THE BEST REMEDY

For Women—Lydia E. Pinkham's Vegetable Compound

Bellefleur, Ont.—"I was so weak and worn out from a female weakness that I concluded to try Lydia E. Pinkham's Vegetable Compound. I took several bottles of it, and I gained strength so rapidly that it seemed to make a new woman of me."

Women everywhere should remember that there is no other remedy known to medicine that will cure female weakness and so successfully carry women through the change of life as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs.

For 30 years it has been curing women from the worst forms of female ailments—inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, and nervous prostration.

If you want special advice write for it to Mrs. Pinkham, Lynn, Mass. It is free and always helpful.

Eczema, Salt Rheum.

Eczema or Salt Rheum, as it is often called, is one of the most agonizing of skin diseases. It manifests itself in little round blisters, which contain an extremely irritating fluid. These break and subsequently a crust or scale is formed.

The intense burning, itching and smarting, especially at night or when the part is exposed to any strong heat, are almost unbearable.

No other remedy has done, or can do, so much for those who are almost driven to distraction with the terrible torture, as our thousands of signed testimonials can testify to.

Mrs. John O'Connor, Burlington, N.S., writes:—"For years I suffered with Eczema. I tried a dozen different medicines, but most of them only made it worse. I was advised to try Burdock Blood Bitters. I got a bottle and before I had taken half a dozen doses I could see a change so I continued its use and now I am completely cured. I cannot say too much for your wonderful medicine."

10 Years Rheumatism in Left Knee

Treatment at Hot Springs and Years of Experiment with Noted Physicians failed. "NERVILINE" Cured Quickly.

Nearly every old person is troubled more or less with rheumatism, and few actually escape its manifold tortures. Some it deforms, others it disables, many it completely destroys.

"I was born with a strong and pre-disposing tendency to rheumatism, my father and mother both have had it for years," writes J. H. Hunter, from Saratoga. "The aches, the pains, the throbbing muscles, I endured them all—but it was in my left knee that the disease had its worst hold. Pains of the most agonizing kind shot through my knee as if hot irons were piercing my flesh. Nothing did me any good till I used Nerviline. I rubbed it over the sore place four to six times each day and bound on warm flannel cloths. Every night I took half a teaspoonful of Nerviline in hot sweetened water. My cure was complete after several months and I have never since had a single twinge. I strongly urge every sufferer from any rheumatic disease, Sciatica, Neuralgia, Toothache, or Earache to test Nerviline. I know its power over pain is simply magical."

There is not an ingredient in Nerviline that isn't good for pain. Young and old use it, internally or externally. Safe, sure and 50 years in use. Beware of the dealer who offers you a substitute on which his profit is larger than on Nerviline. Large 25c. bottles at all dealers.
