## A Beautiful Canadian Girl Saved From Catarrh of the Lungs by Pe-ru-na.

MISS FLORENCE KENAH.

Miss Florence E. Kenah, 434 Maria street, Ottawa, Ont., writes: "A few months ago I caught a severe cold, which settled on my lungs and remained there so persistently that I became alarmed. I took medicine without benefit, until my digestive organs became upset, and my head and back began to ache severely and frequently. I was advised to try Peruna, and although I had little faith I felt so sick that I was ready to try anything. It brought me blessed relief at once, and I felt that I had the right medicine at last. Within three weeks I was completely restored and have enjoyed perfect health since."

"I now have the greatest faith in Peruna." F. E. KENAH. WOMEN should beware of contracting catarrh. The cold wind and rain, sleet and mud of winter are especially conducive to catarrhal derangements. Upon the first symptoms of catching cold Peruna should be taken. It fortifies the system against colds and catarrh. The following letter gives one young woman's experience with Peruna. Miss Rose Gerbing is a popular society woman of Crown Point, Ind., and she writes the following: "Recently I took a long drive in the country, and being too thinly clad I caught a bad cold which settled on my lungs, and which I could not seem to shake off. I had heard a great deal of Peruna for colds and catarrh and I bought a bottle to try. I am pleased that I did, for it brought speedy relief. It only took about two bottles, and I considered this money well spent. "You have a firm friend in me, and I not only advise its use to my friends, but have purchased several bottles to give to those without the means to buy, and have noticed without exception that it has brought about a speedy cure wherever it has been used."—Miss Rose Gerbing. If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis. Address: Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

### WEARIN' O' THE GOWN.

OTTAWA, February 7.—By a vote of 19 to 9, the quarterly official board of the Dominion Methodist church approved of the wearing of a gown by the pastor, and then by a unanimous vote placed on record, in view of certain reflections in the press, their appreciation of Rev. Dr. Rose as a man and as a pastor.

### WHAT THE ADDRESS WAS LIKE.

At a Maine educational convention, the Rev. Nathaniel Butler, formerly president of Colby College, but at present professor of English literature in the University of Chicago, was down for an address. As he was about to speak, the Hon. W. W. Stetson, state superintendent of schools, said to him: "Doctor, is your address like a cat's tail?" "How is that?" asked Dr. Butler. "Why, fur to the end," replied Mr. Stetson. Doctor Butler smiled appreciatively, but kept silence. He opened his address by saying, "Your superintendent just asked me if my address was to be like a cat's tail—fur to the end. I assure him that it is like a dog's tail—bound to a cur."—Lewiston Journal.

## Paine's Celery Compound Saves The Life of a Montreal Lady.

Stomach difficulties and distresses are varied in character and demand prompt attention. In the majority of cases the troubles originate from a morbid condition of the nerves of the stomach. If you suffer from dyspepsia, indigestion, inflammation of the stomach or gastric derangements, the use of Paine's Celery Compound will assuredly banish your tormenting enemies. Paine's Celery Compound quickly tones and strengthens the stomach and its particular nerves, so that your food will enrich the blood and make solid flesh, bone and muscle. Mrs. Lefebvre, Iberville St., Montreal, cured at the eleventh hour by Paine's Celery Compound, says:

"For five years I suffered from dyspepsia, dizziness, stomach weakness and constipation to such an extent that physicians failed to relieve my terrible sufferings. The reality loomed up before me that I was dying. One day I heard of Paine's Celery Compound, and I resolved to buy six bottles. After using the Compound I am strong, appetite good, constipation banished, and I am perfectly cured. I would specially recommend Paine's Celery Compound to all women, as it is a health restorer."

The onion is everything. "The onion" said a grocer, "is undoubtedly the earth's best product. It is a medicine, it is a food and it is a narcotic. "I used to be troubled with insomnia. My doctor said: "Eat a raw onion with a slice of bread every night before retiring." I did so. I peeled the onion, I put salt on it, and I devoured it with delight, for it was good. I never had insomnia thereafter. Decidedly and indubitably, a raw onion taken each night will cure the most obstinate and long-standing cases of this disorder. As a seasoning the onion is as universal and as necessary as salt. Soups, sauces, fillings, ragouts—hardly a dish of the unseasoned sort would be palatable but for the humble onion. "If the onion cost about a dollar, the world would appreciate it; poems would be written in its praise. Because it costs less than a cent its virtues remain unused."—Philadelphia Record. We have them tens of thousands of them—not at \$1 each but for the small sum of 25c for 10 lbs of them. If a dollar a bottle medicine is needed, give the druggist a call but if your pockets are not bursting with coins, it will be to your advantage to have Gay's best of medicine for 25c.—Two cases of Boston market Celery just arrived per S.
