WOOL MARKETING

Wool will be received at Registered Wool Warehouse Number 18, Potato Growers' Warehouse at the foot of Prince Street, Charlottetown after June 18th. Wool shipped by truck or rail should be carefully tagged and addressed to the Wool Grading Station, Charlottetown, "Freight Collect." An advance of 22 cents per pound will be made on all wool of satisfactory quality and properly prepared for marketing. Paid will be shipped to Lennoxville for grading and the balance will be wool when statement of grades is received.

In shipping, each fleece should be tied separately with paper string and packed in old, but clean sacks. Do not ship in a large number of bags. Use one large sack if as all possible, as this aids in checking. A number of old, clean sacks sewed together will suffice. Each sack should be tagged with the name and address of the owner with one tag securely attached to the outside of the sack and another placed on the inside. A deduction of 1 cent per pound will be made for wool tied with binder twine or other unsatisfactory string. Proper paper twine is available at the Provincial Department of Agriculture.

BONUS ON WOOL

A bonus of 4 cents per pound on all standard grades of Canadian wool will be paid by the Provincial and Dominion Departments of Agriculture on fleeces properly prepared for marketing. The payment of the bonus will be made direct to the grower through the Provincial Department for wool approved and passing through the Registered Warehouse. Growers will please observe the following rules:

- 1. Remove any heavy tags and dung locks before tying each fleece.
2. Remove any burry, straw, or dirty wool before tying.
3. Remove any other chaffy, or dirty portions of fleeces, or shake out light chaff before tying.
4. Shear when fleeces are dry. Keep wool from getting damp.
5. All these rejects, packed separately, may go forward as part of the shipment.

The bonus will not be paid on: (1) Any reject wool. (2) Fleeces tied with binder twine. (3) Wool received in wet, or musty condition or on any clip that requires a lot of reconditioning at time of grading. The bonus is not difficult to secure if the above simple rules are followed, but it applies only on clips received free of rejects, or when rejects are separated by the owner.

It is expected that the wool warehouse will operate for one month from the date of opening from June 18th to July 18th. All wool should be delivered in this period. Be sure that the regulations as indicated in this statement are carried into effect. Address communications to:

THE PRINCE EDWARD ISLAND SHEEP BREEDERS' ASSOCIATION, CHARLOTTETOWN.

Facts and Truths About Canada's Present Government

PRIME MINISTER KING, Canada's Greatest Premier of All Time.

Under his guidance Canada has earned the recognition by all the world as the GREATEST nation of them all for its size, as well as for its contributions during this present war. This is the TRUTH—you've got to admit this. Mr. King has earned this great recognition. In spite of all criticisms, he is truly a Great Man. Voters, be honest with yourselves.

Who can replace him today? Has he not earned the right to guide us into Peace?

Our Four Island Representatives—three of them went through the crisis with Mr. King; they know him and were by his side through it all.

Parliamentary Assistant Minister For Air

MAJOR CYRUS MACMILLAN, a veteran of the last war, who went through it all. A survivor of Paschendaele, where thousands of Canadian boys died. Has he not earned the right to sit with Mr. King in your next Parliament? A man of rare ability.

MR. J. LESTER DOUGLAS, also of Queen's, who sat with Mr. King during last parliament and is popular with every parliamentarian at Ottawa. All know this.

DR. GRANT, the veteran member for King's, a stalwart of the Liberal Party and a man who is held in high respect and has taken part in many debates.

J. WATSON MACNAUGHT, our only new man, representing Prince for the first time. A fine brilliant young lawyer. A man well fitted to take his seat beside Mr. King.

The above are our four Liberals—men we are all proud of. Good, clean, fine men with a Great Leader at their head. These are our men. These are your men. It is up to us all to send them back.

Citizens of Prince Edward Island, this is the Liberal slate. Let us send them back to Ottawa on June eleventh.
