IN MEMORIAM

LEVERETT JOHN BISHOP, CAMBRIDGE, MASS.

Just before midnight on Monday night last, there passed peacefully into rest, after a very brief illness, Leverett John Bishop, at his residence in the 'Alma Apartments', Massachusetts Avenue, Cambridge, Mass. The deceased was a native of Prince Edward Island and was born at Murray River, May 12, 1863 and had therefore almost reached the age of seventy-eight years. In April, 1890, Mr. Bishop went to Cambridge and had been a resident of that city ever since. The deceased gentleman was married three times, his first wife being Miss Flora Bowles, by which union three sons were born to them, all of whom survive at Oakland, California. His second wife was Miss Annie Robertson, of Birch Hill, who, after seven years of happy wedded life, passed into rest early in 1902. On January 9, 1903, he was married to Mrs. A. VanDerstine, widow of A. VanDerstine, of Belmont, Mass., and formerly Miss Louise Grant, of Bangor, P.E.I., who survives her husband. The late Mr. Bishop was a life-long member of the Church of Scotland and was brought up under the renowned ministry of the Rev. Donald MacDonald, the pioneer colonial missionary of Prince Edward Island, for whose memory he entertained a most affectionate regard. Mr. Bishop was one of the charter members of the Scottish Kirk, of Cambridge, Mass., and one of its first elders, ordained there by Rev. John Goodwill, in October, 1895. The deceased was an exemplary christian man and was loyally attached to the doctrine and fellowship of the church of his fathers. The funeral on Thursday, which was a very large one, was held from the Cambridge Kirk, the solemn services being conducted by his Pastor, Rev. J. W. S. Lowry, who gave a comforting address from Acts VIII, 2, "And devout men carried Stephen to his burial and made great lamentation over him." The interment was made in the Cambridge City Cemetery.

DEANS TO STUDY LYNNING ATLANTA, May 10. (U.P.)-Deans of 17 leading law schools of the South have undertaken an exhaustive study of the legal aspects of lynching for the commission on Inter-racial Co-operation. Dean Charles T. McCormick, North Carolina University School of Law, is chairman of the special group.

"What 'ya got in 'ya' mouf?" asked one colored boy of another as they started off with their fishing poles. "Fishin' worms," he replied. "Puttin' worms in 'ya' mouf! Don't you know better'n dat? Why don't 'ya' put 'em in 'ya' pocket?" "Put 'em wid mah lunch in mah pocket? Ah should say not!"

Discussed Red Cross Work

The work of the Red Cross Society in this Province was discussed in an address by Dr. W. J. P. McMillan at the Rotary luncheon yesterday. He reviewed the activities of the organization during the last ten years, beginning with the work of medical inspection of schools and of the benefits accruing from such inspection. He also dealt with the work done in the campaign against tuberculosis. A large number of patients in chest work. Dr. McMillan made reference to the campaign put on two years ago for vaccination against smallpox. More than 6,000 rural children were vaccinated against the disease, following the example of the Charlottetown School Board and Board of Health, which have made the vaccination of children attending city schools compulsory. During the last year the speaker stated more than 1,800 children in the City and more than 9,000 throughout the Province were immunized from diphtheria by the toxoid treatment. So far there have been no cases of diphtheria reported among those so treated. Upwards of 6,000 children, almost one third of the school children in the province, are members of the Junior Red Cross Society. It is hoped that eventually all will be enrolled in the society. The children are taught rules of sanitation and proper living, and by these means it is hoped to make the growing generation more robust and healthy. The great triumph of the Red Cross was the work among crippled children. Dr. McMillan pointed out that in two clinics held last year, upwards of 275 children were examined, and tested, and that more than 700 follow-up treatments were given by expert masseurs. This work was under the direction of Dr. T. B. Acker, Halifax, a well known orthopedic specialist. It is now the proud boast of the Red Cross here that the crippled children of this Province are better cared for than in any other province of Canada. The Rotarians have taken the crippled children work, and made it their own, co-operating with the Red Cross, and making generous contributions of money. It is very important that the Government recognize that the work among the children, and work for human beings in general is the first and most sacred responsibility of the government, and that this work must take precedence over good roads, agricultural improvement or any other work. Under the new public health program the Red Cross nurses will be absorbed into the new scheme on July 1, and henceforth the supervision of the Chief Nurse, Miss Wilson, will be available only part time. There is some danger of the Junior Red Cross and crippled children's work being overlooked. Dr. McMillan made a strong plea for membership fees and generous contributions for the crippled children work during the present drive for funds. The speaker expressed the hope that the drive would be responded to in the most generous manner, and at the same time expressed appreciation for generosity in the past.

RETURNED TO SUMMERSIDE - Mr. Horace Clark and family are being cordially welcomed by their many friends on their return to Summerside, where Mr. Clark will take care of the fox ranch of Mr. Peter G. Clark. Mr. Clark and his family have been in the United States for about five years. S.

PASSED AWAY - It was with deep regret that friends learned of the death on Thursday at midnight, after only a few hours illness, of Mrs. David Barbour of Alma at 63 years of age. The deceased was apparently in her usual health at 8 p.m., when she took a paralytic stroke from which she never fully recovered. Mrs. Barbour was before her marriage, Miss Elizabeth Jane Baker, daughter of the late Jesse Baker of Alma, and had resided in Alma the greater part of her life, except for a short period when she resided in West Cape, Lot 7. She was a woman of outstanding qualities and a great worker in the church. She was president of the Women's Missionary Society and a prominent member of the Women's Institute; also a teacher of the Sunday School. Her place will be hard to fill in the community and her loss in her home will be keenly felt. There are left to mourn besides her sorrowing husband, one daughter, Mrs. Joseph Bealstro, who arrived home from Maine on Friday; and four sons, Ralph and Everett of Portland, Maine; and Frank and Harry at home; also the following brothers and sisters, Mr. Thomas Baker of Portland, Maine; Mr. Edwin Baker of Western Canada; Mrs. Hines of Worcester, Mass.; Mrs. B. I. Rayner of Alberton, and Mrs. James Rayner of Greenmount, to all of whom the Guardian extends sincere sympathy. The funeral, which was postponed from Sunday until Monday afternoon to enable her two sons from Maine to be there, was held from her late home to the United Church in Montrose, Rev. G. A. M. Elliott officiating. A large concourse of friends and relatives gathered at the church to pay their last respects to a dear friend. Interment was in the cemetery at Montrose. S.

TENTATIVE PLANS FOR RACE CIRCUIT

Meeting Held in Moncton Over Week-end - Maritime Representative Present.

MONCTON, May 11 - Tentative plans for a Maritime Harness Racing Circuit were made at a meeting held here during the week-end and provisional officers were elected. T. V. Monahan, Fredericton, was elected President of the proposed circuit and G. G. Murdoch, Saint John, was elected Vice-President. The President will name a temporary Secretary. When organization work in connection with the Circuit is completed, the campaigning horsemen in the East will be assured of ample racing during the summer and autumn.

Move Considered Wise - The possibilities of forming such a circuit was roughly gone into by representatives of the leading tracks in the Maritime Provinces and it was considered that such a circuit would be a success.

Plans were discussed in a general way and according to present indications the circuit will open in Fredericton, during the third week in July, and from there will go to Saint John, and then Moncton. It is expected that continuous racing will be provided until the start of the Fall Fairs which open in Charlottetown August 17.

Follows Woods'ock Races - The meeting at Fredericton follows the meeting of the Northern Maine and New Brunswick Circuit at Woodstock and it is expected the owners will take advantage of the opportunity to follow the circuit so that their stables may be kept busy. Representatives from the Maritime tracks present included Lt. Col. D. A. McKinnon, of Charlottetown; T. V. Monahan, David Griffiths, Fredericton; G. G. Murdoch and Dan Corr; Saint John; Ald Frank Adams, Halifax, B. A. Taylor and Ambrose Wheeler, Moncton.

HOBART, Tasmania, May 11 - The return to power with an increased majority of the Nationalist Government party in the Tasmanian state elections of Saturday was assured tonight.

God Save the King SOCIAL GATHERING A pleasant evening was spent at the home of Mrs. W. Campbell on April 29th when the members of the Roseneath Women's Institute and other friends tendered a shower to Mrs. John Donahoe a valued member of the Institute in honor of her having moved into her new home. At the appointed time a pretty carriage laden with beautiful gifts was wheeled into the room by Miss Eva Mann, and an address was read to Mrs. Donahoe by the secretary, Mrs. Donahoe, although completely taken by surprise, thanked the donors in a few well chosen words. After a very pleasant social hour, a dainty lunch was served, and the friends departed to their homes, feeling that the evening had been well spent. Following is the address: - Dear Mrs. Donahoe and family: - We have met here tonight to extend to you our hearty congratulations on your new home, and to show in a tangible way our appreciation of you as a faithful member of our Institute. These few gifts that we have brought tonight carry messages of good will and we ask you to accept them as such and not for their commercial value. We have met frequently in your other home since the Institute was organized and at all times you made us welcome and comfortable and we hope to meet many more times in your new home. Tonight we take the opportunity of wishing you and your family, health, happiness and prosperity, and as we have found in you a friend we hope that you too may find in us, friends in whom you may share your joys and sorrows. Signed on behalf of the Roseneath Institute. HAZEL MACQUARRIE Secretary.

BALDWIN'S ROAD W. I. The Baldwin's Road Women's Institute held their regular meeting on April 28th, at the home of Mrs. Peter McKenna, fourteen members and several visitors being present. The meeting opened with a Victoria selection, followed by roll call and the reading and adoption of the minutes of the previous meeting. The Secretary reported Government grant had been received. Some correspondence was read, and "Questionnaires" distributed to the members, to be filled out and returned. A discussion on general business followed, including the sending away of old clothing to be made into rugs. No definite arrangements were made till next meeting. School committee was appointed, namely, Mrs. Hannah Goodwin and Mrs. Hugh McAree. One new member was added. The next meeting will be held in the schoolroom, roll call to be answered by writing your own name with left hand, (blind folded), a prize to be given for the best, judges to be Miss Irene Cairns and teacher, Edward Baldwin, Hostesses, Mrs. Peter Carr, Mrs. Patrick McQuaid and Miss Anne Cairns. After the meeting was over, and lunch had been served by the hostess, the ladies called upon the host, Mr. McKenna, at being the anniversary of his birthday, and presented him with an appropriate gift. Although Mr. McKenna was taken completely by surprise, he thanked the members for remembering him so kindly. After the singing of "For He's a Jolly Good Fellow," the remainder of the evening was spent in singing, music and dancing, a special feature of which was an old-fashioned dance by the ladies of the Institute, which was very amusing. After thanking the host and hostess, all departed for their homes, satisfied with having spent a very enjoyable evening.
