GREAT BIBLE CLASS--Sunday afternoon at 2.30 p. m. the Bible School of the Central Christian Church meets. It is hoped that many will be present to study God's Word.

A NEW PASTOR--Rev. H. W. McCutcheon has settled down to the pastorate of the Murray River Church, P. E. I. In his pastoral oversight of The Range Churches, N. B., he acquired the reputation for a faithful and efficient service. He is heartily welcomed by his brethren in P. E. Island, where he is already recognized as a valuable addition to the band of workers there.

FUNERAL YESTERDAY--The funeral of the late Mr. W. Hughes took place yesterday afternoon from the residence of his son, Mr. G. E. Hughes, to the railway station, thence by train to Sherwood cemetery and was largely attended. The following were the pallbearers: Judge Hazard, Mr. Donald Nicholson, M. P., ex-Governor D. A. McKinnon, Mr. A. W. Sterns, Mr. John Newson and Col. Moore.

OMITTED, NOT FORGOTTEN--Through an unaccountable slip the name of Mr. Frank Conroy, son of Dr. and Mrs. Conroy, was omitted from the list of volunteers for the front yesterday morning. Mr. Conroy for some time held an important position in the Metropolitan Bank of Toronto, and while on a visit to his home here in August volunteered for service at Canco. When the call came for overseas volunteers he was among the first to offer his services and was accepted. His many friends in Charlottetown and elsewhere will wish him good luck and a safe return.

BOY SCOUTS ASSOCIATION--Mr. P. Perrot, of Ottawa, who is travelling in the interests of the Boy Scouts of Canada, is now in the city. He has been spending the past few days at Alberton and Summerside. His purpose in visiting these places and this city also, is to assist in the formation of Local Associations, which will back up the efforts of the local troops. These Local Associations make the work permanent, and are of great value. Mr. Perrot will address a meeting of the parents of the Boy Scouts in this city, and all others interested on Tuesday evening next. It is also the intention to form a Provincial Association to promote the Boy Scout Movement all over the province.

CHESS CLUB--The annual meeting of the Charlottetown Chess Club will take place tonight evening next at the office of the Dalton Fox Company, Queen Square, at 7.30 p. m. sharp. Business, the hearing of reports and election of officers. Last winter was one of the most successful series of games, in the history of the club. The present officers are as follows: Dr. Alex. Boxer, President; Thos. May, Vice-President; L. C. Worthy, Sec. Treas. The club members look forward to a feast of reason and flow of soul during the coming winter's campaign. The organization is in a healthy condition and has been challenged by several clubs from Ottawa, Ontario, for a number of correspondence games, which challenge will likely be accepted at once.

THE PEOPLE'S--An excellent week-end programme was given to the hundreds of patrons who thronged next People's Theatre last night. Of first interest was the eleventh episode of the Million Dollar Mystery, which proved to be an excellent instalment. This serial is becoming more interesting each week and as there is a prize of \$10,000 offered for the best solution, the interest is not likely to flag. "Fans" are making an effort to win. "Pat Fannigan's Family" was a fine drama, the story of a kind-hearted Irishman, who gave up a trip to the home of his birth in order to care for two homeless children. The Hearst-Selig News Pictorial contained many interesting events of world interest. The comedy, "Up a Tree," by the well-known Pathe people was a good laugh and was thoroughly enjoyed. In addition to this excellent photo-play programme which was put on the screen without a hitch and as steady as a rock, there was a musical portion, which, judging by the applause, was also thoroughly enjoyed. Mr. Dave Parks, "the fellow with the voice," rendered "This is the Life," which was well received. It was something of a comic song and shows that this vocalist can handle comedy as well as the more classical productions. "The Harmony Duo" who have been entertaining the patrons of the People's all week sang some excellent selections, their voices blending beautifully; they certainly deserve the title "The Harmony Duo." They close their engagement to-night and no doubt will attract a bumper house for their farewell.

GUAIACOL EMULSION--This preparation has been on the market for fifteen years and it has increased its sales every year. To-day it is our biggest seller, which speaks well for its work. LEAGUE OF THE CROSS--In pursuance of the basketball tournament being carried on by the League of the Cross, a game was played in hall of the Society last night between the Bankers and a team from the Pastime Camp Club. It was an exceptionally good game and very closely contested, the score being 25-23 in favour of the Bankers. This is the second successive game the Bankers have won, and if they keep up the good work they will soon have a firm grasp on the championship and the trophy for the winners of the tournament.

REMOUNT COMMISSION COMING. Messrs A. A. McLean and D. Nicholson received notice last night that Mr. Willett, of the British Remount Commission, will be in Charlottetown Monday night. Referring to the purchase of army horses, an Exchange says: Some 8,000 to 10,000 horses, which will be required for the second year, will be bought directly from Canadian farmers, it was announced by General Sam Hughes to day. The horses will be bought directly from the farmers or in the public market place, not from stables or through middlemen.

ROMANTIC MARRIAGE--The following is copied from a Brockton paper: Travelling over 2,000 miles from Winnipeg, Manitoba, to Brockton, Mass., to join her sweetheart, Miss Ada F. Davis, daughter of the late Henry F. Davis, at one time a secretary to the prime minister of England, was married Wednesday evening to Herbert H. Curtis, of 19 Gardner avenue, as the culmination of a romance which began in the Canadian North-West several years ago. The climax of the bride's journey was a ride to the parsonage of the Wales avenue Baptist Church, November 25th, where the ceremony was performed, in what is soon to be the new police auto. The ceremony was performed by Rev. J. M. Olmstead, at 7 o'clock.
