Bigger Crops

More profit from POTATOES, better LAWNS, FLOWERS and VEGETABLES.

No matter where you use Soilgro—on your potatoes, corn, grain—on your lawn, flowers or in your garden, you'll be amazed at the growth it promotes.

Soilgro feeds any plant that has roots. It is the new scientific method of hastening and increasing growth. It is cheap — for six dollars you get a package that will do for a good sized lawn and garden, or an acre and a half of roots or grain — for all summer. It is easy to apply and eliminates for the man in town, the difficulty of procuring and the objection to applying barnyard manure or other fertilizer. On farms it can be used with manure with splendid results.

Here's what one man says about Soilgro

Temiskaming, Que., Sept. 4, 1924.
"I take much pleasure in saying that I got very good results from Soilgro as we had a very bad summer for flowers. I am pleased to say that my flower garden took first prize at the Exhibition and as there is but one other here that has used Soilgro we both had the best gardens."

The original of this letter is in our files. We will be glad to give the writer's name if desired.

Among the Churches

The last meeting of the Methodist C. G. I. T. groups for the year was held on Tuesday evening, when Mrs. R. H. Rogers gave a very interesting talk on summer hobbies. The suggestion has been made that an exhibition of hobbie craft be held for the C. G. I. T. groups of the city during the fall. Miss McKenzie also spoke in connection with the C. G. I. T. summer camp to be held at Pownal in July. The attendance at the meeting was very large.

A choral celebration of the Holy Eucharist was held at St. Peter's Cathedral yesterday morning at a quarter past seven, in honor of the Ascension of our Lord. Although it was a week day, there was a large choir and a good congregation in attendance, with a larger number of communicants than last year. After the service the members of the choir were served with breakfast in the guild room.

An important item of the monthly meeting of St. James Mission Band held yesterday afternoon, was the mite-box opening. A short program of songs and recitations was pleasingly rendered by the children.

Last evening a number of the young people of the Baptist Church drove out to the home of Mr and Mrs Cecil Jenkins on Kensington Road where an enjoyable social time was spent.

Eastern Stars Ball Team Is Selected

A meeting of the Eastern Stars Baseball Club was held in the Lyceum Theatre last evening and was largely attended. The main purpose of the meeting was the appointment of a baseball nine to compete in the race for this year's pennant. The following selection of Mr. T. Corrigan, Manager and Coach was ratified:

Catcher—Dougherty.
Pitcher—V. McQuaid.
Second Base—E. McDonald.
Third Base—E. Lynds.
Short-stop—P. McQuaid.
Centre Field—J. McCabe.
Left Field—J. Donovan.
Right Field—R. McInnis.
Utility—T. Corrigan. J. McQuaid.

The above team will play the Anchors in the second game of the City League this evening at 6.15 sharp. The players above mentioned will be taken to the field in McKenna's Bus which will meet them at the corner of Weymouth and Grafton Streets at 6 o'clock.

It is expected that there will be a large urnout at this game as interest in the outcome is very keen.

THE MARKETS

MONTREAL, May 21.—Owing today being a holiday on the continent and to the fact that United Kingdom importers have not been disposed to follow the late advance in prices for grain on this side, the export business on Canadian grain here today was reported quiet, but there was some demand from American exporters for No. 3 Canadian western oats and sales of some four sized lots were made at eleven cents per bushel over the Winnipeg July option C. I. F. Montreal. The trade in cash grain in the domestic market was again slow, there being practically no demand from exporters or local buyers for supplies, and in consequence the volume of business was light, but the tone of the market for oats was steady. The export trade in spring wheat grades of flour was reported quieter, there being few bids for supplies and the volume of business small. The domestic demand was steady for small lots in mixed car orders to fill actual wants, but there was no disposition on the part of buyers to provide for future requirements. The tone of the market was steady and prices were unchanged. There were no new developments in the market for winter wheat flour, prices being steady with a moderate trade passing in broken lots. The offerings on spot were not large, but they were ample for all requirements. There continues to be a good enquiry from all sources for millfeed, but owing to the somewhat limited supplies available for immediate shipments the volume of business was curtailed to some extent as sales were chiefly confined to broken lots in mixed car orders. The tone of th market remains firm. The trade is standard grades of rolled oats was quiet and prices were unchanged due to the holiday. The trade in eggs here was quiet but the undertone was steady. The demand for butter was also small but the situation was unchanged the export trade in cheese continues inactive.

ENJOYABLE ENTERTAINMENT IN MARSHFIELD HALL

Friday evening last on invitation of the continuing Presbyterian ladies at Marshfield the C. G. I. T. girls of Zion Church repeated their most enjoyable play entitled "Leave it to Polly". The performers, eleven in all, motored to Marshfield and presented their play in the hall there. It was crowded to capacity despite the very unfavorable weather. Mr. Murdock Ross capably acted as chairman, and the performance lasted an hour and a half. The two acts of "Leave it to Polly" were just as admirably performed at Marshfield as they were in Charlottetown when the girls put on the play in Zion Church. All the performers acquitted themselves most creditably and everyoyne appaered to be delighted with the play as evidenced by their applause.

During the play the programme was supplemented with solos and recitations. These were not the least enjoyable of the evening.

At the conclusion of the play a vote of thanks, moved by Mr. John Stetson, and seconded by Mr Munn was tendered the performers, and suitably acknowledged by the chairman.

Altogether the C. G. I. T. girls made a very favourable impression at Marshfield, and they may rest assured that whenever they again visit this beautiful part of the country they will be most warmly welcomed.

Before the company left on return to the city they were entertained to luncheon by the ladies of the church.

The snug sum of $35.00 was realized.

NEW TEXT ON HYGIENE TO TEACH TEMPERANCE

TORONTO, May 19.—A deputation from the Ontario Prohibition Union today waited upon Premier Ferguson as minister of education, urging that in the new text book on hygiene provision be made for instruction in scientific temperance. The premier, it was stated at the close of the interview, was sympathetic, and there will be provision for such teaching.
