ANOTHER "absolute fact."—Yesterday a gentleman from Souris called at THE GUARDIAN office and related the following which came under his own eyes, he says: Mr. John McKay of Cable Head while out fishing a few days ago secured a codfish weighing 84 lbs. The head of the monster resembled a large kettle. In the stomach were found 21 herring. Any person able to show a larger specimen of the same kind of fish will please report.

STOCK NOTES.—One of the best looking colts we have ever seen was dropped on Sunday last by Mr. Wall Thorne's well-known mare "Lady Hilda," 2.32. "Fleetwood" 2.30 is the sire of this colt and we congratulate Mr. Thorne, both on his success and his judgment.—Com.

THE lady patronesses at the progressive euchre party given last Friday evening by the Girls' Mutual Benefit Association of the Printing Bureau were Lady Laurier, Mrs. R. W. Scott, Mrs. A. G. Blair, Lady Davies and Mrs. S. E. Dawson. Lady Davies and Mrs. S. E. Dawson were not only patronesses in name but were present and by their presence added to the success of the party. Miss Ebel Davies was accompanied by her mother and Mrs. R. W. Scott was represented by her daughter, Miss Mary Scott, who took an active part in getting up the party. One of the ladies' prizes, a handsome gilt clock, was presented by Hon. R. W. Scott. Mrs. A. G. Blair gave a silver shoehorn and silver boot button hook and the "bird ladies" prize was a velvet cushion with a floral design painted upon it. This was the gift of Madame August Briere of the Printing Bureau staff.—Ottawa Free Press.

The light was poor, wind gusty with light showers. All Tyros receive a handicap of ten points. A Tyro is one who has not won a prize exceeding \$2. Winners of first prizes are handicapped by being mult of two points. Hence should the best score of Saturday weeks' match be 93 Lt. Davison would require 95 to win and in case a Tyro should make 83, with his 10 points added making 93 Lt. Davison, is compelled to cede the first prize to the tyro.
