs. Mitchell, Mrs. Bowness, Mrs. J. Campbell, Mrs. Sharp, Mrs. Jamieson.

four days after the automobile carrying his parents crashed down a steep embankment. Only Billy survived. He was found unharmed, cuddled up near his mother, seeking protection from the cold.

The two favorite hymns, "The Lord is my Shepherd" and "All the Way my Saviour Leads me" were sung, led by the choir; and a quartette, "Just as I am, O Lord I Come" by Messrs. Harold Leard.

The funeral of the late Mrs. Alfred MacNeill, whose death occurred with such unexpected suddenness on Friday night, the 13th inst., was held on Monday afternoon, the 16th inst. At 2 o'clock a short private service, for the immediate family, was held at the home, and at 2:30 the remains were taken to the United Church, Kensington, where a large concourse, representing the entire community and many other friends, had assembled to pay their last tribute of love and respect to one who had been a faithful attendant and beloved member of this church and a friend to all. One who was of a quiet and unassuming disposition, considering others more than herself, ever ready to assist in all good works. Loyal to her church and to God, steadfast and true to her friends, and in her home always the comfort and inspiration of her family. The services were conducted by the Pastor, Rev. B. Chalmers, Salter. The scriptures read from the 14th chapter of John, that age old assurance to all sorrowing souls, "Let not your heart be troubled... In my Father's house are many mansions... I go to prepare a place for you. And the text from 1st Thessalonians 4:13, "I would not have you ignorant, brethren, concerning them which are asleep, that ye sorrow not as others which have no hope." There are three things emphasized in the teaching of Jesus, to give comfort and hope in our bereavement. First that God is our Father. Behind every expression of life, whether of joy or sorrow, is God's love. We are not in the hands of a tyrant, or a blind unfeeling force, but in the hands of One who loves us. We ask ourselves "why should this seeming great affliction come to us, why should our loved one leave a life so rich in love and service to others?"

The great Father-heart of God years over. His children, as the heart of the earthly parent loves and leads the child who does not understand along the way that is best for it; so Jesus says "Let not your heart be troubled, ye believe in God, believe also in me." Have faith and trust, and "know that I am God" the Father. Then Jesus taught that death is a sleep. When Lazarus died, Jesus said "Our friend Lazarus sleepeth," and again when Jesus came to a certain ruler's house He said "the girl is not dead, but sleepeth," and sleep implies awakening. Just beyond the door of that awakening, lies the heavenly home—the place prepared. So we praise God for the hope that fills our hearts, and we rejoice in all the life and achievements of the saints of God, who have believed and been "faithful even unto death." And as one after another are called from the earthly home, we are not without hope that God our Father, death is a sleep, the home is transferred to heaven and heaven is home.

Resumes Office Organist Remembered

Miss Jennie Waddell, organist of the Presbyterian Church in Canada of North Tryon, had a pleasant surprise when arriving home from work at Dawson's Ltd., where she is the efficient clerk, and found the house well filled with a large representation of the congregation both old and young to pay a tribute to the love and esteem in which Miss Jennie is held, and to pay a debt long overdue for her efficient services as organist and choir director of one of the finest choirs in an Island country church.

The evening was taken up with singing and games in which all took a lively part. Refreshments were served dainty and appetizing by the hostess, Mrs. Waddell, Miss Marion Waddell and lady friend, an illuminated address from the congregation, signed by the pastor, was read and presented by Miss Marie Cameron, followed by the presentation of a purse by Mrs. Elizabeth Long, to which Miss Jennie responded in words of genuine gratitude, followed by the whole choir and party singing "For She's a Jolly Good Fellow," and the pleasant duty performed and the pleasant evening spent.

Three Powers Consult On Peace Plan

(A. P. By Guardian's Special Wire) ROME, Dec. 17.—Three powers, Italy, France and Great Britain, tried through their ambassadors today to "clarify" the African peace proposals. Premier Mussolini, informed quarters said, is believed certain to accept the plan with reservations. Sir Eric Drummond, the British Ambassador, conferred with Fulvio Suvich, Undersecretary of State, who yesterday had conferred with Count Charles de Chambrun, of the Royal University of Rome, to-day gave a demonstration here of a discovery he made recently of a solution which he claims has the power of checking the blood flow from wounds. Dr. Pancaro's discovery is a haemostatic solution. He says it works as satisfactorily on an arterial wound as on a vein injury.

An audience of doctors from Fort William and Fort Arthur watched Dr. Pancaro demonstrate his discovery in McKellar Hospital. He cut the main femoral artery of a rabbit which had been placed under an anesthetic, in such a manner that death would, under ordinary conditions, have occurred in four minutes. Dr. Pancaro, stopped the bleeding in two minutes. An hour after the operation the rabbit emerged from the anesthetic and walked about, nibbling at food.

(By Percy Whiteing) (Canadian Press Correspondent) TOKYO, Dec. 17.—Japan's export of flour during the first five months of this year is reported as 1,083,000 sacks, an increase of 1,958,000 sacks over January-October, 1934. Most of the export went to Manchukuo and Kwantung leased territory, 10,042,000 sacks, compared with 8,814,000 sacks in the same period of the previous year. However, there was a marked gain in exports to the Philippines, 362,000 sacks compared with 135,000 sacks in the previous corresponding period. Japanese flour is reported competing briskly in the islands with Canadian and American flour. Exports to China, Straits Settlements, and the Dutch West Indies, were, respectively, 77,000 sacks, 15,000 sacks and 18,000 sacks. The first two represented increases of more than 100 per cent but the latter was a drop of 26,000 sacks in January-October 1934.

Arnold Taylor, Russel McKay, and Roscoe Walker, was beautifully rendered. The pall-bearers were nephews, Messrs. Leaman Casler, Morris Casley, Ellis Proffit, Stanley Thompson, Heath Mayhew, and Waldo Gardner. Interment was in the People's Cemetery, Kensington.—B.

(A. P. By Guardian's Special Wire) KINGSTON, Jamaica, Dec. 17.—Western Jamaica was shaken by an earthquake last night. A major shock lasted for three seconds and was followed by minor ones but no damage was reported.
