

This is the Time for Making Old Things New.

Diamond Dyes are the True and Unfading Agents.

In November thousands of women will be coloring dresses, skirts, jackets, coats, vests, pants, shawls, wool yarns and carpet rags.

The dyeing operation is an important one and demand great care. The principal point is to secure the right dyes—colors that are pure, bright and last to washing and sunlight.

The Diamond Dyes—the only guaranteed dyes on earth—possess all the grand qualities that make perfect and true colors. Diamond Dyes have such a universal sale that unscrupulous dealers make efforts to imitate them. If you would be successful in dyeing, avoid all crude imitations. Properly refuse all dyes recommended by dealers to be just as good as Diamond Dyes. The Diamond Dyes are the best in the world, and all dealers are aware of the fact.

QUEBEC STEAMSHIP CO (Limited.)
PROPOSED SAILINGS FROM MONTREAL AND QUEBEC DURING SEASON OF 1899

THE CHEESE INDUSTRY

Butter and Cheese Association Notes With Pleasure the Large Increase in Butter Exports.

The following is a copy of a circular which the Montreal Butter and Cheese Association has decided to send to the cheese manufacturers through Canada, advising the discontinuance of the manufacture of cheese at the end of October:

In previous years the Montreal Butter and Cheese Association have issued circulars to the dairymen of Canada strongly advising them in their own interests, as well as of the cheese trade generally, to discontinue the manufacture of fodder cheese, knowing that the manufacture of this cheese tended to lower in a serious manner the price as well as the high standard of the Canadian product in the British market. The result of factorymen following the advice then given has unquestionably proved beneficial, and resulted in factorymen obtaining better prices for their fall make.

The Association again desires to call the attention of the Canadian cheese manufacturer to the desirability of discontinuing the manufacture of cheese at the end of October. Should any large quantity of November and December cheese be made, it would re-act in an equally unfavorable manner on the market as that produced by the manufacture of April or fodder cheese. The members of the Association believe that it is strongly to the interest of the producers to only make cheese during these months most suitable for the production of the highest grade, and have no doubt that the next returns will be larger and the character of our goods stand higher, if the advice of the Association is followed in this matter, and are confident that the factorymen will thereby obtain higher prices for their productive next season if this recommendation is adopted.

The Association notes with pleasure the large increase in the exports of butter, the result of improvement in quality and means of transportation, and would urge our factorymen wherever practicable to make creamery butter during November and the balance of the season packing it into boxes, which is now the favorite package for export, or in tubs if intended for local use. There is also a fair demand for 70-pound tubs for export.

From the telegraph, Welland, Ont.

Among the residents of Port Robinson there are few better known than Mr. Samuel Richards, who has resided in that vicinity for some twenty-seven years. Mr. Richards came to Canada from Illinois, and is one of the veterans of the American civil war, having been a member of the 7th Illinois regiment. Mr. Richards is also one of the vast army who bear willing and cheerful testimony of the value of Dr. Williams' Pink Pills for Pale People. To a reporter who recently interviewed him he said: "I very gladly testify to the great merit of Dr. Williams' Pink Pills. A few years ago I fell a victim to one of those worst forms of kidney trouble. I was tortured with terrible pains across the back. I could neither sit up nor lie down with any degree of ease. I consulted a doctor and he gave me medicine which I took from time to time, but instead of helping me I was growing worse. My digestion was impaired and I suffered from additional pains in the stomach. I would feel cold along the spine and in the region of the kidneys; sparks would apparently float before my eyes, and I would have frequent headaches. I then began using a medicine advertised to cure kidney trouble, but to no avail; it left me poorer in pocket, while I grew worse in health. I fell away in flesh until my neighbors scarcely knew me. In my day I have undergone many hardships and a great deal of pain, having been through the American war; but in all this I never experienced the dread that I now have when I recall this sickness; not even the hour when I was captured and dragged within two miles of Libby prison. My sufferings were intensified by the stomach trouble I could not eat and I was bent almost double with pain, in fact, I deemed myself a wreck. One day R. A. Abbey, general merchant, advised me to try Dr. Williams' Pink Pills, and as he highly recommended them I purchased three boxes, and before they were used I could feel improvement. I kept on using them until I used twelve boxes and am now so well and strong that I can do two days' work in one and weigh 226 pounds. My cure was a surprise to everyone in the community, as all thought my case hopeless. I feel so gratified that I consider this testimony compensatory only poorly what this medicine has done for me, and I believe I would have been dead if I had not taken Dr. Williams' Pink Pills.

The experience of years has proved that there is absolutely no disease due to a vitiated condition of the blood or shattered nerves, that Dr. Williams' Pink Pills will not promptly cure, and those who are suffering from such troubles would avoid much misery and save money by promptly resorting to this treatment. Get the genuine Pink Pills every time and do not be persuaded to take an imitation or some other remedy from a dealer, who for the sake of extra profit to himself, may say is "just as good." Dr. Williams' Pink Pills cure when other medicines fail.

BUYING A HAT.

Mr. Whittaker had called down at the office to take Mr. Whittaker out to buy him a hat.

"You're looking a perfect sight," she said.

"What's the matter with me?" asked Mr. Whittaker.

"It must be your hat!" said Mrs. Whittaker.

"But I haven't got my hat on," said Mr. Whittaker.

"I don't care," said Mrs. Whittaker. "Your looking an awful gay. It's time you had a new hat anyway."

"I'm awful busy," Mr. Whittaker said.

"You come along," said Mrs. Whittaker.

Mr. Whittaker sighed and came along.

"What your size?" said the clerk.

"Six and seven eighths," said Whittaker.

"Latest thing from New York, sir. Just your size."

Mr. Whittaker tried it on. It sat high dry on three hairs of Mr. Whittaker head.

"Too small," said he.

"They're wearing them small, sir," ventured the clerk.

"Let him see a size larger," said Mrs. Whittaker.

"This is the hat they are wearing in London," said the clerk.

"It doesn't fit him," said Mrs. Whittaker.

"Here's seven and a quarter," said the clerk.

Seven and a quarter was too small and seven five-eighths had to be put on with a Jack. But they bought a hat at last, and Mr. Whittaker was led for his respondent.

Alas! Next day the new hat came down to his ears. Mr. Whittaker was hopping.

"You'll never buy a hat for me again he said to the wonder-struck Mrs. Whittaker.

But it wasn't Mrs. Whittaker's fault nor the hat's fault.

It was Mr. Whittaker's fault for not taking a Dodd's Dyspepsia Tablet on coming home from the shop the night before the hat was bought. Then his head would have been at its natural size.

QUEEN CITY CASE.

John Blow, 67 Princess St., Toronto, implicated in a Cure by Dodd's Kidney Pills.

Toronto, Oct. 23.—Mr. John Blow, 67 Princess St., has had his name appear in the provincial press lately in connection with a cure made by Dodd's Kidney Pills. His case was a complication of Lumbago and Diabetes for which he had tried every remedy he ever heard of.

"When I began using Dodd's Kidney Pills," said Mr. Blow, "I had lost faith in all medicines. But from the first one of those Heaven-sent Dodd's Kidney Pills, I experienced relief. Every succeeding box hastened my complete cure.

"I have used in all five boxes and am thoroughly cured,—a strong, healthy, hearty, vigorous man whereas before I started to use your Dodd's Kidney Pills I was a constant sufferer. I cannot find words to express my entire confidence in Dodd's Kidney Pills."

FOR SALE.

Two lots with a house and barn, situated on Main St. Montague, and now used as a Methodist Parsonage.

Apply to H. Nelson, Montague or Rev. H. Penna on the premises.
